

GET YOUR FLU SHOT!

It's more important than ever this flu season!

Whether you are an Anthem or Kaiser member, you have a variety of options for getting your flu shot at no cost to you.

Anthem Member?

Whether you are on an Anthem HMO or PPO plan, your flu shot is covered under the preventive care benefit and can be obtained from an in-network pharmacy or doctor's office at no charge.

To find an in-network physician or retail health clinic, call Anthem member services (see the number on the back of your Anthem ID card) or search online by going to www.anthem.com/ca.

In-network pharmacies include Rite Aid, CVS and Walgreens among many others. Simply show your Anthem ID card. To find a pharmacy near you:

- For PPO members, go to www.medimpact.com/JPIA. Register and login. On the top locator bar, change Drug Price to Pharmacy and search.
- For HMO members, go to the [Anthem network pharmacy Flu Shot Finder](#).

Kaiser Member?

You can obtain your free flu shot in a number of ways:

- In facility - get your shot at your next Kaiser appointment.
- Walk-up – many of Kaiser's locations have walk-up flu clinics outside or in the lobby, some with Saturday hours.
- Retail locations – before December 31, 2020, you can get a flu shot at select retail pharmacies.
- Drive thru – some Kaiser locations are sponsoring drive-thru flu clinics.
