

H. R. LABOUNTY SAFETY AWARDS PROGRAM NOMINATION FORM

Agency: Elsinore Valley Municipal Water District

Employee Nominated:

Name: Jose Martinez

Job Classification: Welder/Fabricator

Reason for Nomination:

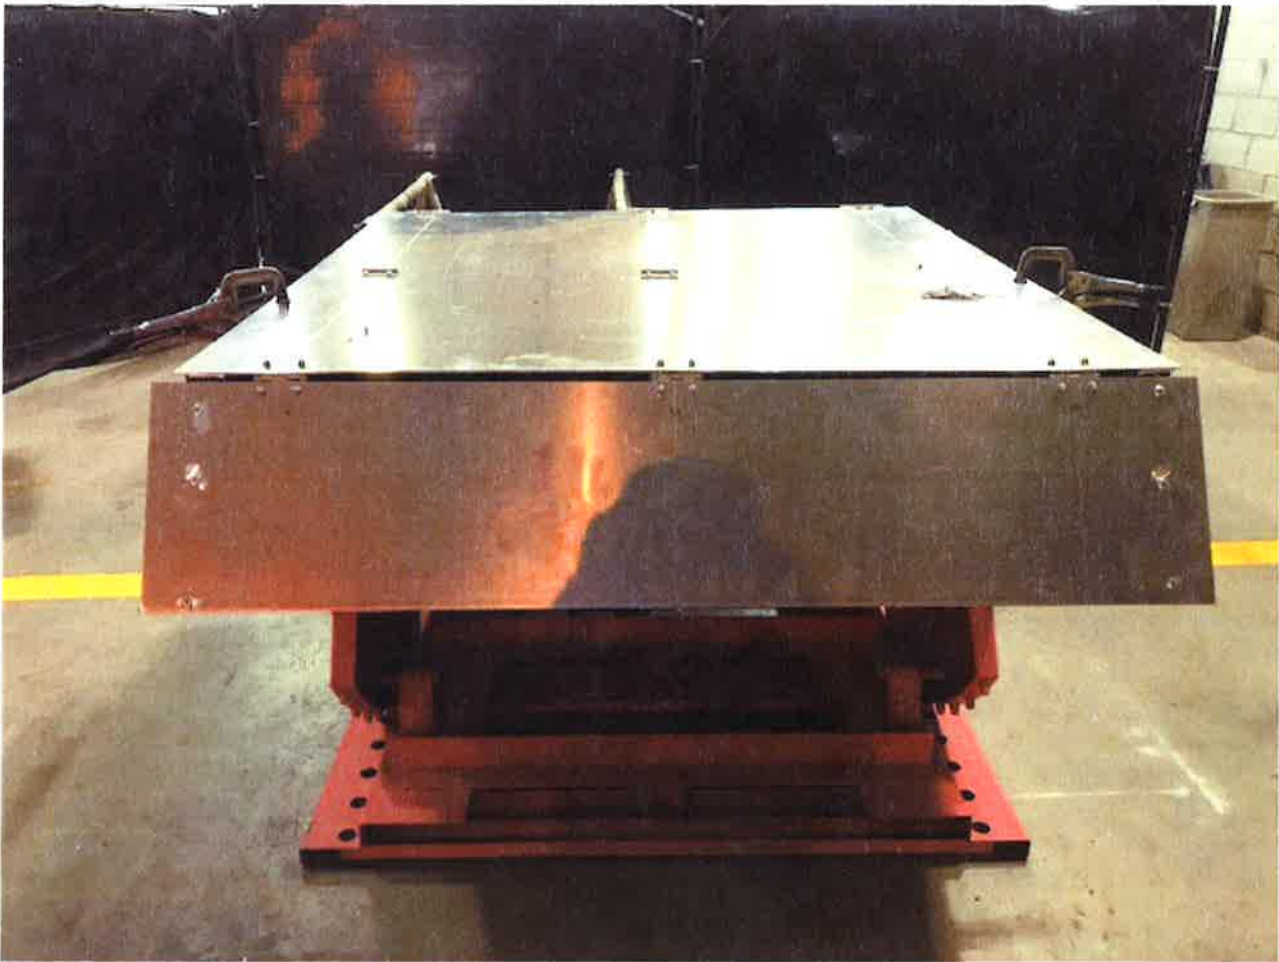

The lid on our asbestos cement pipe container weighed 198 pounds and was heavy and awkward. This posed an opportunity for injury. Jose designed, developed, and installed a new lid. The new lid is the same size as the the old, but only weighs 67 pounds and has multiple hinges to allow employees to open portions of the lid. The new lid is not only easier to lift and manuever, but is also lessens the risk for injury due to the drastic reduction in weight.

**This nomination addresses risk reduction "best practices" in the JPIA's
Commitment to Excellence Program.
