

H. R. LABOUNTY SAFETY AWARD PROGRAM NOMINATION FORM

OPS-CONST

Agency: Wheeler Ridge-Maricopa Water Storage District

Employee Nominated:

Name: Jon Kelley

Job Classification: Maintenance Foreman

Reason for Nomination: The District is a public agency whose jurisdiction encompasses about 147,000 acres (230 square miles) of land in Kern County, California, at the extreme southern end of the San Joaquin Valley south of Bakersfield. On a normal day we have crews working at various remote locations throughout the District. Jon Kelley had ten sign boards made to help employees, vendors, and emergency services locate the crews when needed. These light weight sign boards have proven to be very useful, at times several of the sign boards are used to help find the employees when the path to the work site zigzags through several orchards.
