

H. R. LABOUNTY SAFETY AWARD PROGRAM NOMINATION FORM

OPS-MX
ERGO-AP
ERGO-FE

Agency: Sacramento Suburban Water District

Employee Nominated:

Name: Mike Jenner

Job Classification: Distribution Operator II

Reason for Nomination: Sacramento Suburban Water District has many large meters in older style concrete boxes with heavy, steel reinforced lids. When these lids need to be removed for meter maintenance, there is a risk of musculoskeletal injury to staff due to the weight (approximately 75-100 pounds each) and awkward lifting position. Mike designed a lifting apparatus that is now used to lift these heavy lids with a crane mounted on the service vehicle.
