## *Our medical team will transform your office into a private medical setting.*

The series of 5-screenings takes one hour with same-day results. Screenings are painless with no side effects. Reports are thoroughly reviewed by our board-certified Radiologist.

The early detection of heart disease, cancer and stroke greatly increases treatment options and positive success rates while significantly reducing large health insurance claims and rising corporate insurance premiums.

No cost to you.

## *The best preventive screenings your employees are not getting through their doctor\*.*

We focus on the most common and devastating diseases. The 5-screening ultrasound package is the absolute best preventive screenings for the diseases in question.

### **5-Screening Package:**

*Echocardiogram - Heart Disease*

*Abdominal Cancer Screening - Cancer*  
Liver | Kidneys | Pancreas | Gallbladder | Spleen

*Carotid Ultrasound - Stroke*

*Aortic Aneurysm Screening - Heart Disease*

*Colon Cancer Screening - Cancer*

### **Optional Screenings:**

*Pelvic Ultrasound Screening - Cancer*  
Uterus | Ovaries | Endometrium

*Bone Density Screening - Osteoporosis*

\*Doctors do not prescribe these screening as a regular preventive measure because most insurance will not pay for them. Doctors prescribe these screenings/studies as a reaction when symptoms are present and a disease is at a more advanced stage.
