

Web-Based Risk Control Training Series for Alliant Property Insurance Program Members: 2019-20 Calendar

The Alliant Property Insurance Program (APIP) offers members assistance to address complex property risk control issues. As a service to APIP clients, Alliant Risk Control Consulting will be presenting a series of one-hour, web-based safety training programs at no charge.

As part of the Web-Based series, APIP members will receive:

- Risk Control and property insurance presenters are subject matter experts with 10- 20 years of experience.
- Webinars designed by our Risk Control experts to target the unique hazards associated with property loss.
- An audio-plus-web format that enables clients to receive risk control/safety training without leaving their facility. All clients need is a windows-based computer, audio (speakers), and a high speed internet connection.
- Since the programs are delivered live, participants are able to send their questions electronically to the presenter.
- All programs are recorded for future playback.
- Details on each program will be provided one week in advance of each webinar.
- **Click on any title to the right to be directed to the registration page.**

QUESTIONS?

Contact our Webinar Coordinator: Call (949) 260-5042 or e-mail: riskcontrol@alliant.com

All training programs will be held from 10 a.m. to 11 a.m. Pacific Standard Time.
