

Active Shooter and Security Procedures

The following resources concerning active shooter and security procedures have been obtained from ACWA JPIA member input. As more resources become available, they will be added:

- <http://www.training.fema.gov/is/courseoverview.aspx?code=IS-907>
This is a free, online, interactive course by FEMA.
- **Cucamonga Valley Water District (CVWD)** had Active Shooter training in September 2015. The class was called Active Shooter Awareness Training. The instructor did a fantastic job for the District. Each session was two hours. Here is the instructor's information:
 - **John-Isaac Chadwell**, Director of Service Solutions
 - Telephone: (855) 234-7462, Ext. 114
 - Cell: (949) 310-7937 cell
 - PI License No. 25503 John-Isaac Chadwell jchadwell@ehsinc.org
- **Valley Center Municipal Water District** recommended the following:
 - <https://www.youtube.com/watch?v=ol5EoWBRYmo&feature=youtu.be>
 - They are also re-evaluating their procedures on how keys are initially issued to new employees and then collected upon termination of employment.
 - Input from **Gabriela Olson**, Safety & Regulatory Compliance Supervisor, Valley Center MWD, Direct: (760) 735-4511.
- **Padre Dam Municipal Water District** used the attachment and the video on this FBI link to train everyone on what to do in the event of an active shooter. Due to the shooting in San Bernardino, the District will conduct the training sooner than mid-2016. Typically, a member of local law enforcement is invited to attend as well. The training typically takes no more than 30 minutes.
