

H. R. LABOUNTY SAFETY AWARD PROGRAM

NOMINATION FORM

Agency: Crescenta Valley Water District

Employee Nominated:

Name: Bryan Jones

Job Classification: Supervisor

Reason for Nomination:

Bryan saw the need to find a way to safely maneuver heavy road plates. Bryan took to the Internet and located a company that sells just the tool. The company can be seen in one of the attached photos (Plate Mate) this magnetic tool does a great job in keeping the employees at least 4' clear of the plates at all times. In the past we used to use a square headed shovel that slipped off the plates at times putting the employees in the danger zone. This tool has no moving parts and should last for a very long time.
