

Download, tap and go

With the Anthem Anywhere app, you can easily manage your benefits anytime, anywhere.

Check your claims

Find out what your doctor billed, how much your plan paid and if you owe anything.

View your medical benefits

See your copays, deductibles, your percentage of the costs and other important plan benefit info.

Get your ID card

Share, fax or email your ID card right from your smartphone.

Find a doctor

Search for a doctor, specialist, urgent care or hospital close by and get directions.

Manage prescription benefits

Check the cost of medicines, get refills or switch to our home delivery program.

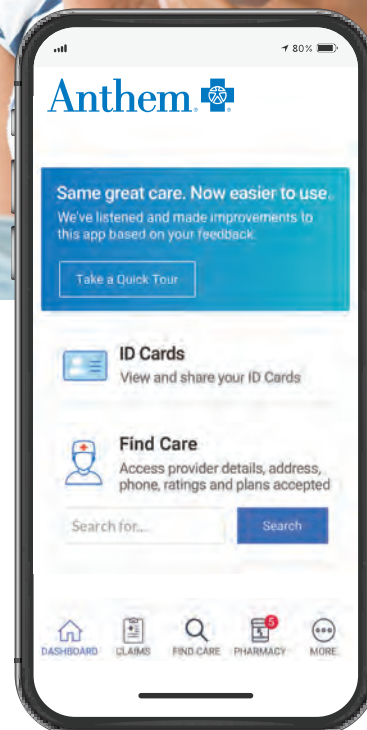

Estimate your costs

See what nearby doctors and facilities charge for a procedure and compare their cost and quality.

Access your mobile Health Record

View your Health Record and share with your doctors wherever you go.

Download the Anthem Anywhere app today!

Just search for **Anthem Blue Cross** and download it from the App Store® or Google Play™
