Prudent Buyer Classic Plan
(California Residents)
Benefit Booklet

Dear Plan Member:

This Benefit Booklet ("*benefit booklet*") provides a complete explanation of your benefits, limitations and other plan provisions which apply to you.

Subscribers and covered dependents ("members") are referred to as "you" and "your". The *plan administrator* is referred to as "we", "us" and "our".

All italicized words have specific definitions. These definitions can be found either in the specific section or in the DEFINITIONS section of this *benefit booklet*.

Please read this Benefit Booklet ("*benefit booklet*") carefully so that you understand all the benefits your *plan* offers. Keep this Benefit Booklet handy in case you have any questions about your coverage.

Important: This is not an insured benefit plan. The benefits described in this Benefit Booklet or any rider or amendments hereto are funded by the *plan administrator* who is responsible for their payment. Anthem Blue Cross Life and Health Insurance Company provides administrative claims payment services only and does not assume any financial risk or obligation with respect to claims.

Anthem Blue Cross Life and Health Insurance Company is an independent licensee of the Blue Cross Association.

COMPLAINT NOTICE

All complaints and disputes relating to coverage under this *plan* must be resolved in accordance with the *plan's* grievance procedures. Grievances may be made by telephone (please call the number described on your ID card) or in writing (write to Anthem Blue Cross Life and Health Insurance Company, 21215 Burbank Blvd, Woodland Hills, CA 91367 marked to the attention of the Member Services Department named on your ID card). If you wish, the Claims Administrator will provide a Complaint Form which you may use to explain the matter.

All grievances received under the *plan* will be acknowledged in writing, together with a description of how the *plan* proposes to resolve the grievance. Grievances that cannot be resolved by this procedure shall be submitted to arbitration.

Consolidated Appropriations Act of 2021 Notice

Consolidated Appropriations Act of 2021 (CAA)

The *Consolidated Appropriations Act of 2021 (CAA)* is a federal law that includes the No Surprises Act as well as the provider transparency requirements that are described below.

The CAA provisions within this *plan* apply unless state law or any other provisions within this *plan* are more advantageous to you.

Surprise Billing Claims

Surprise Billing Claims are claims that are subject to the No Surprises Act requirements:

- *Emergency* services provided by *non-participating providers*;
- Covered services provided by an *non-participating provider* at a *participating provider* facility; and
- *Non-participating providers* air ambulance services.

No Surprises Act Requirements

Emergency Services

As required by the CAA, *emergency medical conditions* are covered under your *plan*:

- Without the need for pre-certification;
- Whether the provider is a *participating provider* or *non-participating provider*;

If the *emergency medical conditions* you receive are provided by a *non-participating provider*, Covered services will be processed at the *participating provider* benefit level.

Note that if you receive *emergency* services from a *non-participating provider*, your out-of-pocket costs will be limited to amounts that would apply if the covered services had been furnished by a *participating provider*. However, *non-participating provider* cost-shares (i.e., Copayments, Deductibles and/or Coinsurance) will apply to your claim if the treating *non-participating provider* determines you are stable, meaning you have been provided necessary *emergency* care such that your condition will not materially worsen and the *non-participating provider* determines: (i) that you are able to travel to a *participating provider* facility

by non-emergency transport; (ii) the *non-participating provider* complies with the notice and consent requirement; and (iii) you are in condition to receive the information and provide informed consent. If you continue to receive services from the *non-participating provider* after you are stabilized, you will be responsible for the *non-participating provider* cost-shares, and the *non-participating provider* will also be able to charge you any difference between the *maximum allowed amount* and the *non-participating provider's* billed charges. This notice and consent exception does not apply if the covered services furnished by a *non-participating provider* result from unforeseen and urgent medical needs arising at the time of service.

Non-Participating Services Provided at a Participating Provider Facility

When you receive covered services from a *non-participating provider* at a *participating provider* facility, your out-of-pocket costs will be limited to amounts that would apply if the covered service had been furnished by a *participating provider*. However, if the *non-participating provider* gives you proper notice of its charges, and you give written consent to such charges, claims will be paid at the *non-participating provider* benefit level. This means you will be responsible for out-of-network cost-shares for those services and the *non-participating provider* can also charge you any difference between the *maximum allowed amount* and the *non-participating provider's* billed charges. This notice and consent process described below does not apply to ancillary services furnished by a *non-participating provider* at a *participating provider* facility. Your out-of-pocket costs for claims for covered ancillary services furnished by a *non-participating provider* at a *participating provider* facility will be limited to amounts that would apply if the covered service had been furnished by a *participating provider*. Ancillary services are one of the following services: (A) *emergency* care; (B) anesthesiology; (C) laboratory and pathology services; (D) radiology; (E) neonatology; (F) diagnostic services; (G) assistant surgeons; (H) hospitalists; (I) intensivists; and (J) any services set out by the U.S. Department of Health & Human Services.

Non-participating providers satisfy the notice and consent requirement as follows:

1. By obtaining your written consent not later than 72 hours prior to the delivery of services; or
2. If the notice and consent is given on the date of the service, if you make an appointment within 72 hours of the services being delivered.

Non-participating provider Air Ambulance Services

When you receive *non-participating providers* air ambulance services, your out-of-pocket costs will be limited to amounts that would apply if the covered service had been furnished by a *participating* air ambulance service provider.

How Cost-Shares Are Calculated

Your cost shares for *surprise billing claims* will be calculated based on the *recognized amount*. Any out-of-pocket cost shares you pay to a *non-participating provider* for either *emergency services* or for covered services provided by a *non-participating provider* at a *participating provider* facility or for covered services provided by a *non-participating provider* air ambulance service provider will be applied to your *participating provider* out-of-pocket limit.

Appeals

If you receive *emergency care services* from a *non-participating provider*, covered services from a *non-participating provider* at a *participating provider* facility or *non-participating* air ambulance services and believe those services are covered by the No Surprise Billing Act, you have the right to appeal that claim. If your appeal of a *Surprise Billing Claim* is denied, then you have a right to appeal the adverse decision to an Independent Review Organization as set out in the “Your Right To Appeals” section of this Benefit Book.

Provider Directories

The Claims Administrator is required to confirm the list of In-Network Providers in its Provider Directory every 90 days. If you can show that you received inaccurate information from The Claims Administrator that a Provider was In-Network on a particular claim, then you will only be liable for In-Network cost shares (i.e., Copayments, Deductibles, and/or Coinsurance) for that claim. Your In-Network cost shares will be calculated based upon the Maximum Allowed Amount.

Transparency Requirements

Anthem provides the following information on its website (i.e., www.anthem.com/ca):

- Protections with respect to *Surprise Billing Claims* by providers, including information on how to contact state and federal agencies if you believe a Provider has violated the No Surprises Act.

You may also obtain the following information on The Claims Administrator's website or by calling Member Services at the phone number on the back of your ID Card:

- Cost sharing information for covered items, services, and drugs,, as required by the Centers for Medicare & Medicaid Services (CMS); and
- A listing / directory of all In-Network Providers.

In addition, Anthem will provide access through its website to the following information:

- *Participating provider* negotiated rates; and
- Historical *non-participating provider* rates.

TYPES OF PROVIDERS

PLEASE READ THE FOLLOWING INFORMATION SO YOU WILL KNOW FROM WHOM OR WHAT GROUP OF PROVIDERS HEALTH CARE MAY BE OBTAINED. THE MEANINGS OF WORDS AND PHRASES IN ITALICS ARE DESCRIBED IN THE SECTION OF THIS BENEFIT BOOKLET ENTITLED DEFINITIONS.

Participating Providers in California. The *plan* has made available to the *members* a network of various types of "Participating Providers". These providers are called "participating" because they have agreed to participate in the *claims administrator's* preferred provider organization program (PPO), called the Prudent Buyer Plan. *Participating providers* have agreed to a rate they will accept as reimbursement for covered services. The amount of benefits payable under this *plan* will be different for *non-participating providers* than for *participating providers*. See the definition of "Participating Providers" in the DEFINITIONS section for a complete list of the types of providers which may be *participating providers*.

A directory of participating providers is available upon request. The directory lists all *participating providers* in your area, including health care facilities such as *hospitals* and *skilled nursing facilities*, *physicians*, laboratories, and diagnostic x-ray and imaging providers. You may call the Member Services number listed on your ID card and request for a directory to be sent to you. You may also search for a *participating provider* using the "Find a Doctor" function on the *claims administrator's* website at www.anthem.com/ca. The listings include the credentials of *participating providers* such as specialty designations and board certification.

If you need details about a provider's license or training, or help choosing a *physician* who is right for you, call the Member Services number on the back of your ID card

If you receive covered services from a *non-participating provider* after we failed to provide you with accurate information in our provider directory, or after we failed to respond to your telephone or web-based inquiry within the time required by federal law, covered services will be covered at the *participating provider* level.

Connect with Us Using Our Mobile App. As soon as you enroll in this plan, you should download our mobile app. You can find details on how to do this on our website, www.anthem.com/ca.

Our goal is to make it easy for you to find answers to your questions. You can chat with us live in the app, or contact us on our website, www.anthem.com/ca.

How to Access Primary and Specialty Care Services

Your health plan covers care provided by primary care *physicians* and specialty care providers. To see a primary care *physician*, simply visit any *participating provider physician* who is a general or family practitioner, internist or pediatrician. Your health plan also covers care provided by any *participating provider* specialty care provider you choose (certain providers' services are covered only upon referral of an M.D. (medical doctor) or D.O. (doctor of osteopathy), see "Physician," below). Referrals are never needed to visit any *participating provider* specialty care provider including a behavioral health care provider.

To make an appointment call your *physician's* office:

- Tell them you are a Prudent Buyer Plan *member*.
- Have your Member ID card handy. They may ask you for your group number, member I.D. number, or office visit copay.
- Tell them the reason for your visit.

When you go for your appointment, bring your Member ID card.

After hours care is provided by your *physician* who may have a variety of ways of addressing your needs. Call your *physician* for instructions on how to receive medical care after their normal business hours, on weekends and holidays. This includes information about how to receive non-emergency care and non-urgent care within the service area for a condition that is not life threatening, but that requires prompt medical attention. If you have an *emergency* or behavioral health crisis, call the 911 emergency response system or the 988 suicide and crisis lifeline or go to the nearest emergency room.

Participating Providers Outside of California

If you are outside of the California service areas, please call the toll-free BlueCard Provider Access number on your ID card to find a *participating provider* in the area you are in. A directory of PPO Providers for outside of California is available upon request.

Non-Participating Providers. *Non-participating providers* are providers which have not agreed to participate in the Prudent Buyer Plan network. They have not agreed to the reimbursement rates and other provisions of a Prudent Buyer Plan contract.

The *claims administrator* has processes to review claims before and after payment to detect fraud, waste, abuse and other inappropriate activity. *Members* seeking services from *non-participating providers* could be balance billed by the *non-participating provider* for those services that are determined to be not payable as a result of these review processes and meets the criteria set forth in any applicable state regulations adopted pursuant to state law. A claim may also be determined to be not payable due to a provider's failure to submit medical records with the claims that are under review in these processes.

Physicians. "Physician" means more than an M.D. Certain other practitioners are included in this term as it is used throughout the *plan*. This doesn't mean they can provide every service that a medical doctor could; it just means that the *plan* will cover expenses you incur from them when they're practicing within their specialty the same as would be covered if care were provided by a medical doctor. As with the other terms, be sure to read the definition of "Physician" to determine which providers' services are covered. Only providers listed in the definition are covered as *physicians*. Please note also that certain providers' services are covered only upon referral of an M.D. (medical doctor) or D.O. (doctor of osteopathy). Providers for whom referral is required are indicated in the definition of "physician" by an asterisk (*).

Other Health Care Providers. "Other Health Care Providers" are neither *physicians* nor *hospitals*. They are mostly free-standing facilities or service organizations. See the definition of "Other Health Care Providers" in the DEFINITIONS section for a complete list of those providers. *Other health care providers* are not part of the Prudent Buyer Plan provider network.

Contracting and Non-Contracting Hospitals. Another type of provider is the "contracting hospital." This is different from a *hospital* which is a *participating provider*. As a health care service plan, the *claims administrator* has traditionally contracted with most hospitals to obtain certain advantages for patients covered by the *plan*. While only some *hospitals* are *participating providers*, all eligible California hospitals are invited to be *contracting hospitals* and most--over 90%--accept.

Reproductive Health Care Services. Some *hospitals* and other providers do not provide one or more of the following services that may be covered under your *plan* contract and that you or your family member might need: family planning; contraceptive services, including emergency contraception; sterilization, including tubal ligation at the time of labor and delivery; infertility treatments; or abortion. You should obtain more information before you enroll. Call your prospective *physician* or clinic, or call the Member Services telephone number listed on your ID card to ensure that you can obtain the health care services that you need.

Participating and Non-Participating Pharmacies. "Participating Pharmacies" agree to charge only the *prescription drug maximum allowed amount* to fill the *prescription*. You pay only your co-payment amount.

"Non-Participating Pharmacies" have not agreed to the *prescription drug maximum allowed amount*. The amount that will be covered as *prescription drug covered expense* is significantly lower than what these providers customarily charge.

Centers of Medical Excellence and Blue Distinction Centers. The *claims administrator* is providing access to *Centers of Medical Excellence* (CME) network and *Blue Distinction Centers for Specialty Care (BDCSC)*. The facilities included in each of these networks are selected to provide the following specified medical services:

- **Transplant Facilities.** Transplant facilities have been organized to provide services for the following specified transplants: heart, liver, lung, combination heart-lung, kidney, pancreas, simultaneous pancreas-kidney, or bone marrow/stem cell and similar procedures. Subject to any applicable co-payments or deductibles, *CME* and *BDCSC* have agreed to a rate they will accept as payment in full for covered services. **These procedures are covered only when performed at a *CME* or *BDCSC*.**
- **Bariatric Facilities.** Hospital facilities have been organized to provide services for bariatric surgical procedures, such as gastric bypass and other surgical procedures for weight loss programs. **These procedures are covered only when performed at a *BDCSC*.**

Benefits for services performed at a designated *CME* or *BDCSC* will be the same as for *participating providers*. A *participating provider* in the Prudent Buyer Plan network is not necessarily a *CME* or *BDCSC* facility.

Care Outside the United States—Blue Cross Blue Shield Global Core

Prior to travel outside the United States, call the Member Services telephone number listed on your ID card to find out if your plan has Blue

Cross Blue Shield Global Core benefits. Your coverage outside the United States is limited and the *claims administrator* recommends:

- Before you leave home, call the Member Services number on your ID card for coverage details. **You have coverage for services and supplies furnished in connection only with urgent care or an emergency when travelling outside the United States.**
- Always carry your current ID card.
- In an emergency, seek medical treatment immediately.
- **The Blue Cross Blue Shield Global Core Service Center is available 24 hours a day, seven days a week toll-free at (800) 810-BLUE (2583) or by calling collect at (804) 673-1177.** An assistance coordinator, along with a medical professional, will arrange a *physician* appointment or hospitalization, if needed.

Payment Information

- **Participating Blue Cross Blue Shield Global Core hospitals.** In most cases, you should not have to pay upfront for inpatient care at participating Blue Cross Blue Shield Global Core *hospitals* except for the out-of-pocket costs you normally pay (non-covered services, deductible, co-payments, and co-insurance). The *hospital* should submit your claim on your behalf.
- **Doctors and/or non-participating hospitals.** You will have to pay upfront for outpatient services, care received from a *physician*, and inpatient care from a *hospital* that is not a participating Blue Cross Blue Shield Global Core *hospital*. Then you can complete a Blue Cross Blue Shield Global Core claim form and send it with the original bill(s) to the Blue Cross Blue Shield Global Core Service Center (the address is on the form).

Claim Filing

- **Participating Blue Cross Blue Shield Global Core hospitals will file your claim on your behalf.** You will have to pay the *hospital* for the out-of-pocket costs you normally pay.
- **You must file the claim** for outpatient and *physician* care, or inpatient *hospital* care not provided by a participating Blue Cross Blue Shield Global Core *hospital*. You will need to pay the health care provider and subsequently send an international claim form with the original bills to the *claims administrator*.

Additional Information About Blue Cross Blue Shield Global Core Claims.

- You are responsible, at your expense, for obtaining an English-language translation of foreign country provider claims and medical records.
- Exchange rates are determined as follows:
 - For inpatient *hospital* care, the rate is based on the date of admission.
 - For outpatient and professional services, the rate is based on the date the service is provided.

Claim Forms

- International claim forms are available from the *claims administrator*, from the Blue Cross Blue Shield Global Core Service Center, or online at:

www.bcbsglobalcore.com

The address for submitting claims is on the form.

SUMMARY OF BENEFITS

YOUR EMPLOYER HAS AGREED TO BE SUBJECT TO THE TERMS AND CONDITIONS OF ANTHEM'S PROVIDER AGREEMENTS WHICH MAY INCLUDE PRE-SERVICE REVIEW AND UTILIZATION MANAGEMENT REQUIREMENTS, COORDINATION OF BENEFITS, TIMELY FILING LIMITS, AND OTHER REQUIREMENTS TO ADMINISTER THE BENEFITS UNDER THIS PLAN.

THE BENEFITS OF THIS PLAN ARE PROVIDED ONLY FOR THOSE SERVICES THAT ARE DETERMINED TO BE MEDICALLY NECESSARY. THE FACT THAT A PHYSICIAN PRESCRIBES OR ORDERS A SERVICE DOES NOT, IN ITSELF, MEAN THAT THE SERVICE IS MEDICALLY NECESSARY OR MEAN THAT THE SERVICE IS COVERED UNDER THIS PLAN. CONSULT THIS BOOKLET OR TELEPHONE THE NUMBER SHOWN ON YOUR ID CARD IF YOU HAVE ANY QUESTIONS REGARDING WHETHER SERVICES ARE COVERED.

THIS PLAN CONTAINS MANY IMPORTANT TERMS (SUCH AS "MEDICALLY NECESSARY" AND "MAXIMUM ALLOWED AMOUNT") THAT ARE DEFINED IN THE DEFINITIONS SECTION. WHEN READING THROUGH THIS BENEFIT BOOKLET, CONSULT THE DEFINITIONS SECTION TO BE SURE THAT YOU UNDERSTAND THE MEANINGS OF THESE ITALICIZED WORDS.

For your convenience, this summary provides a brief outline of your benefits.

Second Opinions. If you have a question about your condition or about a plan of treatment which your *physician* has recommended, you may receive a second medical opinion from another *physician*. This second opinion visit will be provided according to the benefits, limitations, and exclusions of this *plan*. If you wish to receive a second medical opinion, remember that greater benefits are provided when you choose a *participating provider*. You may also ask your *physician* to refer you to a *participating provider* to receive a second opinion.

Triage or Screening Services. If you have questions about a particular health condition or if you need someone to help you determine whether or not care is needed, triage or screening services are available to you by telephone. Triage or screening services are the evaluation of your health by a *physician* or a nurse who is trained to screen for the purpose of determining the urgency of your need for care. Please contact the 24/7 NurseLine at the telephone number listed on your identification card 24 hours a day, 7 days a week.

After Hours Care. After hours care is provided by your *physician* who may have a variety of ways of addressing your needs. You should call your

physician for instructions on how to receive medical care after their normal business hours, on weekends and holidays, or to receive non-*emergency* care and non-*urgent* care within the service area for a condition that is not life threatening but that requires prompt medical attention. If you have an *emergency*, call 911 or go to the nearest emergency room.

All benefits are subject to coordination with benefits under certain other plans, including Medicare.

The benefits of this *plan* are subject to the SUBROGATION AND REIMBURSEMENT section.

IMPORTANT!

Non-Certification Penalty: For the full benefits of this *plan* to be payable, each time you are admitted to a *hospital* or *residential treatment center*, the appropriate utilization reviews must be performed. When pre-service review is not performed as required, the benefits to which you would be otherwise entitled **will be reduced by 10%**. However, this reduction in benefits will not apply to *emergency* admissions or to the services provided by a *participating provider*.

Please refer to the section entitled UTILIZATION REVIEW PROGRAM for information on how to obtain certification.

MEDICAL BENEFITS

DEDUCTIBLES

Calendar Year Deductibles

- Member Deductible..... **\$200**
- Family Deductible **\$600***
- Emergency Room Deductible \$50**

* But not more than the Member Deductible amount per *member* indicated above for any one enrolled family member. The Family Deductible can be met by any combination of amounts from any family member.

Exceptions: In certain circumstances, one or more of these Deductibles may not apply, as described below:

- The Calendar Year Deductible will not apply to benefits for Preventive Care Services provided by a *participating provider*.
- The Calendar Year Deductible will not apply to visits to a retail health clinic that is a *participating provider*.

- The Calendar Year Deductible will not apply to office visits to a *physician* who is a *participating provider*.

Note: This exception only applies to the charge for the visit itself. It does not apply to any other charges made during that visit, such as for testing procedures, surgery, etc.

- The Calendar Year Deductible will not apply to virtual visits when provided by a *participating provider*. **Virtual visits with a *physician* who is a *non-participating provider* are not covered.**
- The Calendar Year Deductible will not apply to diabetes education program services and diabetic test strips provided by a *physician* who is a *participating provider*.
- The Calendar Year Deductible will not apply to transplant travel expenses authorized by the *claims administrator* in connection with a specified transplant procedure provided at a designated *CME* or a *BDCSC*.
- The Calendar Year Deductible will not apply to transgender travel expense in connection with an approved transgender surgery.
- The Emergency Room Deductible will not apply if you are admitted as a *hospital* inpatient immediately following emergency room treatment. This deductible will not apply for the remainder of the *year* once your Out-of-Pocket Amount is reached.

CO-PAYMENTS

Co-Payments.* After you have met your Calendar Year Deductible, and any other applicable deductible, you will be responsible for the following percentages of the *maximum allowed amount*:

- *Participating Providers*.....**20%**
- *Other Health Care Providers***20%**
- *Non-Participating Providers*.....**20%**

Note: In addition to the Co-Payment shown above, you will be required to pay any amount in excess of the *maximum allowed amount* for the services of an *other health care provider* or *non-participating provider*.

***Exceptions:**

- There will be no Co-Payment for any covered services provided by a *participating provider* under the Preventive Care benefit.

- Your Co-Payment for office visits to a *physician* who is a *participating provider* will be **\$15**. This Co-Payment will not apply toward the satisfaction of any deductible.

Note: This exception applies only to the charge for the visit itself. It does not apply to any other charges made during that visit, such as testing procedures, surgery, etc.

- There will be no Co-Payment for virtual visits with a *physician* who is a *participating provider*. **Virtual visits with a *physician* who is a *non-participating provider* are not covered.**

Note: This exception applies only to the charge for the visit itself. It does not apply to any other charges made during that visit, such as testing procedures, surgery, etc.

- Your Co-Payment for retail health clinic visits provided by a *participating provider* will be **\$15**. Your Co-Payment will not apply toward satisfaction of any deductible.
- Your Co-Payment for diabetes education program services provided by a *physician* who is a *participating provider* will be **\$15**. This Co-Payment will not apply toward the satisfaction of any deductible.
- There will be no Co-Payment for diabetic test strips provided by a *physician* who is a *participating provider*.
- There will be no Co-Payment for vasectomy, by a *physician* who is a *participating provider*.
- Your Co-Payment for services provided by a *hospital* or *residential treatment center* that is a *participating provider* for inpatient services and supplies will be **10%** of the *maximum allowed amount*.
- Your Co-Payment for services provided by a *skilled nursing facility* that is a *participating provider* will be **10%** of the *maximum allowed amount*.
- Your Co-Payment for home health care services provided by a *participating provider* will be **10%** of the *maximum allowed amount*.
- Your Co-Payment for outpatient surgery and supplies at a *hospital* or an *ambulatory surgical center* that is a *participating provider* will be **10%** of the *maximum allowed amount*.

- Your Co-Payment for outpatient services and supplies provided by a *participating provider hospital* or *residential treatment center* will be **10%** of the *maximum allowed amount*.
- Your Co-Payment for specified transplants (heart, liver, lung, combination heart-lung, kidney, pancreas, simultaneous pancreas-kidney, or bone marrow/stem cell and similar procedures) determined to be *medically necessary* and performed at a designated *CME* or *BDCSC* will be **10%** of the *maximum allowed amount* and professional services provided in connection with a specified transplant procedure will be subject to a Co-Payment of **20%** of the *maximum allowed amount*. **Services for specified transplants are not covered when performed at other than a designated *CME* or *BDCSC*.** See UTILIZATION REVIEW PROGRAM.

NOTE: No Co-Payment will be required for the transplant travel expenses authorized by the *claims administrator* in connection with a specified transplant performed at a designated *CME* or *BDCSC*. Transplant travel expense coverage is available when the closest *CME* or *BDCSC* is 250 miles or more from the recipient's or donor's residence.

- Your Co-Payment for any covered services provided under the Hospice Care benefit will be **10%** of the *maximum allowed amount*.
- Your Co-Payment for Acupuncture services provided by a *physician* who is a *non-participating provider* will be **40%** of the *maximum allowed amount*.
- Your Co-Payment for bariatric surgical procedures determined to be *medically necessary* and performed at a designated *BDCSC* will be **10%** of the *maximum allowed amount* and professional services provided in connection with an authorized bariatric surgical procedure will be subject to a Co-Payment of **20%** of the *maximum allowed amount*. **Services for bariatric surgical procedures are not covered when performed at other than a designated *BDCSC*.** See UTILIZATION REVIEW PROGRAM.

Note: Co-Payments do not apply to bariatric travel expenses authorized by the *claims administrator*. Bariatric travel expense coverage is available when the closest *BDCSC* is 50 miles or more from the *member's* residence.

- Co-Payments do not apply to transgender travel expenses authorized by the *claims administrator*. Transgender travel expense coverage is available when the facility at which the

surgery or series of surgeries will be performed is 75 miles or more from the *member's* residence.

Medical Out-of-Pocket Amount*. After you have made the following total out-of-pocket payments for covered charges incurred during a *calendar year*, you will no longer be required to pay a Co-Payment for the remainder of that *year*, but you remain responsible for costs in excess of the *maximum allowed amount*.

Participating providers and Other Health Care Providers:

- Per *member* **\$2,000**
- Per *family* **\$4,000****

Non-participating providers:

- Per *member* **\$2,000**

****** But not more than the Out-of-Pocket Amount per *member* indicated above for any one enrolled family member. For any given family member, the Out-of-Pocket Amount is met either after he/she meets the amount for per *member*, or after the entire family Out-of-Pocket Amount is met. The family Out-of-Pocket Amount can be met by any combination of amounts from any family member.

***Exception:**

- Expense which is incurred for non-covered services or supplies, or which is in excess of the *maximum allowed amount*, will not be applied toward your Out-of-Pocket Amount.

Important Note About Maximum Allowed Amount And Your Co-Payment: The *maximum allowed amount* for *non-participating providers* is significantly lower than what providers customarily charge. You must pay all of this excess amount in addition to your Co-Payment.

MEDICAL BENEFIT MAXIMUMS (The maximum the *plan* pays)

The *plan* will pay, for the following services and supplies, up to the maximum amounts, or for the maximum number of days or visits shown below:

Hospital (Non-Participating Provider)*

- For covered inpatient *hospital* services and supplies **\$600**
per day
- For covered outpatient surgery..... **\$350**
per admission

* The maximums do not apply to *emergency services*.

PREScription DRUG BENEFITS

PREScription DRUG CO-PAYMENTS. The following co-payments apply for each *prescription*:

Retail Pharmacies: The following co-payments apply for a 30-day supply of medication.

Please note, *prescription drugs* that are required to be covered by federal law under the “Preventive Care Services” benefit will be covered with no deductible, copayments or coinsurance when you use a *participating pharmacy*.

Participating Pharmacies

- Tier 1 – Typically Generic **\$5**
- Tier 2 – Typically Preferred Brand **\$20**
- Tier 3 – Typically Non-Preferred Brand **\$50**
- Tier 4 – Typically Specialty (brand and generic)
 - Generic drugs **\$5**
 - Brand drugs **20%**
of the *prescription drug maximum allowed amount* to a maximum co-payment of **\$100**

Please note that presentation of a prescription to a pharmacy or pharmacist does not constitute a claim for benefit coverage. If you present a *prescription* to a *participating pharmacy*, and the *participating pharmacy* indicates your *prescription* cannot be filled, your deductible, if any, needs to be satisfied, or requires an additional Co-Payment, this is not considered an adverse claim decision. If you want the *prescription* filled, you will have to pay either the full cost, or the additional Co-Payment, for the *prescription drug*. If you believe you are entitled to some *plan* benefits in connection with the *prescription drug*, submit a claim for reimbursement to the *pharmacy benefits manager*.

Non-Participating Pharmacies

- Tier 1 – Typically Generic **\$5 plus 50%**
of the *prescription drug maximum allowed amount*
to a maximum co-payment of **\$250**
- Tier 2 – Typically Preferred Brand **\$20 plus 50%**
of the *prescription drug maximum allowed amount*

to a maximum co-payment of **\$250**

- Tier 3 – Typically Non-Preferred Brand **\$50 plus 50%**
of the *prescription drug*
maximum allowed amount
to a maximum co-payment of **\$250**
- Tier 4 – Typically Specialty (brand and generic) **Not Covered**

Home Delivery Prescriptions: The following co-payments apply for a 90-day supply of medication.

- Tier 1 – Typically Generic **\$10**
- Tier 2 – Typically Preferred Brand **\$40**
- Tier 3 – Typically Non-Preferred Brand **\$100**
- Tier 4 – Typically Specialty (brand and generic)
 - Generic drugs **\$5**
 - Brand drugs **20%**
of the *prescription drug maximum allowed amount* to a maximum co-payment of **\$100**

Exception(s) to Prescription Drug Co-payments

- “Preventive Prescription Drugs and Other Items” covered under YOUR PRESCRIPTION DRUG BENEFITS **No charge**

Prescription Drug Out-of-Pocket Amount

After you pay **\$5,350** per *member* or **\$10,200** per *family* in *co-payments* for your *drugs* provided by a *participating pharmacy* or through the home delivery program in one *year*, you will have reached the Prescription Drug Out-of-Pocket Amount and you will not need to pay any more *co-payments* for *prescription drugs* the rest of the year. There is no Out-of-Pocket Amount for *non-participating pharmacies*.

After the *claims administrator* determines that you have reached the Prescription Drug Out-of-Pocket Amount for *participating pharmacies*, they will let the *participating pharmacies* know that you do not need to pay *co-payments* for the rest of the calendar year for your *drugs*.

***Important Note About *Prescription Drug Covered Expense* and Your Co-Payment.**

- The *prescription preferred drug* is a list of outpatient *prescription drugs* which may be particularly cost-effective, therapeutic choices. Your co-payment amount for *non-preferred brand drugs* is higher than for *preferred brand drugs*. Any *participating pharmacy* can assist you in purchasing a *preferred brand drug*. You may also get information about covered preferred brand drugs by calling the number on the back of your ID Card or going to the internet website www.anthem.com/ca.
- What is allowed for *prescription drug covered expense* for *non-participating pharmacies* is usually significantly lower than what those providers customarily charge, so you will almost always have a higher out-of-pocket expense for your drugs when you use a *non-participating pharmacy* to fill your prescription.

YOU WILL BE REQUIRED TO PAY YOUR CO-PAYMENT AMOUNT TO THE PARTICIPATING PHARMACY AT THE TIME YOUR PRESCRIPTION IS FILLED.

Note: If your pharmacy's retail price for a *drug* is less than the co-payment shown above, you will not be required to pay more than that retail price.

Preferred Generic Program

Prescription drugs will always be dispensed by a *pharmacist* as prescribed by your *physician*. Your *physician* may order a *drug* in a higher or lower *drug co-payment* tier for you. You may request your *physician* to prescribe a *drug* in a higher *drug co-payment* tier instead of a *drug* in a lower *co-payment* tier or you may request the *pharmacist* to give you a *drug* in a higher co-payment tier instead of a *drug* in a lower co-payment tier. Under this *plan*, if a *drug* is available in a lower *co-payment drug* tier, and it is not determined that a *drug* in a higher *co-payment drug* tier is *medically necessary* for you to have (see PRESCRIPTION DRUG FORMULARY: PRIOR AUTHORIZATION below), you will have to pay the *co-payment* for the lower tier *drug* plus the difference in cost between the *prescription drug maximum allowed amount* for the lower *co-payment drug* tier and the higher *co-payment drug* tier, but, not more than 50% of the average cost for the tier that the *drug* is in. If your *physician* specifies "dispense as written," in lieu of paying the co-payment for the lower tier *drug* plus the difference, as previously stated, you will pay just the applicable co-payment shown for the higher tier *drug* you get. For certain higher cost *generic drugs*, the *plan* may make an exception and not require you to pay the difference in cost between the *generic drug* and *brand name drug*.

Therapeutic Equivalents

Therapeutic equivalents is an optional program that tells you and your *physicians* about alternatives to certain *prescription drugs*. The *claims administrator* may contact you and your *physician* to make you aware of these choices. Only you and your *physician* can determine if the therapeutic equivalent is right for you. For questions or issues about therapeutic *drug* equivalents, please call the toll-free number on your ID card.

RX Maintenance 90 for Maintenance Drugs

If you are taking a *maintenance drug*, you may get the first 30-day supply and one 30-day refill of the same *maintenance drug* at your local *drugstore*. You must then use the home delivery program or designated maintenance drugstore (Walmart, Costco, Sam's Club, Albertsons, Vons, Pavilions, Safeway, or Ralphs) to get the *member drugstore* level of benefits. If you do not use the home delivery program or a designated maintenance drugstore for maintenance medications, your maintenance medication will not be covered by the plan.

A *maintenance drug* is a *drug* you take on a regular basis to treat or control a chronic illness such as heart disease, high blood pressure, epilepsy, or diabetes. If you are not sure the *prescription drug* you are taking is a *maintenance drug* or need to determine if your *pharmacy* is a *maintenance drugstore*, please call Pharmacy Member Services at the number on the back of your Identification Card or check our website at www.anthem.com for more details.

YOUR MEDICAL BENEFITS

MAXIMUM ALLOWED AMOUNT

General

This section describes the term “*maximum allowed amount*” as used in this *benefit booklet*, and what the term means to you when obtaining covered services under this plan. The *maximum allowed amount* is the total reimbursement payable under your plan for covered services you receive from *participating* and *non-participating providers*. It is the *plan's* payment towards the services billed by your provider combined with any Deductible or Co-Payment owed by you. In some cases, you may be required to pay the entire *maximum allowed amount*. For instance, if you have not met your Deductible under this plan, then you could be responsible for paying the entire *maximum allowed amount* for covered services. Except for *surprise billing claims*, when you receive services from a *non-participating provider*, you may be responsible for paying any difference between the *maximum allowed amount* and the provider's actual charges. In many situations, this difference could be significant.

**Surprise billing claims are described in the “Consolidated Appropriations Act of 2021 Notice” at the front of this booklet. Please refer to that section for further details.*

Below are two examples which illustrate how the *maximum allowed amount* works. These examples are for illustration purposes only.

Example: The plan has a *member* Co-Payment of 30% for *participating provider* services after the Deductible has been met.

- The *member* receives services from a *participating* surgeon. The charge is \$2,000. The *maximum allowed amount* under the plan for the surgery is \$1,000. The *member's* Co-Payment responsibility when a *participating* surgeon is used is 30% of \$1,000, or \$300. This is what the *member* pays. The plan pays 70% of \$1,000, or \$700. The *participating* surgeon accepts the total of \$1,000 as reimbursement for the surgery regardless of the charges.

Example: The plan has a *member* Co-Payment of 50% for *non-participating provider* services after the Deductible has been met.

- The *member* receives services from a *non-participating* surgeon. The charge is \$2,000. The *maximum allowed amount* under the plan for the surgery is \$1,000. The *member's* Co-Payment responsibility when a *non-participating* surgeon is used is 50% of \$1,000, or \$500. The plan pays the remaining 50% of \$1,000, or \$500. In addition, the *non-participating* surgeon could bill the *member* the difference between

\$2,000 and \$1,000. So the *member's* total out-of-pocket charge would be \$500 plus an additional \$1,000, for a total of \$1,500.

When you receive covered services, the *claims administrator* will, to the extent applicable, apply claim processing rules to the claim submitted. The *claims administrator* uses these rules to evaluate the claim information and determine the accuracy and appropriateness of the procedure and diagnosis codes included in the submitted claim. Applying these rules may affect the *maximum allowed amount* if the *claims administrator* determines that the procedure and/or diagnosis codes used were inconsistent with procedure coding rules and/or reimbursement policies. For example, if your provider submits a claim using several procedure codes when there is a single procedure code that includes all of the procedures that were performed, the *maximum allowed amount* will be based on the single procedure code.

Provider Network Status

The *maximum allowed amount* may vary depending upon whether the provider is a *participating provider*, a *non-participating provider* or *other health care provider*.

Participating Providers. For covered services performed by a *participating provider*, the *maximum allowed amount* for this *plan* will be the rate the *participating provider* has agreed with the *claims administrator* to accept as reimbursement for the covered services. Because *participating providers* have agreed to accept the *maximum allowed amount* as payment in full for those covered services, they should not send you a bill or collect for amounts above the *maximum allowed amount*. However, you may receive a bill or be asked to pay all or a portion of the *maximum allowed amount* to the extent you have not met your Deductible or have a Co-Payment. Please call the Member Services telephone number on your ID card for help in finding a *participating provider* or visit www.anthem.com/ca.

If you go to a *hospital* which is a *participating provider*, you should not assume all providers in that *hospital* are also *participating providers*. To receive the greater benefits afforded when covered services are provided by a *participating provider*, you should request that all your provider services (such as services by an anesthesiologist) be performed by *participating providers* whenever you enter a *hospital*.

If you are planning to have outpatient surgery, you should first find out if the facility where the surgery is to be performed is an *ambulatory surgical center*. An *ambulatory surgical center* is licensed as a separate facility even though it may be located on the same grounds as a *hospital* (although this is not always the case). If the center is licensed separately, you should find out if the facility is a *participating provider* before undergoing the surgery.

Note: If an *other health care provider* is participating in a Blue Cross and/or Blue Shield Plan at the time you receive services, such provider will be considered a *participating provider* for the purposes of determining the *maximum allowed amount*.

If a provider defined in this *benefit booklet* as a *participating provider* is of a type not represented in the local Blue Cross and/or Blue Shield Plan at the time you receive services, such provider will be considered a *non-participating provider* for the purposes of determining the *maximum allowed amount*.

Non-Participating Providers and Other Health Care Providers.

Providers who are not in the Prudent Buyer network are *non-participating providers* or *other health care providers*, subject to Blue Cross Blue Shield Association rules governing claims filed by certain ancillary providers. Except for *surprise billing claims* for covered services you receive from a *non-participating provider* or *other health care provider* the *maximum allowed amount* will be based on the applicable *non-participating provider* rate or fee schedule for this plan, an amount negotiated by the *claims administrator* or a third party vendor which has been agreed to by the *non-participating provider*, an amount derived from the total charges billed by the *non-participating provider*, an amount based on information provided by a third party vendor, or an amount based on reimbursement or cost information from the Centers for Medicare and Medicaid Services ("CMS"). When basing the *maximum allowed amount* upon the level or method of reimbursement used by CMS, the *claims administrator* will update such information, which is adjusted or unadjusted for geographic locality, no less than annually.

Providers who are not contracted for this product, but are contracted for other products, are also considered *non-participating providers*. For this plan, the *maximum allowed amount* for services from these providers will be one of the methods shown above unless the provider's contract specifies a different amount or if your claim involves a *surprise billing claim*.

For covered services rendered outside the Anthem service area by *non-participating providers*, claims may be priced using the local Blue Cross Blue Shield plan's *non-participating provider* fee schedule / rate or the pricing arrangements required by applicable state or federal law. In certain situations, the *maximum allowed amount* for out of area claims may be based on billed charges, the pricing used if the healthcare services had been obtained within the Anthem service area, or a special negotiated price.

Unlike *participating providers*, *non-participating providers* and *other health care providers* may send you a bill and collect for the amount of the *non-participating provider's* or *other health care provider's* charge that exceeds the *maximum allowed amount* under this plan. Except for *surprise billing*

claims, you may be responsible for paying the difference between the *maximum allowed amount* and the amount the *non-participating provider* or *other health care provider* charges. This amount can be significant. Choosing a *participating provider* will likely result in lower out of pocket costs to you. Please call the Member Services number on your ID card for help in finding a *participating provider* or visit the *claims administrator's* website at www.anthem.com/ca. Member Services is also available to assist you in determining this *plan's maximum allowed amount* for a particular covered service from a *non-participating provider* or *other health care provider*.

Please see the "Inter-Plan Arrangements" provision in the section entitled GENERAL PROVISIONS for additional information.

***Exceptions:**

– **Emergency Services Provided by Non-Participating Providers**

For *emergency services* provided by *non-participating providers* or at *non-contracting hospitals*, reimbursement is based on the billed charges rather than the *reasonable and customary value* for *emergency services* rendered.

– **Clinical Trials.** The *maximum allowed amount* for services and supplies provided in connection with Clinical Trials will be the lesser of the billed charge or the amount that ordinarily applies when services are provided by a *participating provider*.

– **If Medicare is the primary payor, the *maximum allowed amount* does not include any charge:**

1. By a *hospital*, in excess of the approved amount as determined by Medicare; or
2. By a *physician* who is a *participating provider* who accepts Medicare assignment, in excess of the approved amount as determined by Medicare; or
3. By a *physician* who is a *non-participating provider* or *other health care provider* who accepts Medicare assignment, in excess of the lesser of *maximum allowed amount* stated above, or the approved amount as determined by Medicare; or
4. By a *physician* or *other health care provider* who does not accept Medicare assignment, in excess of the lesser of the *maximum allowed amount* stated above, or the limiting charge as determined by Medicare.

You will always be responsible for expense incurred which is not covered under this *plan*.

Member Cost Share

For certain covered services, and depending on your plan design, you may be required to pay all or a part of the *maximum allowed amount* as your cost share amount (Deductibles or Co-Payments). Your cost share amount and the Out-Of-Pocket Amounts may be different depending on whether you received covered services from a *participating provider* or *non-participating provider*. Specifically, you may be required to pay higher cost-sharing amounts or may have limits on your benefits when using *non-participating providers*. Please see the SUMMARY OF BENEFITS section for your cost share responsibilities and limitations, or call the Member Services telephone number on your ID card to learn how this *plan's* benefits or cost share amount may vary by the type of provider you use.

The *claims administrator* will not provide any reimbursement for non-covered services. You may be responsible for the total amount billed by your provider for non-covered services, regardless of whether such services are performed by a *participating provider* or *non-participating provider*. Non-covered services include services specifically excluded from coverage by the terms of your plan and services received after benefits have been exhausted. Benefits may be exhausted by exceeding, for example, Medical Benefit Maximums or day/visit limits.

In some instances you may only be asked to pay the lower *participating provider* cost share percentage when you use a *non-participating provider*. For example, if you go to a *participating* hospital or facility and receive covered services from a *non-participating provider* such as a radiologist, anesthesiologist or pathologist providing services at the hospital or facility, you will pay the *participating provider* cost share percentage of the *maximum allowed amount* for those covered services. However, you also may be liable for the difference between the *maximum allowed amount* and the *non-participating provider's* charge.

Authorized Referrals

In some circumstances the *claims administrator* may authorize *participating provider* cost share amounts (Deductibles or Co-Payments) to apply to a claim for a covered service you receive from a *non-participating provider*. In such circumstance, you or your *physician* must contact the *claims administrator* in advance of obtaining the covered service. It is your responsibility to ensure that the *claims administrator* has been contacted. If the *claims administrator* authorizes a *participating provider* cost share amount to apply to a covered service received from a *non-participating provider*, you also may still be liable for the difference between the *maximum allowed amount* and the *non-participating provider's* charge. Please call the Member Services telephone number on your ID card for *authorized referral* information or to request authorization.

DEDUCTIBLES, CO-PAYMENTS, OUT-OF-POCKET AMOUNTS AND MEDICAL BENEFIT MAXIMUMS

After any applicable deductible and your Co-Payment is subtracted, the *plan* will pay benefits up to the *maximum allowed amount*, not to exceed any applicable Medical Benefit Maximum. The Deductible amounts, Co-Payments, Out-Of-Pocket Amounts and Medical Benefit Maximums are set forth in the SUMMARY OF BENEFITS.

DEDUCTIBLES

Only the covered charges that make up the *maximum allowed amount* will apply toward the satisfaction of any deductible except as specifically indicated in this booklet.

Calendar Year Deductibles. Each *year*, you will be responsible for satisfying the *member's* Calendar Year Deductible before benefits are paid. If *members* of an enrolled family pay deductible expense in a *year* equal to the Family Deductible, the Calendar Year Deductible for all family members will be considered to have been met.

Prior Plan Calendar Year Deductibles. If you were covered under the *prior plan* any amount paid during the same *calendar year* toward your Calendar Year Deductible under the *prior plan*, will be applied toward your Calendar Year Deductible under this *plan*; provided that, such payments were for charges that would be covered under this *plan*.

Emergency Room Deductible. Each time you visit an emergency room for treatment you will be responsible for paying the Emergency Room Deductible. But this deductible will not apply if you are admitted as a *hospital* inpatient from the emergency room immediately following emergency room treatment.

Note: You will no longer be responsible for paying any Emergency Room Deductible for the remainder of the *year* once your Out-of-Pocket Amount is reached (see the SUMMARY OF BENEFITS section for details).

CO-PAYMENTS

After you have satisfied any applicable deductible, your Co-Payment will be subtracted from the *maximum allowed amount* remaining.

If your Co-Payment is a percentage, the applicable percentage to the *maximum allowed amount* remaining after any deductible has been met will be applied. This will determine the dollar amount of your Co-Payment.

MEDICAL OUT-OF-POCKET AMOUNTS

Satisfaction of the Out-Of-Pocket Amount. If you pay Deductible and Co-Payments equal to your Out-of-Pocket Amount per *member* during a *calendar year*, you will no longer be required to make Co-Payments for any additional covered services or supplies during the remainder of that *year*, except as specifically stated below under Charges Which Do Not Apply Toward the Out-of-Pocket Amount. The Deductible is included in the Out-of-Pocket Amount.

Participating Providers, and Other Health Care Providers. Only covered charges up to the *maximum allowed amount* for the services of a *participating provider*, *other health care provider* will be applied to the *participating provider* and *other health care provider* Out-of-Pocket Amount.

After this Out-of-Pocket Amount per *member* has been satisfied during a *calendar year*, you will no longer be required to make any Co-Payment for the covered services provided by a *participating provider* or *other health care provider* for the remainder of that *year*.

Non-Participating Providers. Only covered charges up to the *maximum allowed amount* for the services of a *non-participating provider* will be applied to the *non-participating provider* Out-of-Pocket Amount. After this Out-of-Pocket Amount per *member* has been satisfied during a *calendar year*, you will no longer be required to make any Co-Payment for the covered services provided by a *non-participating provider* for the remainder of that *year*.

Charges Which Do Not Apply Toward the Out-Of-Pocket Amount. The following charges will not be applied toward satisfaction of an Out-Of-Pocket Amount:

- Charges for services or supplies not covered under this *plan*; and
- Charges which exceed the *maximum allowed amount*.

MEDICAL BENEFIT MAXIMUMS

The *plan* does not make benefit payments for any *member* in excess of any of the Medical Benefit Maximums.

Prior Plan Maximum Benefits. If you were covered under the *prior plan*, any benefits paid to you under the *prior plan* will reduce any maximum amounts you are eligible for under this *plan* which apply to the same benefit.

CREDITING PRIOR PLAN COVERAGE

If you were covered by the *plan administrator's prior plan* immediately before the *plan administrator* signs up with the *claims administrator*, with no lapse in coverage, then you will get credit for any accrued Calendar Year Deductible and, if applicable and approved by the *claims administrator*, Out of Pocket Amounts under the *prior plan*. This does not apply to individuals who were not covered by the *prior plan* on the day before the *plan administrator's* coverage with the *claims administrator* began, or who join the *plan administrator* later.

If the *plan administrator* moves from one of the *claims administrator's* plans to another, (for example, changes its coverage from HMO to PPO), and you were covered by the other product immediately before enrolling in this product with no break in coverage, then you may get credit for any accrued Calendar Year Deductible and Out of Pocket Amounts, if applicable and approved by the *claims administrator*. Any maximums, when applicable, will be carried over and charged against the Medical Benefit Maximums under this *plan*.

If the *plan administrator* offers more than one of the *claims administrator's* products, and you change from one product to another with no break in coverage, you will get credit for any accrued Calendar Year Deductible and, if applicable, Out of Pocket Amounts and any maximums will be carried over and charged against Medical Benefit Maximums under this *plan*.

If the *plan administrator* offers coverage through other products or carriers in addition to the *claims administrator's*, and you change products or carriers to enroll in this product with no break in coverage, you will get credit for any accrued Calendar Year Deductible, Out of Pocket Amount, and any Medical Benefit Maximums under this *plan*.

This Section Does Not Apply To You If:

- The *plan administrator* moves to this *plan* at the beginning of a *calendar year*;
- You change from one of the *claims administrator's* individual policies to the *plan administrator's* plan;
- You change employers; or
- You are a new *member* of the *plan administrator* who joins after the *plan administrator's* initial enrollment with the *claims administrator*.

CONDITIONS OF COVERAGE

The following conditions of coverage must be met for expense incurred for services or supplies to be covered under this plan.

1. You must incur this expense while you are covered under this *plan*. Expense is incurred on the date you receive the service or supply for which the charge is made.
2. The expense must be for a medical service or supply furnished to you as a result of illness or injury or pregnancy, unless a specific exception is made.
3. The expense must be for a medical service or supply included in MEDICAL CARE THAT IS COVERED. Additional limits on covered charges are included under specific benefits and in the SUMMARY OF BENEFITS.
4. The expense must not be for a medical service or supply listed in MEDICAL CARE THAT IS NOT COVERED. If the service or supply is partially excluded, then only that portion which is not excluded will be covered under this plan.
5. The expense must not exceed any of the maximum benefits or limitations of this *plan*.
6. Any services received must be those which are regularly provided and billed by the provider. In addition, those services must be consistent with the illness, injury, degree of disability and your medical needs. Benefits are provided only for the number of days required to treat your illness or injury.
7. All services and supplies must be ordered by a *physician*, including referrals to *alternative birth centers*.

MEDICAL CARE THAT IS COVERED

Subject to the Medical Benefit Maximums in the SUMMARY OF BENEFITS, the requirements set forth under CONDITIONS OF COVERAGE and the exclusions or limitations listed under MEDICAL CARE THAT IS NOT COVERED, the *plan* will provide benefits for the following services and supplies:

Urgent Care. Services and supplies provided by an urgent care center.

Hospital

1. Inpatient services and supplies, provided by a *hospital*. The *maximum allowed amount* will not include charges in excess of the *hospital's* prevailing two-bed room rate unless there is a negotiated per diem rate between the *claims administrator* and the *hospital*, or unless your *physician* orders, and the *claims administrator* authorizes, a private room as *medically necessary*. For inpatient services and supplies provided by a *non-participating provider* facility, the *plan's* maximum payment is limited to **\$600** per day.*
2. Services in *special care units*.
3. Outpatient services and supplies provided by a *hospital*, including outpatient surgery. Also included are: (a) routine radiology and laboratory exams received within seven days prior to a covered *hospital stay* or scheduled outpatient surgery; (b) *emergency* room service for the first treatment of a medical *emergency* or treatment of an accidental injury within 72 hours of the accident; and (c) urgent care services for the first treatment of a medical *emergency* or treatment of an *accidental injury* within 72 hours of the accident. For outpatient surgery provided by a *non-participating* facility, the *plan's* maximum payment is limited to **\$350** per day admission.*

*The *non-participating provider* facility maximums do not apply to *emergency services*.

Rape or Sexual Assault Services. We provide coverage for emergency room medical care and follow-up healthcare treatment for a Member who is treated following a rape or sexual assault without cost sharing for the first nine months after the Member initiates treatment. Follow-up health care treatment includes medical or surgical services for the diagnosis, prevention or treatment of medical conditions arising from an instance of rape or sexual assault. We will only cover follow-up healthcare treatment by a Non-Participating Provider in the case of Emergency Medical Condition and/or if no Participating Provider is available to ensure timely access.

Skilled Nursing Facility. Inpatient services and supplies provided by a *skilled nursing facility*, for up to 100 days per *calendar year*. The amount by which your room charge exceeds the prevailing two-bed room rate of the *skilled nursing facility* is not considered covered under this plan.

If covered charges are applied toward the Calendar Year Deductible and payment is not provided, those days will be included in the 100 days for that *year*.

Home Health Care. Benefits are available for covered home health care services, including intermittent skilled nursing services performed by a *home health agency* or other provider in your home. The following are services provided by a *home health agency*:

1. Services of a registered nurse or licensed vocational nurse under the supervision of a registered nurse or a *physician*.
2. Services of a licensed therapist for physical therapy, occupational therapy, speech therapy, or respiratory therapy.
3. Services of a medical social service worker.
4. Services of a health aide who is employed by (or who contracts with) a *home health agency*. Services must be ordered and supervised by a registered nurse employed by the *home health agency* as professional coordinator. These services are covered only if you are also receiving the services listed in 1 or 2 above. Other organizations may give services only when approved by the *claims administrator*, and their duties must be assigned and supervised by a professional nurse on the staff of the *home health agency* or other provider as approved by the *claims administrator*.
5. *Medically necessary* supplies provided by the *home health agency*.

Benefits are also available for *intensive in-home behavioral health services*. These do not require confinement to the home. These services are described in the MENTAL HEALTH OR SUBSTANCE USE DISORDER section below.

In no event will benefits exceed 100 visits during any 12-month period. A visit of four hours or less by a home health aide shall be considered as one home health visit. The limit includes therapy services (e.g., physical, speech, occupational, cardiac and pulmonary rehabilitation) given as part of the home health care benefit. If therapy services are provided for a *mental health or substance use disorder* condition (based on the primary diagnosis on the claim form), benefits will be paid under the *mental health or substance use disorder* benefits and the *home health care* limit will not apply.

If covered charges are applied toward the Calendar Year Deductible and payment is not provided, those visits will be included in the 100 visits for that *year*.

Home health care services are subject to pre-service review to determine medical necessity. Please refer to UTILIZATION REVIEW PROGRAM for information on how to obtain the proper reviews.

Home health care services are not covered if received while you are receiving benefits under the "Hospice Care" provision of this section.

Hospice Care. You are eligible for *hospice* care if your *physician* and the *hospice* medical director certify that you are terminally ill and likely have less than twelve (12) months to live. You may access *hospice* care while participating in a clinical trial or continuing disease modifying therapy, as ordered by your treating *physician*. Disease modifying therapy treats the underlying terminal illness.

The services and supplies listed below are covered when provided by a *hospice* for the palliative treatment of pain and other symptoms associated with a terminal disease. Palliative care is care that controls pain and relieves symptoms but is not intended to cure the illness. Covered services include:

1. Interdisciplinary team care with the development and maintenance of an appropriate plan of care.
2. Short-term inpatient *hospital* care when required in periods of crisis or as respite care.
3. Skilled nursing services provided by or under the supervision of a registered nurse. Certified home health aide services and homemaker services provided under the supervision of a registered nurse.
4. Social services and counseling services provided by a qualified social worker.
5. Dietary and nutritional guidance. Nutritional support such as intravenous feeding or hyperalimentation.
6. Physical therapy, occupational therapy, speech therapy, and respiratory therapy provided by a licensed therapist.
7. Volunteer services provided by trained *hospice* volunteers under the direction of a *hospice* staff member.
8. Pharmaceuticals, medical equipment, and supplies necessary for the management of your condition. Oxygen and related respiratory therapy supplies.
9. Bereavement (grief) services, including a review of the needs of the

bereaved family and the development of a care plan to meet those needs, both before and after the *member's* death. Bereavement services are available to the patient and those individuals who are closely linked to the patient, including the immediate family, the primary or designated care giver and individuals with significant personal ties, for one year after the *member's* death.

10. Palliative care (care which controls pain and relieves symptoms, but does not cure) which is appropriate for the illness.

Your *physician* must consent to your care by the *hospice* and must be consulted in the development of your treatment plan. The *hospice* must submit a written treatment plan to the *claims administrator* every 30 days.

Benefits for services beyond those listed above that are given for disease modification or palliation, such as but not limited to chemotherapy and radiation therapy, are available to a *member* in *hospice*. These services are covered under other parts of this *plan*.

Hospice care is subject to pre-service review to determine medical necessity. Please refer to UTILIZATION REVIEW PROGRAM for information on how to obtain the proper reviews.

This *plan's hospice* benefit will meet or exceed Medicare's *hospice* benefit. If you use a *non-participating provider*, that provider may also bill you for any charges over Medicare's *hospice* benefit.

Ambulatory Surgical Center. Services and supplies provided by an *ambulatory surgical center* in connection with outpatient surgery.

For the services of a *non-participating provider* facility only, the *plan's* maximum payment is limited to **\$350** each time you have outpatient surgery at an *ambulatory surgical center*.

Reconstructive Surgery - Inpatient. Reconstructive surgery performed to correct deformities caused by congenital or developmental abnormalities, illness, or injury for the purpose of improving bodily function or symptomatology or creating a normal appearance. This includes *medically necessary* dental or orthodontic services that are an integral part of reconstructive surgery for cleft palate procedures. "Cleft palate" means a condition that may include cleft palate, cleft lip, or other craniofacial anomalies associated with cleft palate.

Cleft Palate - Inpatient. *Medically necessary* dental or orthodontic services that are an integral part of reconstructive surgery for cleft palate procedures. "Cleft palate" means a condition that may include cleft palate, cleft lip, or other craniofacial anomalies associated with cleft palate.

Dental Care - Inpatient

1. **Admissions for Dental Care.** Listed inpatient *hospital* services for up to three days during a *hospital stay*, when such *stay* is required for dental treatment and has been ordered by a *physician* (M.D.) and a dentist (D.D.S. or D.M.D.). The *claims administrator* will make the final determination as to whether the dental treatment could have been safely rendered in another setting due to the nature of the procedure or your medical condition. *Hospital stays* for the purpose of administering general anesthesia are not considered necessary and are not covered except as specified in #2, below.
2. **General Anesthesia.** General anesthesia and associated facility charges when your clinical status or underlying medical condition requires that dental procedures be rendered in a *hospital* or *ambulatory surgical center*. This applies only if (a) the *member* is less than seven years old, (b) the *member* is developmentally disabled, or (c) the *member's* health is compromised and general anesthesia is *medically necessary*. Charges for the dental procedure itself, including professional fees of a dentist, may not be covered.

Important: If you decide to receive dental services that are not covered under this *plan*, a *participating provider* who is a dentist may charge you his or her usual and customary rate for those services. Prior to providing you with dental services that are not a covered benefit, the dentist should provide a treatment plan that includes each anticipated service to be provided and the estimated cost of each service. If you would like more information about the dental services that are covered under this *plan*, please call the Member Services telephone number listed on your ID card. To fully understand your coverage under this *plan*, please carefully review this *benefit booklet* document.

Pregnancy and Maternity Care

1. All medical benefits for an enrolled *member* when provided for pregnancy or maternity care, including the following services:
 - Prenatal, postnatal and postpartum services, including maternal mental health screening and postpartum screening as required by law;
 - Ambulatory care services (including ultrasounds, fetal non-stress tests, *physician* office visits, and other *medically necessary* maternity services performed outside of a *hospital*);
 - Involuntary complications of pregnancy;
 - Diagnosis of genetic disorders in cases of high-risk pregnancy; and

- Inpatient *hospital* care including labor and delivery.

Inpatient *hospital* benefits in connection with childbirth will be provided for at least 48 hours following a normal delivery or 96 hours following a cesarean section, unless the mother and her *physician* decide on an earlier discharge. Please see the section entitled FOR YOUR INFORMATION for a statement of your rights under federal law regarding these services.

2. Medical *hospital* benefits for routine nursery care of a newborn *child*, (for additional information, please see the “Important Note for Newborn and Newly-Adopted Children” under HOW COVERAGE BEGINS AND ENDS). Routine nursery care of a newborn child includes screening of a newborn for genetic diseases, congenital conditions, and other health conditions provided through a program established by law or regulation.
3. Certain services are covered under the “Preventive Care Services” benefit. Please see that provision for further details.

Abortion Services. Benefits include all abortion and abortion-related services, including pre-abortion and follow-up services. For outpatient abortion services, precertification is not required. Covered services are not subject to the deductible, copayment, and/or coinsurance.

“Abortion” means a medical treatment intended to induce the termination of a pregnancy except for the purpose of producing a live birth.

Alternative Birth Center

1. Services for pre-natal care.
2. Services for post-partum care.
3. Services of a *physician* and/or certified registered nurse midwife.

Infertility Testing. Services and supplies for testing/diagnosis of infertility. Treatment is not covered under this *plan*.

Infusion Therapy. The following services and supplies, when provided in your home by a *home infusion therapy provider* or in any other outpatient setting by a qualified health care provider, for the intravenous administration of your total daily nutritional intake or fluid requirements, including but not limited to Parenteral Therapy and Total Parenteral Nutrition (TPN), medication related to illness or injury, chemotherapy, antibiotic therapy, aerosol therapy, tocolytic therapy, special therapy, intravenous hydration, or pain management:

1. Medication, ancillary medical supplies and supply delivery, (not to exceed a 14-day supply); but, medication which is delivered but not administered is not covered;
2. Pharmacy compounding and dispensing services (including pharmacy support) for intravenous solutions and medications (if outpatient prescription drug benefits are provided under this *plan*, *compound medications* must be obtained from a *participating pharmacy*);
3. *Hospital* and home clinical visits related to the administration of infusion therapy, including skilled nursing services including those provided for: (a) patient or alternative caregiver training; and (b) visits to monitor the therapy;
4. Rental and purchase charges for durable medical equipment (as shown below); maintenance and repair charges for such equipment;
5. Laboratory services to monitor the patient's response to therapy regimen.
6. Total Parenteral Nutrition (TPN), Enteral Nutrition Therapy, antibiotic therapy, pain management, chemotherapy, and may also include injections (intra-muscular, subcutaneous, or continuous subcutaneous).

Infusion therapy services are subject to pre-service review to determine medical necessity. (See UTILIZATION REVIEW PROGRAM.)

Retail Health Clinic. Services and supplies provided by medical professionals who provide basic medical services in a retail health clinic including, but not limited to:

1. Exams for minor illnesses and injuries.
2. Preventive services and vaccinations.
3. Health condition monitoring and testing.

Virtual Visits (from Virtual Care-Only Providers). Covered services include virtual Telemedicine / Telehealth visits. This includes visits with *physicians* who also provide services in person, as well as virtual care-only *physicians*.

- "Telemedicine / Telehealth" means the delivery of health care or other health services using electronic communications and information technology, including: live (synchronous) secure videoconferencing or secure instant messaging and interactive store and forward (asynchronous) technology, facsimile, audio-only telephone or electronic mail. Covered services are provided to facilitate the diagnosis, consultation and treatment, education, care management

and self-management of a patient's physical and/or mental health. Benefits for Telehealth are provided on the same basis and to the same extent as the same covered services provided through in-person contact. In-person contact between a health care *physician* and the patient is not required for these services, and the type of setting where these services are provided is not limited. Coverage under this section is not limited to services delivered to select third-party corporate telehealth providers.

Please Note: Not all services can be delivered through virtual visits. Certain services require equipment and/or direct physical hands-on care that cannot be provided remotely. Also, please note that not all *physicians* offer virtual visits.

Benefits do not include the use of texting or non-secure instant messaging. Benefits also do not include reporting normal lab or other test results, requesting office visits, getting answers to billing, insurance coverage or payment questions, asking for referrals to *physicians* outside our network, benefit precertification or *physician to physician* discussions.

If you have any questions about this coverage, please contact Member Services at the number on the back of your Identification Card.

Note: You will be financially responsible for the costs associated with non-covered services. **Virtual visits with a *physician* who is a *non-participating provider* are not covered.**

For *mental health or substance use disorder* online care visits, please see the “Benefits for Mental Health and Substance Use Disorder” section for a description of this coverage.

Behavioral Health and Wellness Screening. Screenings for children and adolescents 8 to 18 years of age including for both depression and anxiety.

Professional Services

1. Services of a *physician*.
2. Services of an anesthetist (M.D. or C.R.N.A.).

Reconstructive Surgery - Outpatient. Reconstructive surgery performed to correct deformities caused by congenital or developmental abnormalities, illness, or injury for the purpose of improving bodily function or symptomatology or creating a normal appearance. This includes *medically necessary* dental or orthodontic services that are an integral part of reconstructive surgery for cleft palate procedures. “Cleft palate” means a condition that may include cleft palate, cleft lip, or other craniofacial anomalies associated with cleft palate.

Community Paramedicine Program, Triage to Alternate Destination Program, or Mobile Integrated Health Program. Benefits are also available for services provided by a Community Paramedicine Program, Triage to Alternate Destination Program, or Mobile Integrated Health Program, and if you receive Covered Benefits from a Non-Participating Provider, you will pay no more than the same cost sharing that you would pay for the same Covered Benefits received from a Participating Provider.

Ambulance. Ambulance services are covered when you are transported by a state licensed vehicle that is designed, equipped, and used to transport the sick and injured and is staffed by Emergency Medical Technicians (EMTs), paramedics, or other licensed or certified medical professionals. Ambulance services are covered when one or more of the following criteria are met:

- For ground ambulance, you are transported:
 - From your home, or from the scene of an accident or medical *emergency*, to a *hospital*,
 - Between *hospitals*, including when you are required to move from a *hospital* that does not contract with the *claims administrator* to one that does, or
 - Between a *hospital* and a *skilled nursing facility* or other approved facility.
- For air or water ambulance, you are transported:
 - From the scene of an accident or medical *emergency* to a *hospital*,
 - Between hospitals, including when you are required to move from a hospital that does not contract with the *claims administrator* to one that does, or
 - Between a hospital and another approved facility.

Non-emergency ambulance services are subject to medical necessity reviews. *Emergency* ground ambulance services do not require pre-service review. Pre-service review is required for air ambulance in a non-medical *emergency*. When using a ground or air ambulance in a non-emergency situation, the *claims administrator* reserves the right to select the ground or air ambulance provider. *Non-participating provider* ambulance services are covered in a non-*emergency* when precertification is obtained. You must be taken to the nearest facility that can provide care for your condition. In certain cases, coverage may be approved for transportation to a facility that is not the nearest facility.

Coverage includes *medically necessary* treatment of an illness or injury by medical professionals from an ambulance service, even if you are not

transported to a *hospital*. Ambulance services are not covered when another type of transportation can be used without endangering your health or when provided for the convenience of you, your family members or a physician, unless medically necessary.

Other non-covered ambulance services include, but are not limited to, trips to:

- A *physician's* office or clinic;
- A morgue or funeral home.

If provided through the 911 emergency response system or the 988 suicide and crisis lifeline*, ambulance services are covered if you reasonably believed that a medical *emergency* or behavioral health crisis existed even if you are not transported to a *hospital*.

Important information about air ambulance coverage. Coverage is only provided for air ambulance services when it is not appropriate to use a ground or water ambulance. For example, if using a ground ambulance would endanger your health and your medical condition requires a more rapid transport to a *hospital* than the ground ambulance can provide, this *plan* will cover the air ambulance. Air ambulance will also be covered if you are in a location that a ground or water ambulance cannot reach.

Air ambulance will not be covered if you are taken to a *hospital* that is not an acute care *hospital* (such as a skilled nursing facility or a rehabilitation facility), or if you are taken to a *physician's* office or to your home, unless you are transported to one of these locations for an emergency medical condition.

Hospital to hospital transport: If you are being transported from one *hospital* to another, air ambulance will only be covered if using a ground ambulance would endanger your health and if the *hospital* that first treats you cannot give you the medical services you need. Certain specialized services are not available at all *hospitals*. For example, burn care, cardiac care, trauma care, and critical care are only available at certain *hospitals*. For services to be covered, you must be taken to the closest *hospital* that can treat you. Coverage is not provided for air ambulance transfers because you, your family, or your *physician* prefers a specific *hospital* or *physician*.

* If you have an *emergency* medical condition or behavioral health crisis that requires an emergency response, please call the "911" emergency response system or the 988 suicide and crisis lifeline if you are in an area where the system is established and operating.

Diagnostic Services. Coverage is provided for outpatient diagnostic imaging, laboratory services and genetic tests. Genetic tests are subject

to pre-service review to determine medical necessity. Imaging procedures, including, but not limited to, Magnetic Resonance Imaging (MRI), Computerized Tomography (CT scans), Positron Emission Tomography (PET scan), Magnetic Resonance Spectroscopy (MRS scan), Magnetic Resonance Angiogram (MRA scan), Echocardiography, and nuclear cardiac imaging are subject to pre-service review to determine medical necessity. You may call the toll-free Member Services telephone number on your ID card to find out if an imaging procedure requires pre-service review. See UTILIZATION REVIEW PROGRAM for details.

Diagnostic services, when performed by a *non-participating provider*, will have a maximum benefit of **\$350** per visit.

Advanced imaging procedures, when performed by a *non-participating provider*, will have a maximum benefit of **\$800** per procedure.

Radiation Therapy. This includes treatment of disease using x-ray, radium or radioactive isotopes, other treatment methods (such as teletherapy, brachytherapy, intra operative radiation, photon or high energy particle sources), material and supplies used in the therapy process and treatment planning. These services can be provided in a facility or professional setting.

Chemotherapy. This includes the treatment of disease using chemical or antineoplastic agents and the cost of such agents in a professional or facility setting.

Hemodialysis Treatment. This includes services related to renal failure and chronic (end-stage) renal disease, including hemodialysis, home intermittent peritoneal dialysis home continuous cycling peritoneal dialysis and home continuous ambulatory peritoneal dialysis.

The following renal dialysis services are covered:

- Outpatient maintenance dialysis treatments in an outpatient dialysis facility;
- Home dialysis; and
- Training for self-dialysis at home including the instructions for a person who will assist with self-dialysis done at a home setting.

Treatment provided by a freestanding outpatient hemodialysis center which is a *non-participating provider* is limited to **\$350** per visit.

Cellular and Gene Therapy Services. Your *plan* includes benefits for cellular and gene therapy services, when Anthem approves the benefits in advance through precertification. Please see the section “Human Organ and Tissue Transplant (Bone Marrow / Stem Cell), Cellular and Gene Therapy Services” for additional details

Services Not Eligible for Coverage

Your *plan* does not include benefits for the following:

- i. Services determined to be Experimental / Investigational;
- ii. Services provided by a non-approved provider or at a non-approved facility; or
- iii. Services not approved in advance through precertification.

Prosthetic Devices

1. Breast prostheses and surgical bras following a mastectomy.
2. *Prosthetic devices* to restore a method of speaking when required as a result of a covered *medically necessary* laryngectomy.
3. The *plan* will pay for other *medically necessary prosthetic devices*, including:

- a. Surgical implants;
- b. Artificial limbs or eyes;
- c. The first pair of contact lenses or eye glasses when required as a result of a covered *medically necessary* eye surgery;

For dependent children under the age of 19 who undergo a *medically necessary* eye surgery, we pay for one pair of contact lenses or eye glasses every *calendar year*.

- d. Therapeutic shoes and inserts for the prevention and treatment of diabetes-related foot complications; and
- e. Benefits are available for certain types of orthotics, limited to: (1) foot orthotics, orthopedic shoes, footwear or support items used for a systemic illness affecting the lower limbs, such as diabetes, (2) braces, (3) boots and (4) splints. Covered services include the initial purchase, fitting, and repair of a custom made rigid or semi-rigid supportive device used to support, align, prevent, or correct deformities or to improve the function of movable parts of the body, or which limits or stops motion of a weak or diseased body part.

The plan's reimbursement for orthotics, prosthetics and devices and supplies will be based on the maximum allowed amount for a standard item that is a covered service, serves the same purpose, and is medically necessary to meet your needs. If you choose to purchase an item with features that exceed what is medically necessary, benefits will be limited to the maximum allowed amount for the standard item, and you will be required to pay any costs that exceed the maximum allowed amount. Please check with your physician or contact us if you have questions about the maximum allowed amount.

Durable Medical Equipment. Rental or purchase of dialysis equipment; dialysis supplies. Rental or purchase of other medical equipment and supplies which are:

1. Of no further use when medical needs end;
2. For the exclusive use of the patient;
3. Not primarily for comfort or hygiene;
4. Not for environmental control or for exercise; and
5. Manufactured specifically for medical use.

The *claims administrator* will determine whether the item satisfies the conditions above. Rental charges that exceed the reasonable purchase price of the equipment are not covered.

The plan's reimbursement for durable medical equipment and devices and supplies will be based on the maximum allowed amount for a standard item that is a covered service, serves the same purpose, and is medically necessary to meet your needs. If you choose to purchase an item with features that exceed what is medically necessary, benefits will be limited to the maximum allowed amount for the standard item, and you will be required to pay any costs that exceed the maximum allowed amount. Please check with your physician or contact us if you have questions about the maximum allowed amount.

Pediatric Asthma Equipment and Supplies. The following items and services when required for the *medically necessary* treatment of asthma in a dependent *child*:

1. Nebulizers, including face masks and tubing. These items are covered under the *plan's* medical benefits and are not subject to any limitations or maximums that apply to coverage for durable medical equipment (see "Durable Medical Equipment").

2. Inhaler spacers and peak flow meters. These items are covered under your *prescription drug* benefits and are subject to the co-payment for *brand name drugs* (see YOUR PRESCRIPTION DRUG BENEFITS).
3. Education for asthma, including education to enable the *child* to properly use the items listed above. This education will be covered under the *plan's* benefits for office visits to a *physician*.

Hearing Aid Services. The following hearing aid services are covered when provided by or purchased as a result of a written recommendation from an otolaryngologist or a state-certified audiologist.

1. Audiological evaluations to measure the extent of hearing loss and determine the most appropriate make and model of hearing aid. These evaluations will be covered under *plan* benefits for office visits to *physicians*.
2. Hearing aids (monaural or binaural) including ear mold(s), bone-anchored hearing aids, the hearing aid instrument, batteries, cords and other ancillary equipment.
3. Visits for fitting, counseling, adjustments and repairs for a one year period after receiving the covered hearing aid.
4. Bone-anchored hearing aids including FDA-approved over-the-counter hearing aids when *members* have been certified as deaf or hearing impaired by a *physician* or licensed audiologist.

Benefits are provided for one hearing aid per ear every three years.

Benefits will not be provided for charges for a hearing aid which exceeds the specifications prescribed for the correction of hearing loss, or for more than the benefit maximums in the "Medical Benefit Maximums" section.

Donor Human Milk. Benefits are available for Medically Necessary pasteurized donor human milk obtained from a tissue bank licensed by the State Department of Public Health.

Blood. Your plan also includes coverage for the administration of blood products.

Cleft Palate - Outpatient. *Medically necessary* dental or orthodontic services that are an integral part of reconstructive surgery for cleft palate procedures. "Cleft palate" means a condition that may include cleft palate, cleft lip, or other craniofacial anomalies associated with cleft palate.

Wigs Needed After Cancer Treatment. Your Plan also includes coverage for wigs needed after cancer treatment.

Our maximum benefit for wigs needed after cancer treatment will not exceed 1 wig per Calendar Year.

Dental Injury. Services of a *physician* (M.D.) or dentist (D.D.S. or D.M.D.) solely to treat an *accidental injury* to natural teeth. Coverage shall be limited to only such services that are *medically necessary* to repair the damage done by *accidental injury* and/or restore function lost as a direct result of the *accidental injury*. Damage to natural teeth due to chewing or biting is not *accidental injury* unless the chewing or biting results from a medical or mental condition.

Important: If you decide to receive dental services that are not covered under this *plan*, a *participating provider* who is a dentist may charge you his or her usual and customary rate for those services. Prior to providing you with dental services that are not a covered benefit, the dentist should provide a treatment plan that includes each anticipated service to be provided and the estimated cost of each service. If you would like more information about the dental services that are covered under this *plan*, please call the customer service telephone number listed on your ID card. To fully understand your coverage under this *plan*, please carefully review this *benefit booklet* document.

Human Organ and Tissue Transplant (Bone Marrow / Stem Cell), Cellular and Gene Therapy Services.

Your *plan* includes coverage for *medically necessary* human organ and tissue transplants as well as certain cellular and gene therapies. **To be eligible for coverage, we must approve the benefits in advance through precertification and services must be performed by an approved *participating provider* to be covered at the *participating provider* level.**

Certain transplants (e.g., cornea and kidney) are covered like any other surgery, under the regular inpatient and outpatient benefits described elsewhere in this booklet.

In this section you will see some key terms, which are defined below:

Covered Procedure

A *covered procedure* includes:

- Any *medically necessary* human solid organ, tissue, and stem cell / bone marrow transplants and infusions, and
- Any *medically necessary* cellular or other gene therapies, and

- Any *medically necessary* acquisition procedures, mobilization, collection and storage. It also includes *medically necessary* myeloablative or reduced intensity preparative chemotherapy, radiation therapy, or a combination of these therapies,

Approved In-Network Provider

A provider who has entered into an agreement with us to provide *covered procedures* to you. The agreement may only cover certain *covered procedures* or all *covered procedures*. *Approved in-network providers* may include the following:

- **Blue Distinction Center (BDC) Facility:** Blue Distinction facilities have met or exceeded national quality standards for transplant care delivery.
- **Centers of Medical Excellence (CME) Facility:** Centers of Medical Excellence facilities have met or exceeded quality standards for transplant care delivery.

All Other Providers

Any provider that is NOT an *approved in-network provider*. This includes *participating providers* who participate in the *plan's* networks, but who are not an *approved in-network provider* for a *covered procedure*, as well as *non-participating providers*.

Prior Approval and Precertification

To maximize your benefits, you should call our Transplant Department as soon as you think you may need a *covered procedure* to talk about your benefit options. You must do this before you receive services. We will help you maximize your benefits by giving you coverage information, including details on what is covered as well as information on any clinical coverage guidelines, medical policies, *approved in-network provider* rules, or exclusions that apply. Call the Member Services phone number on the back of your Identification Card and ask for the transplant coordinator.

You or your provider must call our Transplant Department for precertification prior to the *covered procedure* whether this is performed in an inpatient or outpatient setting. Your *physician* must certify, and we must agree, that the *covered procedure* is *medically necessary*. Your *physician* should send a written request for precertification to us as soon as possible to start this process. Not getting precertification will result in a denial of benefits.

Please note that there are cases where your provider asks for approval for Human Leukocyte Antigen (HLA) testing, donor searches and/or a collection and storage of stem cells prior to the final decision as to what

covered procedure will be needed. In these cases, the HLA testing and donor search charges will be covered as routine diagnostic tests. The collection and storage request will be reviewed for *medical necessity* and may be approved. However, such an approval for HLA testing, donor search and/or collection and storage is NOT an approval for the later *covered procedure*. A separate *medical necessity* decision will be needed for the *covered procedure*.

Donor Benefits

Benefits for an organ donor are as follows:

- When both the person donating the organ and the person getting the organ are our covered *members*, each will get benefits under their *plan*.
- When the person getting the organ is our covered *member*, but the person donating the organ is not, benefits under this *plan* are limited to benefits not available to the donor from any other source. This includes, but is not limited to, other insurance, grants, foundations, and government programs.
- If our covered *member* is donating the organ to someone who is not a covered *member*, benefits are not available under this *plan*.

Transportation and Lodging

We will cover the cost of reasonable and necessary travel costs when you get prior approval and need to travel more than 75 miles from your permanent home to reach the *facility* where the *covered procedure* will be performed. Our help with travel costs includes transportation to and from the *facility* and lodging for the patient and one companion. If the *member* receiving care is a minor, then reasonable and necessary costs for transportation and lodging may be allowed for two companions. You must send itemized receipts for transportation and lodging costs in a form satisfactory to us when claims are filed. Call us for complete information or refer to IRS Publication 502.

For lodging and ground transportation benefits, we will cover costs up to the current limits set forth in the Internal Revenue Code.

Non-covered services for transportation and lodging include, but are not limited to:

- Child care,
- Mileage within the city where the *covered procedure* is performed,
- Rental cars, buses, taxis, or shuttle service, except as specifically approved by us,

- Frequent Flyer miles,
- Coupons, Vouchers, or Travel tickets,
- Prepayments or deposits,
- Services for a condition that is not directly related, or a direct result, of the *covered procedure*,
- Phone calls,
- Laundry,
- Postage,
- Entertainment,
- Travel costs for donor companion/caregiver,
- Return visits for the donor for a treatment of an illness found during the evaluation,
- Meals.

Bariatric Surgery. Services and supplies in connection with *medically necessary* surgery for weight loss, only for morbid obesity and only when performed at a designated *BDCSC* facility. See UTILIZATION REVIEW PROGRAM for details.

You must obtain pre-service review for all bariatric surgical procedures.

Charges for services provided for or in connection with a bariatric surgical procedure performed at a facility other than a *BDCSC* will not be covered.

Bariatric Travel Expense. The following travel expense benefits will be provided in connection with a covered bariatric surgical procedure only when the *member's* home is fifty (50) miles or more from the nearest bariatric *BDCSC*. All travel expenses must be approved by the *claims administrator* in advance. The fifty (50) mile radius around the *BDCSC* will be determined by the *bariatric BDCSC coverage area*. (See DEFINITIONS.)

- Transportation for the *member* to and from the *BDCSC* up to **\$130** per trip for a maximum of three (3) trips (one pre-surgical visit, the initial surgery and one follow-up visit).
- Transportation for one companion to and from the *BDCSC* up to **\$130** per trip for a maximum of two (2) trips (the initial surgery and one follow-up visit).

- Hotel accommodations for the *member* and one companion not to exceed **\$100** per day for the pre-surgical visit and the follow-up visit, up to two (2) days per trip or as *medically necessary*. Limited to one room, double occupancy.
- Hotel accommodations for one companion not to exceed **\$100** per day for the duration of the *member's* initial surgery stay, up to four (4) days. Limited to one room, double occupancy.
- Other reasonable expenses, not to exceed **\$25** per day, up to four (4) days per trip. Tobacco, alcohol, meals and drug expenses are excluded.

Member Services will confirm if the bariatric travel benefit is provided in connection with access to the selected bariatric *BDCSC*. Details regarding reimbursement can be obtained by calling the Member Services number on your I.D. card. A travel reimbursement form will be provided for submission of legible copies of all applicable receipts in order to obtain reimbursement.

Transgender Services. Services and supplies provided in connection with gender transition when you have been diagnosed with gender identity disorder or gender dysphoria by a *physician*. This coverage is provided according to the terms and conditions of the *plan* that apply to all other covered medical conditions, including medical necessity requirements, utilization management, and exclusions for cosmetic services. Coverage includes, but is not limited to, *medically necessary* services related to gender transition such as transgender surgery, hormone therapy, psychotherapy, and vocal training.

Coverage is provided for specific services according to *plan* benefits that apply to that type of service generally, if the *plan* includes coverage for the service in question. If a specific coverage is not included, the service will not be covered. For example, transgender surgery would be covered on the same basis as any other covered, *medically necessary* surgery; hormone therapy would be covered under the *plan's prescription drug* benefits, if included.

Services that are excluded on the basis that they are cosmetic include, but are not limited to, liposuction, facial bone reconstruction, voice modification surgery, breast implants, and hair removal. Transgender services are subject to prior authorization in order for coverage to be provided. Please refer to UTILIZATION REVIEW PROGRAM for information on how to obtain the proper reviews.

Transgender Travel Expense. Certain travel expenses incurred in connection with an approved transgender surgery, when the *hospital* at which the surgery is performed is 75 miles or more from your place of residence, provided the expenses are authorized in advance by the *claims*

administrator. The *plan's* maximum payment will not exceed \$10,000 per transgender surgery, or series of surgeries (if multiple surgical procedures are performed), for the following travel expenses incurred by you and one companion:

- Ground transportation to and from the *hospital* when it is 75 miles or more from your place of residence.
- Coach airfare to and from the *hospital* when it is 300 miles or more from your residence.
- Lodging, limited to one room, double occupancy.
- Other reasonable expenses. Tobacco, alcohol, drug, and meal expenses are excluded.

The Calendar Year Deductible will not apply and no co-payments will be required for transgender travel expenses authorized in advance by the *claims administrator*. Benefits will be provided for lodging, transportation, and other reasonable expenses up to the current limits set forth in the Internal Revenue Code, not to exceed the maximum amount specified above. This travel expense benefit is not available for non-surgical transgender services.

Details regarding reimbursement can be obtained by calling the Member Services number on your ID card. A travel reimbursement form will be provided for submission of legible copies of all applicable receipts in order to obtain reimbursement.

Mental Health or Substance Use Disorder. Covered services shown below for the *medically necessary* treatment of *mental health* or substance use disorder, or to prevent the deterioration of chronic conditions.

1. Inpatient *hospital* services and services from a *residential treatment center* as stated in the "Hospital" provision of this section, for inpatient services and supplies.
2. *Partial hospitalization programs*, including intensive outpatient programs and visits to a *day treatment center*. *Partial hospitalization programs* are covered as stated in the "Hospital" provision of this section, for outpatient services and supplies.
3. *Physician* visits during a covered inpatient *stay*.
4. *Physician* visits (including virtual visits) and *intensive in-home behavioral health programs* for outpatient psychotherapy or psychological testing for the treatment of *mental health* or substance use disorder. This includes nutritional counseling for the treatment of eating disorders such as anorexia nervosa and bulimia nervosa.

5. Behavioral health treatment for autism spectrum disorders. See the section BENEFITS FOR AUTISM SPECTRUM DISORDERS for a description of the services that are covered. **Note:** You must obtain pre-service review for all behavioral health treatment services for the treatment of autism spectrum disorders in order for these services to be covered by this *plan* (see UTILIZATION REVIEW PROGRAM for details). No benefits are payable for these services if pre-service review is not obtained.
6. Prophylaxis, diagnosis, and treatment of pediatric autoimmune neuropsychiatric disorders associated with streptococcal infections (PANDAS) and pediatric acute-onset neuropsychiatric syndrome (PANS), including treatment with antibiotics, medication and behavioral therapies to manage neuropsychiatric symptoms, immunomodulating medicines, plasma exchange, and intravenous immunoglobulin therapy. Coverage will not be subject to a Deductible, Copayment or Coinsurance that is less favorable than that applied to other coverage under your Plan.

Treatment for substance use disorder does not include smoking cessation programs, nor treatment for nicotine dependency or tobacco use. Certain services are covered under the “Preventive Care Services” benefit or as specified in the “Preventive Prescription Drugs and Other Items” covered under YOUR PRESCRIPTION DRUG BENEFITS. Please see those provisions for further details.

Examples of providers from whom you can receive covered services include the following:

- Psychiatrist,
- Psychologist,
 - Registered psychological assistant, as described in the CA Business and Professions Code,
 - Psychology trainee or person supervised as set forth in the CA Business and Professions Code,
- Licensed clinical social worker (L.C.S.W.),
- Associate clinical social worker functioning pursuant to the CA Business and Professions Code,
- Mental health clinical nurse specialist,
- Licensed marriage and family therapist (L.M.F.T.),

- Associate marriage and family therapist or marriage and family therapist trainee functioning pursuant to the CA Business and Professions Code,
- Licensed professional counselor (L.P.C.),
- Associate professional clinical counselor or professional clinical counselor trainee functioning pursuant to the CA Business and Professions Code, and

Qualified Autism Service Providers, Qualified Autism Service Professionals, and Qualified Autism Service Paraprofessionals. See the definitions of these in the “Benefits for Autism Spectrum Disorders” section below.

Preventive Care Services. Preventive care includes screenings and other services for adults and children. All recommended preventive services will be covered as required by the Affordable Care Act (ACA) and applicable state law. This means for *preventive care services*, the *calendar year* deductible will not apply to these services or supplies when they are provided by a *participating provider*. No co-payment will apply to these services or supplies when they are provided by a *participating provider*.

Certain benefits for *members* who have current symptoms or a diagnosed health problem may be covered under other benefits covered by your *plan* instead of this benefit, if the coverage does not fall within the state or ACA-recommended preventive services.

Covered services fall under the following broad groups:

- Services with an “A” or “B” rating from the United States Preventive Services Task Force. Examples include screenings for:
 - Breast cancer,
 - Cervical cancer,
 - Colorectal cancer screenings, including preventive colonoscopy, anesthesia, polyp removal and pathology tests in connection with the preventive screening. This also includes a preventive screening following a positive non-invasive stool-based screening test or following a positive direct visualization test (i.e., flexible sigmoidoscopy, CT colonography),
 - High blood pressure,
 - Type 2 Diabetes Mellitus,
 - Cholesterol,
 - Child and adult obesity.

- Immunizations for children, adolescents, and adults recommended by the Advisory Committee on Immunization Practices of the Centers for Disease Control and Prevention;
- Preventive care and screenings for infants, children and adolescents as listed in the guidelines supported by the Health Resources and Services Administration;
- Preventive care and screening as listed in the guidelines supported by the Health Resources and Services Administration, including:

All FDA-approved contraceptive *drugs*, devices and other products, including over-the-counter FDA-approved contraceptive *drugs*, devices, and other products, if prescribed by a *physician*. This includes contraceptive *drugs* and other contraceptive medications, such as injectable contraceptives and patches; as well as devices, such as diaphragms, intrauterine devices (IUDs) and implants. It also includes voluntary sterilization procedures, contraceptive education, and counseling. It also includes follow-up services related to the *drugs*, devices, products and procedures, including but not limited to management of side effects, counseling for continued adherence, and device insertion and removal.

At least one form of contraception in each of the methods identified in the FDA's Birth Control Guide will be covered as preventive care under this section. If there is only one form of contraception in a given method, or if a form of contraception is deemed not medically advisable by a *physician*, the prescribed FDA-approved form of contraception will be covered as preventive care under this section.

Some categories and classes of contraceptives do not have Generics available and, in each of these categories, at least one Brand Drug is available at \$0 cost sharing when you receive it from an In-Network Provider. If your Provider determines that a Brand Drug with an available Generic therapeutic equivalent is Medically Necessary because a Generic equivalent drug is not appropriate for you, you may obtain coverage of the Brand Drug with \$0 Cost Sharing if your Provider submits an exception request. Your Doctor must complete a contraceptive exception form and return it to us. You or your Doctor can find the form online at https://file.anthem.com/Anthem_ABC_BrandContraceptiveCopayWaiver_Form.pdf or by calling the number listed on the back of your ID Card. If Medical Necessity has been determined by your Provider, an exception will be granted and coverage of the Drug will be provided at \$0 Cost Sharing. Otherwise, Brand Drugs will be covered as a Preventive Care benefit when Medically Necessary according to your attending Provider, otherwise they will be covered under the "Prescription Drug Benefit at a Retail or Home Delivery (Mail Order) Pharmacy."

In order to be covered as preventive care, contraceptive *prescription drugs* must be *generic* oral contraceptives. *Brand name drugs* will be covered under your *plan's* prescription drug benefits (see YOUR PRESCRIPTION DRUG BENEFITS), if included.

Breast feeding support, supplies, and counseling. One breast pump will be covered per pregnancy under this benefit.

Gestational diabetes screening.

Preventive prenatal care.

- Preventive care services for smoking cessation and tobacco cessation for members age 18 and older as recommended by the United States Preventive Services Task Force including:
 - Counseling,
 - Prescription drugs obtained at a retail or home delivery (mail order) pharmacy,
 - Nicotine replacement therapy products obtained at a retail or home delivery (mail order) pharmacy when prescribed by a physician, including over-the-counter (OTC) nicotine gum, lozenges and patches.
- Prescription drugs and OTC items identified as an A or B recommendation by the United States Preventive Services Task Force when prescribed by a physician including:
 - Aspirin,
 - Folic acid supplement,
 - Bowel preparations,
 - Preexposure prophylaxis (PrEP) for prevention of HIV infection.

Please note that certain age and gender and quantity limitations apply.

You may call Member Services at the number on your Identification Card for more details about these services or view the federal government's websites, <https://www.healthcare.gov/what-are-my-preventive-care-benefits>, <http://www.ahrq.gov>, and <http://www.cdc.gov/vaccines/acip/index.html>.

Examples of preventive care covered services are provided below.

Well Baby and Well Child Preventive Care

- Office Visits.

- Routine physical exam including medically appropriate laboratory tests, procedures and radiology services in connection with the exam.
- Screenings including blood lead levels for children at risk for lead poisoning; vision (eye chart only); and hearing screening in connection with the routine physical exam.
- Immunizations including those recommended by the American Academy of Pediatrics and the Advisory Committee on Immunization Practices.
- Health education on pediatric wellness to prevent common sickness including, but not limited to, asthma.
- Hepatitis B and varicella zoster (chicken pox) injectable vaccines and other age appropriate injectable vaccinations as recommended by the American Academy of Pediatrics and the office visit associated with administering the injectable vaccination when ordered by your physician.
- Human papillomavirus (HPV) test for cervical cancer and HPV vaccine.

Adult Preventive Care

- Routine physical exams.
- Medically appropriate laboratory tests and procedures and radiology procedures in connection with the routine physical exam.
- Cholesterol, osteoporosis (periodic bone density screening for menopausal or post-menopausal women), vision (eye chart only), and hearing screenings in connection with the routine physical exam.
- Immunizations including those recommended by the U.S. Public Health Service and the Advisory Committee on Immunization Practices for members age 19 and above.
- Health education services, including information regarding personal health behavior and health care, and recommendations regarding the optimal use of health care services provided.
- Screening and counseling for Human Immunodeficiency Virus (HIV).
- Preventive counseling and risk factor reduction intervention services in connection with tobacco use and tobacco use-related diseases.

- FDA-approved cancer screenings including pap examinations; breast exams; mammography testing; appropriate screening for breast cancer; ovarian, colorectal and cervical cancer screening tests, including the human papillomavirus (HPV) test for cervical cancer and HPV vaccine prostate cancer screenings, including digital rectal exam and prostate specific antigen (PSA) test]; and the office visit related to these services.

Home test kits for sexually transmitted diseases (STD), including any laboratory costs of processing the kits.

- Must be deemed *medically necessary* or appropriate and ordered directly by a clinician or furnished through a standing order for patient use based on clinical guidelines and individual patient health needs, when ordered by a *participating provider*; and
- Must be a product used for a test recommended by the federal Centers for Disease Control and Prevention guidelines or the United States Preventive Services Task Force that has been CLIA waived, FDA cleared or approved, or developed by a laboratory in accordance with established regulations and quality standards, to allow individuals to self-collect specimens for STDs, including HIV, remotely at a location outside of a clinical setting.

Osteoporosis. Coverage for services related to diagnosis, treatment, and appropriate management of osteoporosis including, but not limited to, all Food and Drug Administration approved technologies, including bone mass measurement technologies as deemed *medically necessary*.

Breast Cancer. Services and supplies provided in connection with the screening for, diagnosis of, and treatment for breast cancer whether due to illness or injury, including:

1. Diagnostic mammogram examinations in connection with the treatment of a diagnosed illness or injury. Routine mammograms will be covered initially under the Preventive Care Services benefit.
2. Breast cancer (BRCA) testing, if appropriate, in conjunction with genetic counseling and evaluation. When done as a *preventive care service*, BRCA testing will be covered under the Preventive Care Services benefit.
3. Mastectomy and lymph node dissection; complications from a mastectomy including lymphedema.
4. Reconstructive surgery of both breasts performed to restore and achieve symmetry following a *medically necessary* mastectomy.
5. Breast prostheses following a mastectomy (see “Prosthetic Devices”).

This coverage is provided according to the terms and conditions of this *plan* that apply to all other medical conditions.

Clinical Trials. Coverage is provided for routine patient costs you receive as a participant in an approved clinical trial. The services must be those that are listed as covered by this plan for *members* who are not enrolled in a clinical trial.

Routine patient care costs include items, services, and drugs provided to you in connection with an approved clinical trial that would otherwise be covered by the *plan*.

An “approved clinical trial” is a phase I, phase II, phase III, or phase IV clinical trial that studies the prevention, detection, or treatment of cancer or another life-threatening disease or condition, from which death is likely unless the disease or condition is treated. Coverage is limited to the following clinical trials:

1. Federally funded trials approved or funded by one or more of the following:
 - a. The National Institutes of Health,
 - b. The Centers for Disease Control and Prevention,
 - c. The Agency for Health Care Research and Quality,
 - d. The Centers for Medicare and Medicaid Services,
 - e. A cooperative group or center of any of the four entities listed above or the Department of Defense or the Department of Veterans Affairs,
 - f. A qualified non-governmental research entity identified in the guidelines issued by the National Institutes of Health for center support grants, or
 - g. Any of the following departments if the study or investigation has been reviewed and approved through a system of peer review that the Secretary of Health and Human Services determines (1) to be comparable to the system of peer review of investigations and studies used by the National Institutes of Health, and (2) assures unbiased review of the highest scientific standards by qualified individuals who have no interest in the outcome of the review:
 - i. The Department of Veterans Affairs,
 - ii. The Department of Defense, or
 - iii. The Department of Energy.

2. Studies or investigations done as part of an investigational new drug application reviewed by the Food and Drug Administration.
3. Studies or investigations done for drug trials that are exempt from the investigational new drug application.

Participation in the clinical trial must be recommended by your *physician* after determining participation has a meaningful potential to benefit you. All requests for clinical trials services, including requests that are not part of approved clinical trials, will be reviewed according to the *plan's* Clinical Coverage Guidelines, related policies and procedures.

Routine patient costs do not include the costs associated with any of the following:

1. The investigational item, device, or service.
2. Any item or service provided solely to satisfy data collection and analysis needs and that is not used in the clinical management of the patient.
3. Any service that is clearly inconsistent with widely accepted and established standards of care for a particular diagnosis.
4. Any item, device, or service that is paid for, by the sponsor of the trial or is customarily provided by the sponsor free of charge for any enrollee in the trial.

Note: You will be financially responsible for the costs associated with non-covered services.

Physical Therapy, Physical Medicine and Occupational Therapy. The following services provided by a *physician* under a treatment plan:

1. Physical therapy and physical medicine provided on an outpatient basis for the treatment of illness or injury including the therapeutic use of heat, cold, exercise, electricity, ultra violet radiation, manipulation of the spine, or massage for the purpose of improving circulation, strengthening muscles, or encouraging the return of motion. (This includes many types of care which are customarily provided by chiropractors, physical therapists and osteopaths. It does not include massage therapy services at spas or health clubs.)
2. Occupational therapy provided on an outpatient basis when the ability to perform daily life tasks has been lost or reduced by, or has not been developed due to, illness or injury including programs which are designed to rehabilitate mentally, physically or emotionally handicapped persons. Occupational therapy programs are designed to maximize or improve a patient's upper extremity function, perceptual motor skills and ability to function in daily living activities.

Benefits are not payable for care provided to relieve general soreness or for conditions that may be expected to improve without treatment. For the purposes of this benefit, the term "visit" shall include any visit by a *physician* in that *physician's* office, or in any other outpatient setting, during which one or more of the services covered under this limited benefit are rendered, even if other services are provided during the same visit.

Up to a combined maximum of 30 visits in a *year* for all covered services are payable.

If covered charges are applied toward the Calendar Year Deductible and payment is not provided, that visit will be included in the visit maximum (30 visits) for that *year*.

If you receive *chiropractic services* from a *non-participating provider* and you need to submit a claim to the *claims administrator*, please send it to the address listed below. If you have any questions or are in need of assistance, please call the Member Services telephone number listed on your ID card.

American Specialty Health
P.O. Box 509001
San Diego, CA 92150-9001

Please note: *Chiropractic services* received from a *non-participating provider* require prior authorization after your 5th visit for benefits to be provided. A *non-participating provider* may or may not initiate the review for you. It is your responsibility to initiate the process and ask your *physician* to request prior authorization. You may also call us directly. Please see the "Utilization Review Program" for more details.

Cardiac Rehabilitation. Cardiac rehabilitation benefits are available as part of an inpatient *hospital stay*. A limited course of outpatient cardiac rehabilitation is covered when following angioplasty, cardiovascular surgery, congestive heart failure or myocardial infarction. The *plan* will pay for *medically necessary* cardiac rehabilitation services when provided by licensed personnel in a formal cardiac rehabilitation program.

Contraceptives. Services and supplies provided in connection with the following methods of contraception:

- Injectable drugs and implants for birth control, administered in a *physician's* office, if *medically necessary*.
- Intrauterine contraceptive devices (IUDs) and diaphragms, dispensed by a *physician* if *medically necessary*.
- Professional services of a *physician* in connection with the prescribing, fitting, and insertion of intrauterine contraceptive devices or diaphragms.

Contraceptive supplies prescribed by a *physician* for reasons other than contraceptive purposes for *medically necessary* treatment such as decreasing the risk of ovarian cancer, eliminating symptoms of menopause or for contraception that is necessary to preserve life or health may also be covered.

If your *physician* determines that none of these contraceptive methods are appropriate for you based on your medical or personal history, coverage will be provided for another prescription contraceptive method that is approved by the Food and Drug Administration (FDA) and prescribed by your *physician*.

Certain contraceptives are covered under the “Preventive Care Services” benefit. Please see that provision for further details.

Sterilization Services. Benefits include sterilization services and services to reverse a non-elective sterilization that resulted from an illness or injury. Reversals of elective sterilizations are not covered.

Certain sterilizations for women are covered under the “Preventive Care Services” benefit. Please see that provision for further details.

Speech Therapy and Speech-language pathology (SLP) services. Services to identify, assess, and treat speech, language, and swallowing disorders in children and adults. Therapy that will develop or treat communication or swallowing skills to correct a speech impairment.

After your initial visit to a *physician* for speech therapy, pre-service review must be obtained prior to receiving additional services. There is no limit on the number of covered visits for *medically necessary* services. However, visits must be authorized in advance. Please refer to utilization review program for information on how to obtain the proper reviews.

Acupuncture. The services of a *physician* for acupuncture treatment to treat a disease, illness or injury, including a patient history visit, physical examination, treatment planning and treatment evaluation, electroacupuncture, cupping and moxibustion. The *plan* will pay for up to 12 visits during a *calendar year*.

If covered charges are applied toward the Calendar Year Deductible and payment is not provided, that visit is included in the visit maximum (12 visits) for that *year*.

Please note: Acupuncture services received from a *non-participating provider* require prior authorization after your 5th visit for benefits to be provided. A *non-participating provider* may or may not initiate the review for you. It is your responsibility to initiate the process and ask your *physician* to request prior authorization. You may also call us directly. Please see the “Utilization Review Program” for more details.

Diabetes. Services and supplies provided for the treatment of diabetes, including:

1. The following equipment and supplies:

- a. Blood glucose monitors, including monitors designed to assist the visually impaired, and blood glucose testing strips.
- b. Insulin pumps.
- c. Pen delivery systems for insulin administration (non-disposable).
- d. Visual aids (but not eyeglasses) to help the visually impaired to properly dose insulin.
- e. Podiatric devices, such as therapeutic shoes and shoe inserts, to treat diabetes-related complications.

Items a through d above are covered under your *plan's* benefits for durable medical equipment (see "Durable Medical Equipment"). Item e above is covered under your *plan's* benefits for prosthetic devices (see "Prosthetic Devices").

2. Diabetes education program which:

- a. Is designed to teach a *member* who is a patient and covered members of the patient's family about the disease process and the daily management of diabetic therapy;
- b. Includes self-management training, education, and medical nutrition therapy to enable the *member* to properly use the equipment, supplies, and medications necessary to manage the disease; and
- c. Is supervised by a *physician*.

Diabetes education services are covered at no cost to the *member*. Benefits for other covered services and supplies for the treatment of diabetes are provided on the same basis, at the same cost shares, as any other medical condition. Benefits are based on the setting in which covered services are received.

3. The following items are covered under your *prescription drug* benefits:

- a. Insulin, glucagon, and other *prescription drugs* for the treatment of diabetes.
- b. Insulin syringes, disposable pen delivery systems for insulin administration.
- c. Testing strips, lancets, and alcohol swabs.

These items must be obtained either from a retail *pharmacy* or through the home delivery program (see YOUR PRESCRIPTION DRUG BENEFITS).

4. Screenings for gestational diabetes are covered under your Preventive Care Services benefit. Please see that provision for further details.

Jaw Joint Disorders. The *plan* will pay for splint therapy or surgical treatment for disorders or conditions directly affecting the upper or lower jawbone or the joints linking the jawbones and the skull (the temporomandibular joints), including the complex of muscles, nerves and other tissues related to those joints.

Phenylketonuria (PKU). Benefits for the testing and treatment of phenylketonuria (PKU) are paid on the same basis as any other medical condition. Coverage for treatment of PKU shall include those formulas and special food products that are part of a diet prescribed by a licensed *physician* and managed by a health care professional in consultation with a *physician* who specializes in the treatment of metabolic disease and who participates in or is authorized by the *claims administrator*. The diet must be deemed *medically necessary* to avert the development of serious physical or mental disabilities or to promote normal development or function as a consequence of PKU.

The cost of the necessary formulas and special food products is covered only as it exceeds the cost of a normal diet. "Formula" means an enteral product or products for use at home. The formula must be prescribed by a *physician* or nurse practitioner, or ordered by a registered dietician upon referral by a health care provider authorized to prescribe dietary treatments, and is *medically necessary* for the treatment of PKU. Formulas and special food products used in the treatment of PKU that are obtained from a *pharmacy* are covered as prescription drugs (see YOUR PRESCRIPTION DRUG BENEFITS). Formulas and special food products that are not obtained from a *pharmacy* are covered under this benefit.

"Special food product" means a food product that is all of the following:

- Prescribed by a *physician* or nurse practitioner for the treatment of PKU, and
- Consistent with the recommendations and best practices of qualified *physicians* with expertise in the treatment and care of PKU, and
- Used in place of normal food products, such as grocery store foods, used by the general population.

Note: It does not include a food that is naturally low in protein, but may include a food product that is specially formulated to have less than one gram of protein per serving.

Prescription Drug for Abortion. Mifepristone is covered when provided under the Food and Drug Administration (FDA) approved treatment regimen.

Designated Pharmacy Provider. The *claims administrator* may establish one or more *designated pharmacy provider* programs which provide specific pharmacy services (including shipment of *prescription drugs*) to *members*. A *participating provider* is not necessarily a *designated pharmacy provider*. To be a *designated pharmacy provider*, the *participating provider* must have signed a *designated pharmacy provider* agreement with the *plan*. You or your *physician* can contact Member Services to learn which *pharmacy* or *pharmacies* are part of a *designated pharmacy provider* program.

For *prescription drugs* that are shipped to you or your *physician* and administered in your *physician's* office, you and your *physician* are required to order from a *designated pharmacy provider*. A patient care coordinator will work with you and your *physician* to obtain precertification and to assist shipment to your *physician's* office.

The *claims administrator* may also require you to use a *designated pharmacy provider* to obtain *prescription drugs* for treatment of certain clinical conditions. The *claims administrator* reserves the right to modify the list of *prescription drugs* as well as the setting and/or level of care in which the care is provided to you. The *claims administrator* may, from time to time, change with or without advance notice, the *designated pharmacy provider* for a *drug*. Such change can help provide cost effective, value based and/or quality services.

If you are required to use a *designated pharmacy provider* and you choose not to obtain your *prescription drug* from a *designated pharmacy provider*, coverage will be the same as for a *non-participating provider*.

You can get the list of the *prescription drugs* covered under this section by calling Member Services at the phone number on the back of your ID card or check the claims administrator's website at www.anthem.com/ca.

Prescription Drugs Obtained from or Administered by a Medical Provider.

Your *plan* includes benefits for *prescription drugs*, including *specialty drugs*, that must be administered to you as part of a *physician* visit, services from a *home health agency* or at an outpatient *hospital* when they are covered services. This may include *drugs* for home infusion therapy, chemotherapy, blood products, certain injectable and any drug that must be administered by a *physician*. This section describes your benefits when your *physician* orders the medication and administers it to you.

Benefits for *drugs* that you inject or get at a *retail pharmacy* (i.e., self-administered *drugs*) are not covered under this section. Benefits for those and other covered *drugs* are described under your prescription drug benefits, if included.

Non-duplication of benefits applies to *pharmacy drugs* under this *plan*. When benefits are provided for *pharmacy drugs* under the *plan's* medical benefits, they will not be provided under your prescription drug benefits, if included. Conversely, if benefits are provided for *pharmacy drugs* under your prescription drug benefits, if included, they will not be provided under the *plan's* medical benefits.

Prior Authorization. Your *plan* includes certain features to determine when *prescription drugs* should be covered, which are described below. As part of these features, your prescribing *physician* may be asked to give more details before the *claims administrator* can decide if the *drug* is eligible for coverage. In order to determine if the *prescription drug* is eligible for coverage, the following criteria has been established.

The criteria, which are called drug edits, may include requirements regarding one or more of the following:

- Specific clinical criteria and/or recommendations made by state or federal agencies (including, but not limited to, requirements regarding age, test result requirements, presence of a specific condition or disease, quantity, dose and/or frequency of administration);
- Specific provider qualifications including, but not limited to, REMS certification (Risk, Evaluation and Mitigation Strategies) as recommended by the FDA;
- Step therapy requiring one *drug*, *drug* regimen, or treatment be used prior to use of another *drug*, *drug* regimen, or treatment for safety and/or cost-effectiveness when clinically similar results may be anticipated;
- Use of a *prescription drug formulary* which is a list of FDA-approved *drugs* that have been reviewed and recommended for use based on their quality and cost effectiveness.

If you or your prescribing *physician* disagree with our decision, you may file an exception request.

Covered Prescription Drugs. To be a covered service, *prescription drugs* must be approved by the Food and Drug Administration (FDA) and, under federal law, require a *prescription*. *Prescription drugs* must be prescribed by a licensed *physician* and *controlled substances* must be prescribed by a licensed *physician* with an active DEA license.

Compound ingredients within a *compound drug* are a covered service when a commercially available dosage form of a *medically necessary* medication is not available, ingredients of the *compound drug* are FDA approved in the form in which they are used in the *compound drug*, require a *prescription* to dispense, and are not essentially the same as an FDA approved product from a *drug* manufacturer. Non-FDA approved, non-proprietary, multisource ingredients that are vehicles essential for compound administration may be covered.

Your *plan* also covers certain over-the-counter *drugs* that must be covered under federal law, when prescribed by a *physician*, subject to all terms of this *plan* that apply to those benefits. Please see the "Preventive Care Services" provision of MEDICAL CARE THAT IS COVERED or the "Preventive Prescription Drugs and Other Items" provision under YOUR PRESCRIPTION DRUG BENEFITS for additional details.

Precertification: You or your *physician* can get the list of the *prescription drugs* that require prior authorization by calling the phone number on the back of your ID card or check the claims administrator's website at www.anthem.com/ca. The list will be reviewed and updated from time to time. Including a *prescription drug* or related item on the list does not guarantee coverage under your *plan*. Your *physician* may check with the *plan* to verify *prescription drug* coverage, to find out which *prescription drug* are covered under this section and if any drug edits apply. However, if it is determined through prior authorization that the *drug* originally prescribed is *medically necessary* and is cost effective, you will be provided the *drug* originally requested. If, when you first become a *member*, you are already being treated for a medical condition by a *drug* that has been appropriately prescribed and is considered safe and effective for your medical condition, the *claims administrator* will not require you to try a *drug* other than the one you are currently taking.

In order for you to get a *specialty pharmacy drug* that requires prior authorization, your *physician* must submit a request to the *plan* using the required uniform prior authorization request form. If you're requesting an exception to the step therapy process, your *physician* must use the same form. The request, for either prior authorization or step therapy exceptions, may be made by mail, telephone, facsimile, or it may be made electronically. At the time the request is initiated, specific clinical information will be requested from your *physician* based on medical policy and/or clinical guidelines, based specifically on your diagnosis and/or the *physician's* statement in the request or clinical rationale for the *specialty pharmacy drug*.

After the *plan* receives the request from your *physician*, the *claims administrator* will review the request and respond within the following time periods:

- 72 hours for non-urgent requests, and
- 24 hours if exigent circumstances exist. Exigent circumstances exist if you are suffering from a health condition that may seriously jeopardize your life, health, or ability to regain maximum function, or if you are undergoing a current course of treatment using a drug not covered by the *plan*.

If you have any questions regarding whether a *specialty pharmacy drug* requires prior authorization, please call the number on the back of your ID card.

If a request for prior authorization of a *specialty pharmacy drug* is denied, you or your prescribing *physician* may appeal the decision by calling the number on the back of your ID card.

MEDICAL CARE THAT IS NOT COVERED

No payment will be made under this *plan* for expenses incurred for or in connection with any of the items below. (The titles given to these exclusions and limitations are for ease of reference only; they are not meant to be an integral part of the exclusions and limitations and do not modify their meaning.)

Not Medically Necessary. Services or supplies that are not *medically necessary*, as defined.

This exclusion does not apply to services that are mandated by federal law or listed as covered under “YOUR MEDICAL BENEFITS” and/or “Prescription Drugs Obtained from or Administered by a Medical Provider” and/or “Your Prescription Drug Benefits”.

Unlisted Services. Services not specifically listed in this booklet as covered services.

Experimental or Investigative. Any *experimental* or *investigative* procedure or medication.

Incarceration. For care required while incarcerated in a federal, state or local penal institution or required while in custody of federal, state or local law enforcement authorities, including work release programs, unless otherwise required by law or regulation.

Not Covered. Services received before your *effective date* or after your coverage ends, except as specifically stated under EXTENSION OF BENEFITS.

Non-Approved Facility. Services from a *physician* that does not meet the definition of facility.

Excess Amounts. Any amounts in excess of *maximum allowed amounts*, except for *surprise billing claims* as outlined in the “Consolidated Appropriations Act of 2021 Notice” in the front of this Booklet, or any Medical Benefit Maximum.

Waived Cost-Shares Non-Participating Provider. For any service for which you are responsible under the terms of this *plan* to pay a co-payment or deductible, and the co-payment or deductible is waived by a *non-participating provider*.

Work-Related. Any injury, condition or disease arising out of employment for which benefits or payments are covered by any worker’s compensation law or similar law. If the *plan* provides benefits for such injuries, conditions or diseases the *claims administrator* shall be entitled to establish a lien or other recovery under section 4903 of the California Labor Code or any other applicable law.

Government Treatment. Any services you actually received that were provided by a local, state, or federal government agency, or by a public school system or school district, except when payment under this *plan* is expressly required by federal or state law. The *plan* will not cover payment for these services if you are not required to pay for them or they are given to you for free. You are not required to seek any such services prior to receiving *medically necessary* health care services that are covered by this *plan*.

Medicare. For which benefits are payable under Medicare Parts A and/or B, or would have been payable if you had applied for Parts A and/or B, except as listed in this booklet or as required by federal law, as described in the section titled “BENEFITS FOR MEDICARE ELIGIBLE MEMBERS: Coordinating Benefits With Medicare”. If you do not enroll in Medicare Part B when you are eligible, you may have large out-of-pocket costs. Please refer to [Medicare.gov](https://www.medicare.gov) for more details on when you should enroll and when you are allowed to delay enrollment without penalties.

Family Members. Services prescribed, ordered, referred by or given by a member of your immediate family, including your *spouse*, *child*, brother, sister, parent, in-law or self.

Medical Equipment, Devices and Supplies. This *plan* does not cover the following:

- Replacement or repair of purchased or rental equipment because of misuse, abuse, or loss/theft.
- Surgical supports, corsets, or articles of clothing unless needed to recover from surgery or injury.
- Enhancements to standard equipment and devices that is not *medically necessary*.
- Supplies, equipment and appliances that include comfort, luxury, or convenience items or features that exceed what is *medically necessary* in your situation. Reimbursement will be based on the *maximum allowed amount* for a standard item that is a covered service, serves the same purpose, and is *medically necessary*. Any expense, including items you purchase with features that exceed what is *medically necessary*, will be limited to the *maximum allowed amount* for the standard item, and the additional costs will be your responsibility. Disposable supplies for use in the home such as bandages, gauze, tape, antiseptics, dressings, ace-type bandages, and any other supplies, dressings, appliances or devices that are not specifically listed as covered under the “Durable Medical Equipment” provision of MEDICAL CARE THAT IS COVERED.

This exclusion does not apply to the *medically necessary* treatment of specifically stated in “Durable Medical Equipment” provision of MEDICAL CARE THAT IS COVERED.

Chats or Texts. Chats and texting are not a covered service unless appropriately provided via a secure and compliant application, according to applicable legal requirements.

Voluntary Payment. Services for which you have no legal obligation to pay, or for which no charge would be made in the absence of insurance coverage or other health plan coverage, except services received at a non-governmental charitable research *hospital*. Such a *hospital* must meet the following guidelines:

1. It must be internationally known as being devoted mainly to medical research;
2. At least **10%** of its yearly budget must be spent on research not directly related to patient care;
3. At least one-third of its gross income must come from donations or grants other than gifts or payments for patient care;
4. It must accept patients who are unable to pay; and
5. Two-thirds of its patients must have conditions directly related to the *hospital's* research.

Private Contracts. Services or supplies provided pursuant to a private contract between the *member* and a provider, for which reimbursement under the Medicare program is prohibited, as specified in Section 1802 (42 U.S.C. 1395a) of Title XVIII of the Social Security Act.

Inpatient Diagnostic Tests. Inpatient room and board charges in connection with a *hospital stay* primarily for diagnostic tests which could have been performed safely on an outpatient basis.

Residential accommodations. Residential accommodations to treat medical or behavioral health conditions, except when provided in a *hospital, hospice, skilled nursing facility or residential treatment center*.

This exclusion includes procedures, equipment, services, supplies or charges for the following:

- Domiciliary care provided in a residential institution, treatment center, halfway house, or school because a *member's* own home arrangements are not available or are unsuitable, and consisting chiefly of room and board, even if therapy is included.

- Care provided or billed by a hotel, health resort, convalescent home, rest home, nursing home or other extended care facility home for the aged, infirmary, school infirmary, institution providing education in special environments, supervised living or halfway house, or any similar facility or institution.
- Services or care provided or billed by a school, *custodial care* center for the developmentally disabled, or outward bound programs, even if psychotherapy is included.
- Services or care billed by a program or facility that principally or primarily provides services for individuals with a medical or mental health or substance use disorder diagnosis or condition in an outdoor environment, including wilderness, adventure, outdoor programs or camps, unless *medically necessary*.

This exclusion does not apply to *medically necessary* treatment of *mental health and substance use disorder* as required by state law.

Dental Devices for Snoring. Oral appliances for snoring.

Growth Hormone Treatment. Any treatment, device, *drug*, service or supply (including surgical procedures, devices to stimulate growth and growth hormones), solely to increase or decrease height or alter the rate of growth.

Dental Services or Supplies. Dental plates, bridges, crowns, caps or other dental prostheses, dental implants, dental services, extraction of teeth, or treatment to the teeth or gums, or treatment to or for any disorders for the jaw joint, except as specifically stated in the “Dental Care – Inpatient”, “Cleft Palate - Inpatient”, “Cleft Palate – Outpatient”, “Dental Injury”, “Reconstructive Surgery - Inpatient”, “Reconstructive Surgery – Outpatient”, or “Jaw Joint Disorders” provisions of MEDICAL CARE THAT IS COVERED. Cosmetic dental surgery or other dental services for beautification.

Hearing Aids. Hearing aids or exams to prescribe or fit hearing aids, including bone-anchored hearing aids and over-the-counter hearing aids, unless listed as covered in this booklet. This exclusion does not apply to cochlear implants.

Optometric Services or Supplies. Optometric services, eye exercises including orthoptics. Routine eye exams and routine eye refractions, except when provided as part of a routine exam under the "Preventive Care Services" provision of MEDICAL CARE THAT IS COVERED. Eyeglasses or contact lenses, except as specifically stated in the "Prosthetic Devices" provision of MEDICAL CARE THAT IS COVERED.

Outpatient Occupational Therapy. Outpatient occupational therapy, except by a *home health agency, hospice or home infusion therapy provider* as specifically stated in the "Home Health Care", "Hospice Care", "Infusion Therapy", or "Physical Therapy, Physical Medicine And Occupational Therapy" provisions of MEDICAL CARE THAT IS COVERED. This exclusion also does not apply to the *medically necessary* treatment of *mental health* and *substance use disorder*, or to the *medically necessary* treatment of autism spectrum disorders, to the extent stated in the section BENEFITS FOR AUTISM SPECTRUM DISORDERS.

Speech Therapy. Outpatient speech therapy except as stated in the "Speech Therapy and Speech language pathology (SLP)" provision of MEDICAL CARE THAT IS COVERED. This exclusion also does not apply to the *medically necessary* treatment of *mental health* and *substance use disorder*, or to the *medically necessary* treatment of autism spectrum disorders, to the extent stated in the section BENEFITS FOR AUTISM SPECTRUM DISORDERS.

Sexual Problems. Services or supplies for male or female sexual problems. This exclusion does not apply to Medically Necessary services for the treatment of the underlying condition or Mental Health and Substance Use Disorder as required by federal law or listed as covered under the "Gender Affirming Services" provision of MEDICAL CARE THAT IS COVERED.

Cosmetic Surgery. Cosmetic surgery or other services performed solely for beautification or to alter or reshape normal (including aged) structures or tissues of the body to improve appearance. This exclusion does not apply to reconstructive surgery (that is, surgery performed to correct deformities caused by congenital or developmental abnormalities, illness, or injury for the purpose of improving bodily function or symptomatology or to create a normal appearance), including surgery performed to restore symmetry following mastectomy. Cosmetic surgery does not become reconstructive surgery because of psychological or psychiatric reasons.

Commercial Weight Loss Programs. Weight loss programs, whether or not they are pursued under medical or *physician* supervision, unless specifically listed as covered in this *plan*.

This exclusion includes, but is not limited to, commercial weight loss programs (Weight Watchers, Jenny Craig, LA Weight Loss) and fasting programs.

This exclusion does not apply to *medically necessary* treatments for morbid obesity or dietary evaluations and counseling, and behavioral modification programs for the treatment of anorexia nervosa or bulimia nervosa. Surgical treatment for morbid obesity is covered as stated in the "Bariatric Surgery" provision of MEDICAL CARE THAT IS COVERED.

Transgender Services. Services and supplies in connection with transgender services, except as specifically stated in the "Transgender Services" provision under the section MEDICAL CARE THAT IS COVERED.

Sterilization Reversal. Reversal of an elective sterilization.

Infertility Treatment. Any services or supplies furnished in connection with the diagnosis and treatment of infertility, including, but not limited to, diagnostic tests, medication, surgery, artificial insemination, in vitro fertilization, sterilization reversal, and gamete intrafallopian transfer.

In-vitro Fertilization. Services or supplies for in-vitro fertilization (IVF) for purposes of pre-implant genetic diagnosis (PGD) of embryos, regardless of whether they are provided in connection with infertility treatment.

Foot Orthotics. Foot orthotics, orthopedic shoes or footwear or support items except as specifically covered under the "Prosthetics" provision of MEDICAL CARE THAT IS COVERED.

Fraud, Waste, Abuse, and Other Inappropriate Billing. Services from a non-participating provider that are determined to be not payable as a result of fraud, waste, abuse or inappropriate billing activities. This includes a non-participating provider's failure to submit medical records required to determine the appropriateness of a claim.

Air Conditioners. Air purifiers, air conditioners, or humidifiers.

Custodial Care or Rest Cures. Inpatient room and board charges in connection with a *hospital stay* primarily for environmental change or physical therapy. *Custodial care* or rest cures, except as specifically provided under the "Hospice Care" or "Infusion Therapy" provisions of MEDICAL CARE THAT IS COVERED. Services provided by a rest home, a home for the aged, a nursing home or any similar facility. Services provided by a *skilled nursing facility*, except as specifically stated in the "Skilled Nursing Facility" provision of MEDICAL CARE THAT IS COVERED.

Health Club Memberships. Health club memberships, exercise equipment, charges from a physical fitness instructor or personal trainer, or any other charges for activities, equipment or facilities used for developing or maintaining physical fitness, even if ordered by a *physician*. This exclusion also applies to health spas.

Hospital Services Billed Separately. Services rendered by *hospital* resident *physicians* or interns that are billed separately. This includes separately billed charges for services rendered by employees of *hospitals*, labs or other institutions, and charges included in other duplicate billings.

Hyperhidrosis Treatment. Medical and surgical treatment of excessive sweating (hyperhidrosis).

Personal Items. Any supplies for comfort, hygiene or beautification.

Aids for Non-verbal Communication. Devices and computers to assist in communication and speech except for speech aid devices and tracheoesophageal voice devices approved by the *claims administrator*.

Educational or Academic Services. Services, supplies or room and board for teaching, vocational, or self-training purposes. This includes, but is not limited to boarding schools and/or the room and board and educational components of a residential program where the primary focus of the program is educational in nature rather than treatment based.

This exclusion does not apply to the *medically necessary* treatment of autism spectrum disorders, to the extent stated in the section BENEFITS FOR AUTISM SPECTRUM DISORDERS.

Food or Dietary Supplements. Nutritional and/or dietary supplements and counseling, except as provided in this *plan* or as required by law. This exclusion includes, but is not limited to, those nutritional formulas and dietary supplements that can be purchased over the counter, which by law do not require either a written prescription or dispensing by a licensed pharmacist.

Mobile/Wearable Devices. Consumer wearable / personal mobile devices such as a smart phone, smart watch, or other personal tracking devices), including any software or applications.

Facsimile Machine, and Electronic Mail Consultations. Consultations provided using facsimile machine, or electronic mail.

Routine Physicals and Immunizations. Physical exams and immunizations required for travel, enrollment in any insurance program, as a condition of employment, for licensing, sports programs, or for other purposes, which are not required by law under the "Preventive Care Services" provision of MEDICAL CARE THAT IS COVERED.

Acupuncture. Acupuncture treatment except as specifically stated in the "Acupuncture" provision of MEDICAL CARE THAT IS COVERED. Acupressure, or massage to control pain, treat illness or promote health by applying pressure to one or more specific areas of the body based on dermatomes or acupuncture points.

Eye Surgery for Refractive Defects. Any eye surgery solely or primarily for the purpose of correcting refractive defects of the eye such as nearsightedness (myopia) and/or astigmatism. Contact lenses and eyeglasses required as a result of this surgery.

Drugs Given to you by a Medical Provider. The following exclusions apply to *drugs* you receive from a medical provider:

- **Delivery Charges.** Charges for the delivery of *prescription drugs*.
- **Clinically-Equivalent Alternatives.** Certain *prescription drugs* may not be covered if you could use a clinically equivalent *drug*, unless required by law. "Clinically equivalent" means *drugs* that for most *members*, will give you similar results for a disease or condition. If you have questions about whether a certain *drug* is covered and which *drugs* fall into this group, please call the number on the back of your ID card, or visit the *claims administrator's* website at www.anthem.com/ca.

If you or your *physician* believes you need to use a different *prescription drug*, please have your *physician* or pharmacist get in touch with us. We will cover the other *prescription drug* only if we agree that it is *medically necessary* and appropriate over the clinically equivalent *drug*. We will review benefits for the *prescription drug* from time to time to make sure the *drug* is still *medically necessary*.

- **Compound Ingredients.** Compound ingredients that are not FDA-approved or do not require a prescription to dispense, and the compound medication is not essentially the same as an FDA-approved product from a drug manufacturer. Exceptions to non-FDA approved compound ingredients may include multi-source, non-proprietary vehicles and/or pharmaceutical adjuvants.
- **Drugs Contrary to Approved Medical and Professional Standards.** *Drugs* given to you or prescribed in a way that is against approved medical and professional standards of practice.
- **Drugs Over Quantity or Age Limits.** *Drugs* which are over any quantity or age limits set by the *plan* or us.
- **Drugs Over the Quantity Prescribed or Refills After One Year.** *Drugs* in amounts over the quantity prescribed or for any refill given more than one year after the date of the original *prescription*.

- **Drugs Prescribed by Providers Lacking Qualifications, Registrations and/or Certifications.** *Prescription drugs* prescribed by a provider that does not have the necessary qualifications, registrations and/or certifications as determined by us.
- **Drugs That Do Not Need a Prescription.** *Drugs* that do not need a *prescription* by federal law (including *drugs* that need a *prescription* by state law, but not by federal law), except for injectable insulin or other *drugs* provided in the “Preventive Care Services” benefit or as specified in the “Preventive Prescription Drugs and Other Items” covered under your prescription drug benefits. This exclusion does not apply to over-the-counter *drugs* that we must cover under state law, or federal law when recommended by the U.S. Preventive Services Task Force, and prescribed by a *physician*.
- **Lost or Stolen Drugs.** Refills of lost or stolen *drugs*.
- **Non-Approved Drugs.** *Drugs* not approved by the FDA.

Physical Therapy or Physical Medicine. Services of a *physician* for physical therapy or physical medicine, except when provided during a covered inpatient confinement, or as specifically stated in the "Home Health Care", "Hospice Care", "Infusion Therapy" or "Physical Therapy, Physical Medicine and Occupational Therapy" provisions of MEDICAL CARE THAT IS COVERED. This exclusion also does not apply to the *medically necessary* treatment of *mental health and substance use disorder*, or to the *medically necessary* treatment of autism spectrum disorders, to the extent stated in the section BENEFITS FOR AUTISM SPECTRUM DISORDERS.

Outpatient Prescription Drugs and Medications. Outpatient *prescription drugs* or medications and insulin, except as specifically stated in the “Infusion Therapy” or “Home Infusion Therapy” provisions of MEDICAL CARE THAT IS COVERED or under YOUR PRESCRIPTION DRUG BENEFITS section of this booklet. Non-prescription, over-the-counter patent or proprietary drugs or medicines, except as specified in “Preventive Prescription Drugs and Other Items” covered under YOUR PRESCRIPTION DRUG BENEFITS. Cosmetics, health or beauty aids. However, health aids that are *medically necessary* and meet the requirements for durable medical equipment as specified under the “Durable Medical Equipment” provision of MEDICAL CARE THAT IS COVERED, are covered, subject to all terms of this *plan* that apply to that benefit.

Specialty drugs. *Specialty drugs* that must be obtained from the specialty drug program, but, which are obtained from a retail *pharmacy* are not covered by this *plan* unless an exception is granted. **You will have to pay the full cost of the *specialty drugs* you get from a retail *pharmacy* that you should have obtained from the specialty drug program.**

Contraceptive Devices. Contraceptive devices prescribed for birth control except as specifically stated in the “Contraceptives” provision in MEDICAL CARE THAT IS COVERED.

Diabetic Supplies. Prescription and non-prescription diabetic supplies, except as specifically stated in “YOUR PRESCRIPTION DRUG BENEFITS” section of this booklet.

Private Duty Nursing. Private duty nursing services given in a *hospital* or *skilled nursing facility*. Private duty nursing services are a covered service only when given as part of the “Home Health Care” benefit.

Autopsies. Autopsies and post-mortem testing.

Lifestyle Programs. Programs to alter one’s lifestyle which may include but are not limited to diet, exercise, imagery or nutrition. This exclusion will not apply to cardiac rehabilitation programs approved by the *claims administrator*.

Clinical Trials. Any investigational *drugs* or devices, non-health services required for you to receive the treatment, the costs of managing the research, or costs that would not be a covered service under this *plan* for non-Investigative treatments, except as specifically stated in the “Clinical Trials” provision under the section MEDICAL CARE THAT IS COVERED.

BENEFITS FOR AUTISM SPECTRUM DISORDERS

Benefits are provided for behavioral health treatment for autism spectrum disorders. This coverage is provided according to the terms and conditions of this booklet that apply to all other medical conditions, except as specifically stated in this section.

Behavioral health treatment services covered under this *plan* are subject to the same deductibles, coinsurance and copayments that apply to services provided for other covered medical conditions. Services provided by Qualified Autism Service Providers, Qualified Autism Service Professionals, and Qualified Autism Service Paraprofessionals (see the “Definitions” below) will be covered under *plan* benefits that apply for outpatient office visits or other outpatient items and services. Services provided in a *facility*, such as the outpatient department of a *hospital*, will be covered under *plan* benefits that apply to such *facilities*. See also the section Mental Health and Substance Use Disorders for more detail.

Behavioral Health Treatment

The behavioral health treatment services covered by this booklet are those professional services and treatment programs, including applied behavior analysis and evidence-based behavior intervention programs, that develop or restore, to the maximum extent practicable, the functioning of an individual with autism spectrum disorder and that meet all of the following requirements:

- The treatment must be prescribed by a licensed *physician* and surgeon (an M.D. or D.O.) or developed by a licensed psychologist,
- The treatment must be provided under a treatment plan prescribed by a Qualified Autism Service Provider and administered by one of the following: (a) Qualified Autism Service Provider, (b) Qualified Autism Service Professional supervised by the Qualified Autism Service Provider, or (c) Qualified Autism Service Paraprofessional supervised by a Qualified Autism Service Provider or Qualified Autism Service Professional, and
- The treatment plan must have measurable goals over a specific timeline and be developed and approved by the Qualified Autism Service Provider for the specific patient being treated. The treatment plan must be reviewed no less than once every six months by the Qualified Autism Service Provider and modified whenever appropriate, and must be consistent with applicable state law that imposes requirements on the provision of applied behavioral analysis services and intensive behavioral intervention services to certain persons pursuant to which the Qualified Autism Service Provider does all of the following:
 - Describes the patient's behavioral health impairments to be treated,
 - Designs an intervention plan that includes the service type, number of hours, and parental participation needed (if any) to achieve the intervention plan's goal and objectives, and the frequency at which the patient's progress is evaluated and reported,
 - Provides intervention plans that utilize evidence-based practices, with demonstrated clinical efficacy in treating autism spectrum disorders, and
 - Discontinues intensive behavioral intervention services when the treatment goals and objectives are achieved or no longer appropriate.

- The treatment plan must not be used for purposes of providing or for the reimbursement of respite care, day care, or educational services, and must not be used to reimburse a parent for participating in the treatment program. The treatment plan must be made available to us upon request.

Our network of *participating providers* is limited to licensed Qualified Autism Service Providers who contract with Anthem and who may supervise and employ Qualified Autism Service Professionals or Paraprofessionals who provide and administer behavioral health treatment.

For purposes of this section, the following definitions apply:

Applied Behavior Analysis means the design, implementation, and evaluation of systematic instructional and environmental modifications to promote positive social behaviors and reduce or ameliorate behaviors which interfere with learning and social interaction.

Intensive Behavioral Intervention means any form of Applied Behavioral Analysis that is comprehensive, designed to address all domains of functioning, and provided in multiple settings, across all settings, depending on the individual's needs and progress. Interventions can be delivered in a one-to-one ratio or small group format, as appropriate.

Autism spectrum disorders means one or more of the disorders defined in the most recent edition of the Diagnostic and Statistical Manual of Mental Disorders.

Qualified Autism Service Paraprofessional is an unlicensed and uncertified individual who meets all of the following requirements:

- Is supervised by a Qualified Autism Service Provider or Qualified Autism Service Professional at a level of clinical supervision that meets professionally recognized standards of practice,
- Provides treatment and implements services pursuant to a treatment plan developed and approved by the Qualified Autism Service Provider,
- Meets the education and training qualifications described in Section 54342 of Title 17 of the California Code of Regulations,
- Has adequate education, training, and experience, as certified by a Qualified Autism Service Provider or an entity or group that employs Qualified Autism Service Providers, and

- Is employed by the Qualified Autism Service Provider or an entity or group that employs Qualified Autism Service Providers responsible for the autism treatment plan.

Qualified Autism Service Professional is a Provider who meets all of the following requirements:

- Provides behavioral health treatment, which may include clinical case management and case supervision under the direction and supervision of a Qualified Autism Service Provider,
- Is supervised by a Qualified Autism Service Provider,
- Provides treatment according to a treatment plan developed and approved by the Qualified Autism Service Provider,
- Is either of the following:
 - A behavioral service provider who meets the education and experience qualifications described in Section 54342 of Title 17 of the California Code of Regulations for an associate behavior analyst, behavior analyst, behavior management assistant, behavior management consultant, or behavior management program,
 - A psychological associate, an associate marriage and family therapist, an associate clinical social worker, or an associate professional clinical counselor, as defined and regulated by the Board of Behavioral Sciences or the Board of Psychology.
- Has training and experience in providing services for autism spectrum disorders pursuant to Division 4.5 (commencing with Section 4500) of the Welfare and Institutions Code or Title 14 (commencing with Section 95000) of the Government Code, and
- Is employed by the Qualified Autism Service Provider or an entity or group that employs Qualified Autism Service Providers responsible for the autism treatment plan.

Qualified Autism Service Provider is either of the following:

- A person who is certified by a national entity, such as the Behavior Analyst Certification Board, with a certification that is accredited by the National Commission for Certifying Agencies, and who designs, supervises, or provides treatment for autism spectrum disorders, provided the services are within the experience and competence of the person who is nationally certified; or
- A person licensed as a Physician and surgeon (M.D. or D.O.), physical therapist, occupational therapist, psychologist, marriage and family

therapist, educational psychologist, clinical social worker, professional clinical counselor, speech-language pathologist, or audiologist pursuant to state law, who designs, supervises, or provides treatment for autism spectrum disorders, provided the services are within the experience and competence of the licensee.

You must obtain precertification for all behavioral health treatment services for the treatment of autism spectrum disorders in order for these services to be covered (see the “Utilization Review Program” section for details).

SUBROGATION AND REIMBURSEMENT

These Subrogation and Reimbursement provisions apply when the Plan pays benefits as a result of injuries or illnesses You sustained, and You have a right to a Recovery or have received a Recovery from any source.

Definitions

As used in these Subrogation and Reimbursement provisions, “You” or “Your” includes anyone on whose behalf the plan pays benefits. These Subrogation and Reimbursement provisions apply to all current or former plan participants and plan beneficiaries. The provisions also apply to the parents, guardian, or other representative of a dependent child who incurs claims and is or has been covered by the Plan. The Plan’s rights under these provisions shall also apply to the personal representative or administrator of Your estate, Your heirs or beneficiaries, minors, and legally incompetent or disabled persons. If the covered person is a minor, any amount recovered by the minor, the minor’s trustee, guardian, parent, or other representative, shall be subject to these Subrogation and Reimbursement provisions. Likewise, if the covered person’s relatives, heirs, and/or assignees make any Recovery because of injuries sustained by the covered person, or because of the death of the covered person, that Recovery shall be subject to this provision, regardless of how any Recovery is allocated or characterized.

As used in these Subrogation and Reimbursement provisions, “Recovery” includes, but is not limited to, monies received from any person or party, any person’s or party’s liability insurance coverage, uninsured motorist coverage, underinsured motorist coverage, personal umbrella coverage, workers’ compensation insurance or fund, premises medical payments coverage, restitution, or “no-fault” or personal injury protection insurance and/or automobile medical payments coverage, or any other first or third party insurance coverage, whether by lawsuit, settlement or otherwise. Regardless of how You or Your representative or any agreements allocate or characterize the money You receive as a Recovery, it shall be subject to these provisions.

Subrogation

Immediately upon paying or providing any benefit under the Plan, the Plan shall be subrogated to, or stand in the place of, all of Your rights of recovery with respect to any claim or potential claim against any party, due to an injury, illness or condition to the full extent of benefits provided or to be provided by the Plan. The Plan has the right to recover payments it makes on Your behalf from any party or insurer responsible for compensating You for Your illnesses or injuries. The Plan has the right to take whatever legal action it sees fit against any person, party, or entity to recover the benefits paid under the Plan. The Plan may assert a claim or file suit in Your name and take appropriate action to assert its subrogation claim, with or without Your consent. The Plan is not required to pay You part of any recovery it may obtain, even if it files suit in Your name.

Reimbursement

If You receive any payment as a result of an injury, illness or condition, You agree to reimburse the Plan first from such payment for all amounts the Plan has paid and will pay as a result of that injury, illness or condition, up to and including the full amount of Your recovery. If You obtain a Recovery and the Plan has not been repaid for the benefits the Plan paid on Your behalf, the Plan shall have a right to be repaid from the Recovery in the amount of the benefits paid on Your behalf. You must promptly reimburse the Plan from any Recovery to the extent of benefits the Plan paid on Your behalf regardless of whether the payments You receive make You whole for Your losses, illnesses and/or injuries.

Secondary to Other Coverage

The Plan shall be secondary in coverage to any medical payments provision, no-fault automobile insurance policy, or personal injury protection policy regardless of any election made by You to the contrary. The Plan shall also be secondary to any excess insurance policy, including, but not limited to, school and/or athletic policies. This provision applies notwithstanding any coordination of benefits term to the contrary.

Assignment

In order to secure the Plan's rights under these Subrogation and Reimbursement Provisions, You agree to assign to the Plan any benefits or claims or rights of recovery You have under any automobile policy or other coverage, to the full extent of the Plan's subrogation and reimbursement claims. This assignment allows the Plan to pursue any claim You may have regardless of whether You choose to pursue the claim.

Applicability to All Settlements and Judgments

Notwithstanding any allocation or designation of Your Recovery made in any settlement agreement, judgment, verdict, release, or court order, the Plan shall have a right of full recovery, in first priority, against any Recovery You make. Furthermore, the Plan's rights under these Subrogation and Reimbursement provisions will not be reduced due to Your own negligence. The terms of these Subrogation and Reimbursement provisions shall apply and the Plan is entitled to full recovery regardless of whether any liability for payment is admitted and regardless of whether the terms of any settlement, judgment, or verdict pertaining to Your Recovery identify the medical benefits the Plan provided or purport to allocate any portion of such Recovery to payment of expenses other than medical expenses. The Plan is entitled to recover from any Recovery, even those designated as being for pain and suffering, non-economic damages, and/or general damages only.

Constructive Trust

By accepting benefits from the Plan, You agree that if You receive any payment as a result of an injury, illness or condition, You will serve as a constructive trustee over those funds. You and Your legal representative must hold in trust for the Plan the full amount of the Recovery to be paid to the Plan immediately upon receipt. Failure to hold such funds in trust will be deemed a breach of your fiduciary duty to the Plan. Any Recovery You obtain must not be dissipated or disbursed until such time as the Plan has been repaid in accordance with these Subrogation and Reimbursement provisions.

Lien Rights

The Plan will automatically have a lien to the extent of benefits paid by the Plan for the treatment of Your illness, injury or condition upon any Recovery related to treatment for any illness, injury or condition for which the Plan paid benefits. The lien may be enforced against any party who possesses funds or proceeds from Your Recovery including, but not limited to, you, your representative or agent, and/or any other source possessing funds from Your Recovery. You and Your legal representative acknowledge that the portion of the Recovery to which the Plan's equitable lien applies is a Plan asset. The Plan shall be entitled to equitable relief, including without limitation restitution, the imposition of a constructive trust or an injunction, to the extent necessary to enforce the Plan's lien and/or to obtain (or preclude the transfer, dissipation or disbursement of) such portion of any Recovery in which the Plan may have a right or interest.

First-Priority Claim

By accepting benefits from the Plan, You acknowledge the Plan's rights under these Subrogation and Reimbursement provisions are a first priority claim and are to be repaid to the Plan before You receive any Recovery for your damages. The Plan shall be entitled to full reimbursement on a first-dollar basis from any Recovery, even if such payment to the Plan will result in a Recovery which is insufficient to make You whole or to compensate You in part or in whole for the losses, injuries, or illnesses You sustained. The "made-whole" rule does not apply. To the extent that the total assets from which a Recovery is available are insufficient to satisfy in full the Plan's subrogation claim and any claim held by You, the Plan's subrogation claim shall be first satisfied before any part of a Recovery is applied to Your claim, Your attorney fees, other expenses or costs. The Plan is not responsible for any attorney fees, attorney liens, other expenses or costs You incur. The "common fund" doctrine does not apply to any funds recovered by any attorney You hire regardless of whether funds recovered are used to repay benefits paid by the Plan.

Cooperation

You agree to cooperate fully with the Plan's efforts to recover benefits paid. The duty to cooperate includes, but is not limited to, the following:

- You must promptly notify the Plan of how, when and where an accident or incident resulting in personal injury or illness to You occurred, all information regarding the parties involved and any other information requested by the Plan.
- You must notify the plan within 30 days of the date when any notice is given to any party, including an insurance company or attorney, of Your intention to pursue or investigate a claim to recover damages or obtain compensation due to Your injury, illness or condition.
- You must cooperate with the Plan in the investigation, settlement and protection of the Plan's rights. In the event that You or Your legal representative fails to do whatever is necessary to enable the Plan to exercise its subrogation or reimbursement rights, the Plan shall be entitled to deduct the amount the Plan paid from any future benefits under the Plan.
- You and your agents shall provide all information requested by the Plan, the Claims Administrator or its representative including, but not limited to, completing and submitting any applications or other

forms or statements as the Plan may reasonably request and all documents related to or filed in personal injury litigation.

- You recognize that to the extent that the Plan paid or will pay benefits under a capitated agreement, the value of those benefits for purposes of these provisions will be the reasonable value of those payments or the actual paid amount, whichever is higher.
- You must not do anything to prejudice the Plan's rights under these Subrogation and Reimbursement provisions. This includes, but is not limited to, refraining from making any settlement or recovery that attempts to reduce or exclude the full cost of all benefits provided by the Plan.
- You must send the Plan copies of all police reports, notices or other papers received in connection with the accident or incident resulting in personal injury or illness to You.
- You must promptly notify the Plan if You retain an attorney or if a lawsuit is filed on Your behalf.
- You must immediately notify the Plan if a trial is commenced, if a settlement occurs or if potentially dispositive motions are filed in a case.

In the event that You or Your legal representative fails to do whatever is necessary to enable the Plan to exercise its rights under these Subrogation and Reimbursement provisions, the Plan shall be entitled to deduct the amount the Plan paid from any future benefits under the Plan.

If You fail to repay the Plan, the Plan shall be entitled to deduct any of the unsatisfied portion of the amount of benefits the Plan has paid or the amount of Your Recovery whichever is less, from any future benefit under the Plan if:

1. The amount the Plan paid on Your behalf is not repaid or otherwise recovered by the Plan; or
2. You fail to cooperate.

In the event You fail to disclose the amount of Your settlement to the Plan, the Plan shall be entitled to deduct the amount of the Plan's lien from any future benefit under the Plan.

The Plan shall also be entitled to recover any of the unsatisfied portion of the amount the Plan has paid or the amount of Your Recovery, whichever is less, directly from the Providers to whom the Plan has made payments

on Your behalf. In such a circumstance, it may then be Your obligation to pay the Provider the full billed amount, and the Plan will not have any obligation to pay the Provider or reimburse You.

You acknowledge the Plan has the right to conduct an investigation regarding the injury, illness or condition to identify potential sources of recovery. The Plan reserves the right to notify all parties and their agents of its lien. Agents include, but are not limited to, insurance companies and attorneys.

You acknowledge the Plan has notified you that it has the right pursuant to the Health Insurance Portability & Accountability Act ("HIPAA"), 42 U.S.C. Section 1301 *et seq*, to share Your personal health information in exercising these Subrogation and Reimbursement provisions.

The Plan is entitled to recover its attorney's fees and costs incurred in enforcing its rights under these Subrogation and Reimbursement provisions.

Discretion

The Plan Administrator has sole discretion to interpret the terms of the Subrogation and Reimbursement provisions of this Plan in its entirety and reserves the right to make changes as it deems necessary.

YOUR PRESCRIPTION DRUG BENEFITS

PRESCRIPTION DRUG COVERED EXPENSE

Prescription drug covered expense is the maximum charge for each covered service or supply that will be accepted for each different type of *pharmacy*. It is not necessarily the amount a *pharmacy* bills for the service.

You may avoid higher out-of-pocket expenses by choosing a *participating pharmacy*, or by utilizing the home delivery program whenever possible. In addition, you may also reduce your costs by asking your *physician*, and your pharmacist, for the more cost-effective *generic* form of *prescription drugs*.

Prescription drug covered expense will always be the lesser of the billed charge or the *prescription drug maximum allowed amount*. Expense is incurred on the date you receive the *drug* for which the charge is made.

When you choose a *participating pharmacy*, the *pharmacy benefits manager* will subtract any expense which is not covered under your *prescription drug* benefits. The remainder is the amount of *prescription drug covered expense* for that claim. You will not be responsible for any

amount in excess of the *prescription maximum allowed amount* for the covered services of a *participating pharmacy*.

When the *pharmacy benefits manager* receives a claim for *drugs* supplied by a *non-participating pharmacy*, they first subtract any expense which is not covered under your *prescription drug* benefits, and then any expense exceeding the *prescription maximum allowed amount*. The remainder is the amount of *prescription drug covered expense* for that claim.

You will always be responsible for expense incurred which is not covered under this *plan*.

PRESCRIPTION DRUG CO-PAYMENTS

CO-PAYMENTS

After the *pharmacy benefits manager* determines *prescription drug covered expense*, they will subtract your Prescription Drug Co-Payment for each *prescription*.

If your Prescription Drug Co-Payment includes a percentage of *prescription drug covered expense*, then the *pharmacy benefits manager* will apply that percentage to such expense. This will determine the dollar amount of your Prescription Drug Co-Payment.

The Prescription Drug Co-Payments is set forth in the SUMMARY OF BENEFITS.

HOW TO USE YOUR PRESCRIPTION DRUG BENEFITS

When You Go to a Participating Pharmacy. To identify you as a *member* covered for *prescription drug* benefits, you will be issued an ID card. You must present this card to *participating pharmacies* when you have a *prescription* filled. Provided you have properly identified yourself as a *member*, a *participating pharmacy* will only charge your Co-Payment.

Generic drugs will be dispensed by *participating pharmacies* when the *prescription* indicates a *generic drug*. When a *brand name drug* is specified, but a *generic drug* equivalent exists, the *generic drug* will be substituted. *Brand name drugs* will be dispensed by *participating pharmacies* when the *prescription* specifies a *brand name* and states “dispense as written” or no *generic drug* equivalent exists.

For information on how to locate a *participating pharmacy* in your area, call the number on the back of your ID card.

Please note that presentation of a prescription to a pharmacy or pharmacist does not constitute a claim for benefit coverage. If you present a *prescription* to a *participating pharmacy*, and the *participating pharmacy* indicates your *prescription* cannot be filled, or requires an

additional Co-Payment, this is not considered an adverse claim decision. If you want the *prescription* filled, you will have to pay either the full cost, or the additional Co-Payment, for the *prescription drug*. If you believe you are entitled to some *plan* benefits in connection with the *prescription drug*, submit a claim for reimbursement to the *pharmacy benefits manager* at the address shown below:

Prescription Drug Program
ATTN: Commercial Claims
P.O. Box 2872
Clinton, IA 52733-2872

Participating pharmacies usually have claims forms, but, if the *participating pharmacy* does not have claim forms, claim forms and Member Services are available by calling the number on the back of your ID Card. Mail your claim, with the appropriate portion completed by the pharmacist, to the *pharmacy benefits manager* within 90 days of the date of purchase. If it is not reasonably possible to submit the claim within that time frame, an extension of up to 12 months will be allowed.

Important Note: If the *claims administrator* determines that you may be using *prescription drugs* in a harmful or abusive manner, or with harmful frequency, your selection of *participating pharmacies* may be limited. If this happens, the *plan* may require you to select a single *participating pharmacy* that will provide and coordinate all future pharmacy services. Benefits will only be paid if you use the single *participating pharmacy*. The *claims administrator* will contact you if they determine that use of a single *participating pharmacy* is needed and give you options as to which *participating pharmacy* you may use. If you do not select one of the *participating pharmacies* that the *plan* offers within 31 days, the *claims administrator* will select a single *participating pharmacy* for you. If you disagree with the *claims administrator's* decision, you may file complaint as described in the COMPLAINT NOTICE.

In addition, if the *claims administrator* determines that you may be using *controlled substance prescription drugs* in a harmful or abusive manner, or with harmful frequency, your selection of *participating providers* for *controlled substance prescriptions* may be limited. If this happens, the *claims administrator* may require you to select a single *participating provider* that will provide and coordinate all *controlled substance prescriptions*. Benefits for *controlled substance prescriptions* will only be paid if you use the single *participating provider*. The *claims administrator* will contact you if it determines that use of a single *participating provider* is needed and give you options as to which *participating provider* you may use. If you do not select one of the *participating providers* that is offered within 31 days, the *claims administrator* will select a single *participating*

provider for you. If you disagree with the *claims administrator's* decision, you may file complaint as described in the COMPLAINT NOTICE.

When You Go to a Non-Participating Pharmacy. If you purchase a *prescription drug* from a *non-participating pharmacy*, you will have to pay the full cost of the *drug* and submit a claim to the *claims administrator*, at the address below:

**Prescription Drug Program
ATTN: Commercial Claims
P.O. Box 2872
Clinton, IA 52733-2872**

Non-participating pharmacies do not have the necessary prescription drug claim forms. You must take a claim form with you to a *non-participating pharmacy*. The pharmacist must complete the *pharmacy's* portion of the form and sign it.

Claim forms and Member Services are available by calling the number on the back of your ID card. Mail your claim with the appropriate portion completed by the pharmacist to the *claims administrator* within 90 days of the date of purchase. If it is not reasonably possible to submit the claim within that time frame, an extension of up to 12 months will be allowed.

When You are Out of State. If you need to purchase a *prescription drug* out of the state of California, you may locate a *participating pharmacy* by calling the number on the back of your ID card. If you cannot locate a *participating pharmacy*, you must pay for the *drug* and submit a claim to the *claims administrator*. (See "When You Go to a Non-Participating Pharmacy" above.)

When You Order Your Prescription Through the Home Delivery Program. You can order your *prescription* through the home delivery *prescription drug* program. Not all medications are available through the home delivery pharmacy. You can have your *physician* send *prescriptions* electronically, via fax or phone call, or you can submit written *prescriptions* from your *physician* to the home delivery *prescription drug* program.

The *prescription* must state the drug name, dosage, directions for use, quantity, the *physician's* name and phone number, the patient's name and address, and be signed by a *physician*. You must submit it with the appropriate payment for the amount of the purchase, and a properly completed order form. You need only pay the cost of your Co-Payment.

Your first home delivery *prescription* must also include a completed Patient Profile questionnaire. The Patient Profile questionnaire can be obtained by calling the toll-free number on your ID card. You need only enclose the *prescription* or refill notice, and the appropriate payment for any subsequent home delivery prescriptions, or call the toll-free number. Co-payments can be paid by check, money order or credit card.

Order forms can be obtained by calling the number on the back of your ID card to request one. The form is also available on-line at www.anthem.com/ca.

When You Order Your Prescription Through Specialty Drug Program.

Certain specified *specialty drugs* must be obtained through the specialty drug program unless you are given an exception from the specialty drug program (see PRESCRIPTION DRUG CONDITIONS OF SERVICE). These specified *specialty drugs* that must be obtained through the Specialty Drug Program are limited up to a 30-day supply. The Specialty Drug Program will deliver your medication to you by mail or common carrier (you cannot pick up your medication at Anthem Blue Cross Life and Health).

The *prescription* for the *specialty drug* must state the drug name, dosage, directions for use, quantity, the *physician's* name and phone number, the patient's name and address, and be signed by a *physician*.

You or your *physician* may order your *specialty drug* by calling the number on the back of your ID card. When you call the Specialty Drug Program, a Dedicated Care Coordinator will guide you through the process up to and including actual delivery of your *specialty drug* to you. (If you order your *specialty drug* by telephone, you will need to use a credit card or debit card to pay for it.) You may also submit your *specialty drug prescription* with the appropriate payment for the amount of the purchase (you can pay by check, money order, credit card or debit card), and a properly completed order form to the Specialty Drug Program. Once you have met your deductible, if any, you will only have to pay the cost of your Co-Payment.

The first time you get a *prescription* for a *specialty drug* you must also include a completed Intake Referral Form. The Intake Referral Form is to be completed by calling the toll-free number below. You need only enclose the *prescription* or refill notice, and the appropriate payment for any subsequent *specialty drug prescriptions*, or call the toll-free number. Co-payments can be made by check, money order, credit card or debit card.

You or your *physician* may obtain order forms or a list of *specialty drugs* that must be obtained through specialty pharmacy program by contacting

Member Services at the number listed on your ID card or online at www.anthem.com/ca.

Specified *specialty drugs* must be obtained through the Specialty Pharmacy Program. When these specified *specialty drugs* are not obtained through the Specialty Pharmacy Program, and you do not have an exception, you will not receive any benefits for these *drugs* under this plan.

PRESCRIPTION DRUG UTILIZATION REVIEW

Your *prescription drug* benefits include utilization review of *prescription drug* usage for your health and safety. Certain *drugs* may require prior authorization. If there are patterns of over-utilization or misuse of *drugs*, the *claims administrator's* medical consultant will notify your personal *physician* and your pharmacist. The *claims administrator* reserves the right to limit benefits to prevent over-utilization of *drugs*.

PRESCRIPTION DRUG FORMULARY

The presence of a *drug* on the *plan's prescription drug formulary* list does not guarantee that you will be prescribed that *drug* by your *physician*. These medications, which include both generic and *brand name drugs*, are listed in the *prescription drug formulary*. The *formulary* is updated quarterly to ensure that the list includes *drugs* that are safe and effective.

Note: The *formulary drugs* may change from time to time.

Some *drugs* may require prior authorization. If you have a question regarding whether a particular *drug* is on the *formulary drug* list or requires prior authorization please call the number on the back of your ID card. Information about the *drugs* on the *formulary drug* list is also available on the *claims administrator's* internet website www.anthem.com/ca.

Exception request for a drug not on the prescription drug formulary (non-formulary exceptions).

Your *prescription drug* benefit covers *drugs* listed in a *prescription drug formulary*. This *prescription drug formulary* contains a limited number of *prescription drugs*, and may be different than the *prescription drug formulary* for other Anthem products. **In cases where your *physician* prescribes a medication that is not on the *prescription drug formulary*, it may be necessary to obtain a non-formulary exception in order for the *prescription drug* to be a covered benefit. Your *physician* must complete a non-formulary exception form and return it to the *claims administrator*. You or your *physician* can get the form online at www.anthem.com or by calling the number listed on the back of your ID card.**

When the *claims administrator* receives a non-formulary exception request, they will make a coverage decision within a certain period of time, depending on whether exigent circumstances exist.

Exigent circumstances exist if you are suffering from a health condition that may seriously jeopardize your life, health, or ability to regain maximum function, or if you are undergoing a current course of treatment using a drug not covered by the *plan*. In this case, the *claims administrator* will make a coverage decision within 24 hours of receiving your request. If the *drug* is approved, coverage of the *drug* will be provided for the duration of the exigency. If the *drug* coverage is denied, you have the right to request an external review.

When exigent circumstances do not exist, the *claims administrator* will make a coverage decision within 72 hours of receiving your request. If the *drug* is approved, coverage of the *drug* will be provided for the duration of the *prescription*, including refills. If the *drug* coverage is denied, you have the right to request an external review.

Requesting a non-formulary exception does not affect your right to submit an appeal.

Coverage of a *drug* approved as a result of your request or your *physician's* request for an exception will only be provided if you are a *member* enrolled under the *plan*.

As part of your *drug* benefit, you may be required to try an AB-rated generic equivalent, *biosimilar (interchangeable biosimilar product)* before receiving coverage for the equivalent *brand name drug*.

Prior Authorization. *Physicians* must obtain prior authorization in order for you to get benefits for certain *prescription drugs*. At times, your *physician* will initiate a prior authorization on your behalf before your *pharmacy* fills your prescription. At other times, the *pharmacy* may make you or your *physician* aware that a prior authorization or other information is needed. In order to determine if the *prescription drug* is eligible for coverage, the following criteria has been established.

The criteria, which are called drug edits, may include requirements regarding one or more of the following:

- Specific clinical criteria and/or recommendations made by state or federal agencies (including, but not limited to, requirements regarding age, test result requirements, presence of a specific condition or disease, quantity, dose and/or frequency of administration);

- Specific provider qualifications including, but not limited to, REMS certification (Risk, Evaluation and Mitigation Strategies) as recommended by the FDA;
- Step therapy requiring one *drug*, *drug* regimen, or treatment be used prior to use of another *drug*, *drug* regimen, or treatment for safety and/or cost-effectiveness when clinically similar results may be anticipated;
- Use of a *prescription drug formulary* which is a list of FDA-approved *drugs* that have been reviewed and recommended for use based on their quality and cost effectiveness.

You or your *physician* can get the list of the *prescription drug* that require prior authorization by calling the phone number on the back of your ID card or check the *claims administrator's* website at www.anthem.com. The list will be reviewed and updated from time to time. Including a *prescription drug* or related item on the list does not guarantee coverage under your *plan*. Your *physician* may check with the *claims administrator* to verify *prescription drug* coverage, to find out which *prescription drug* are covered under this section and if any drug edits apply.

In order for you to get a *drug* that requires prior authorization, your *physician* must send a written request to the *claims administrator* for the drug using the required uniform prior authorization request form. If you're requesting an exception to the step therapy process, your *physician* must use the same form. The request, for either prior authorization or step therapy exceptions, can be facsimiled, mailed or submitted electronically to the *claims administrator*. If your *physician* needs a copy of the request form, he or she may call the *claims administrator* at the number on the back of your ID card to request one. The form is also available on-line at www.anthem.com/ca.

Upon receiving the completed uniform prior authorization request form, the *claims administrator* will review the request and respond within the following time periods:

- 72 hours for non-urgent requests, and
- 24 hours if exigent circumstances exist. Exigent circumstances exist if you are suffering from a health condition that may seriously jeopardize your life, health, or ability to regain maximum function, or if you are undergoing a current course of treatment using a *drug* not covered by the *plan*.

While the *claims administrator* is reviewing the request, a 72-hour emergency supply of medication may be dispensed to you if your *physician* or pharmacist determines that it is appropriate and *medically necessary*. You may have to pay the applicable co-payment shown in

SUMMARY OF BENEFITS: PRESCRIPTION DRUG BENEFITS: PRESCRIPTION DRUG CO-PAYMENTS for the 72-hour supply of your *drug*. If the *plan* approves the request for the *drug* after you have received a 72-hour supply, you will receive the remainder of the 30-day supply of the *drug* with no additional co-payment.

If you have any questions regarding whether a *drug* is on the *prescription drug formulary*, or requires prior authorization, please call the number on the back of your ID card.

If the *claims administrator* denies a request for prior authorization of a *drug*, you or your prescribing *physician* may appeal the decision by calling the number on the back of your ID card.

Revoking or modifying a prior authorization. A prior authorization of benefits for *prescription drugs* may be revoked or modified prior to your receiving the *drugs* for reasons including but not limited to the following:

- Your coverage under this *plan* ends;
- The *plan* with the *plan administrator* terminates;
- You reach a benefit maximum that applies to *prescription drugs*, if the *plan* includes such a maximum;
- Your *prescription drug* benefits under the *plan* change so that *prescription drugs* are no longer covered or are covered in a different way.

A revocation or modification of a prior authorization of benefits for *prescription drugs* applies only to unfilled portions or remaining refills of the *prescription*, if any, and not to *drugs* you have already received.

New drugs and changes in the *prescription drugs* covered by the *plan*. The outpatient *prescription drugs* included on the list of *formulary drugs* covered by the *plan* is decided by the *Pharmacy and Therapeutics Process*, which is comprised of independent nurses, *physicians* and pharmacists. The *Pharmacy and Therapeutics Process* meets quarterly and decides on changes to make in the *formulary drug* list based on recommendations from the *claims administrator* and a review of relevant information, including current medical literature.

PREVENTIVE PRESCRIPTION DRUGS AND OTHER ITEMS

Your *prescription drug* benefits include certain preventive *drugs*, medications, and other items as listed below that may be covered under this *plan* as *preventive care services*. In order to be covered as a *preventive care service*, these items must be prescribed by a *physician* and obtained from a *participating pharmacy* or through the home delivery

program. This includes items that can be obtained over the counter for which a *physician's* prescription is not required by law.

When these items are covered as *preventive care services*, the Calendar Year Deductible, if any, will not apply and no co-payment will apply. In addition, any separate deductible that applies to *prescription drugs* will not apply.

- All FDA-approved contraceptives for women, including oral contraceptives, diaphragms, patches, and over-the-counter contraceptives. In order to be covered as a *preventive care service*, in addition to the requirements stated above, contraceptive *prescription drugs* must be *generic* oral contraceptives or *brand name drugs*.
- Vaccinations prescribed by a *physician* and obtained from a *participating pharmacy*.
- Tobacco cessation *drugs*, medications, and other items for *members* age 18 and older as recommended by the United States Preventive Services Task Force including:
 - *Prescription drugs* to eliminate or reduce dependency on, or addiction to, tobacco and tobacco products.
 - FDA-approved smoking cessation products including over-the-counter (OTC) nicotine gum, lozenges and patches when obtained with a *physician's* prescription.
- Aspirin to reduce the risk of heart attack or stroke, for men ages 45-79 and women ages 55-79.
- Aspirin after 12 weeks of gestation in pregnant women who are at high risk for preeclampsia.
- *Generic* low to moderate dose statins for *members* that are 40-75 years and have one or more risk factors for cardiovascular disease.
- Folic acid supplementation for women age 55 years and younger (folic acid supplement or a multivitamin).
- Medications for risk reduction of primary breast cancer in women (such as tamoxifen or raloxifene) for women who are at increased risk for breast cancer and at low risk for adverse medication effects.
- Bowel preparations when prescribed for a preventive colon screening.
- Fluoride supplements for children from birth through 6 years old (drops or tablets).

- Dental fluoride varnish to prevent tooth decay of primary teeth for children from birth to 5 years old.

PRESCRIPTION DRUG CONDITIONS OF SERVICE

To be covered, the *drug* or medication must satisfy all of the following requirements:

1. It must be prescribed by a licensed prescriber and be dispensed within one year of being prescribed, subject to federal and state laws. This requirement will not apply to covered vaccinations provided at a *participating pharmacy*.
2. It must be approved for general use by the Food and Drug Administration (FDA).
3. It must be for the direct care and treatment of your illness, injury or condition. Dietary supplements, health aids or drugs for cosmetic purposes are not included. However the following items are covered:
 - a. Formulas prescribed by a *physician* for the treatment of phenylketonuria.
 - b. Vaccinations provided at a *participating pharmacy* as specified under PREVENTIVE PRESCRIPTION DRUGS AND OTHER ITEMS, subject to all terms of this *plan* that apply to those benefits.
 - c. Vitamins, supplements, and health aids as specified under PREVENTIVE PRESCRIPTION DRUGS AND OTHER ITEMS, subject to all terms of this *plan* that apply to those benefits.
4. It must be dispensed from a licensed retail *pharmacy*, through the home delivery program or through the specialty drug program.
5. **If it is an approved *compound medication*, be dispensed by a participating *pharmacy*.** Call the number on the back of your ID card to find out where to take your prescription for an approved *compound medication* to be filled. (You can also find a participating *pharmacy* at www.anthem.com/ca.) **Some compound medications must be approved before you can get them (See PRESCRIPTION DRUG FORMULARY: PRIOR AUTHORIZATION). You will have to pay the full cost of the compound medications you get from a pharmacy that is not a participating pharmacy.**
6. **If it is a specified *specialty drug*, be obtained by using the specialty drug program.** See the section HOW TO USE YOUR PRESCRIPTION DRUG BENEFITS: WHEN YOU ORDER YOUR PRESCRIPTION THROUGH SPECIALTY DRUG PROGRAM for how to get your *drugs* by using the specialty drug program. **You will have to pay the full cost of any specialty drugs you get from a retail pharmacy that you should**

have obtained from the specialty drug program. If you order a *specialty drug* that must be obtained using the specialty pharmacy program through the home delivery program, it will be forwarded to the specialty drug program for processing and will be processed according to specialty drug program rules.

- For maintenance medications, you may obtain the first 30-day supply and one 30-day refill of the same maintenance drug at your local drugstore. Thereafter, you must utilize the home delivery program or a designated maintenance drugstore (e.g., Walmart, Costco, Sam's Club, Albertsons, Vons, Pavilions, Safeway, or Ralphs) to receive the member drugstore level of benefits. Failure to use the home delivery program or a designated maintenance drugstore for maintenance medications will result in the medication not being covered under the plan.

Exceptions to specialty drug program. This requirement does not apply to:

- a. The first month supply of a specified *specialty drug* which is available through a participating retail *pharmacy*;
- b. *Drugs*, which due to medical necessity, must be obtained immediately;
- c. A *member* who is unable to pay for delivery of their medication (i.e., no credit card); or
- d. A *member* for whom, according to the Coordination of Benefit rules, this *plan* is not the primary plan.

How to obtain an exception to the specialty drug program. If you believe that you should not be required to get your medication through the specialty drug program, for any of the reasons listed above, except for d., you must complete an Exception to Specialty Drug Program form to request an exception and send it to the *claims administrator*. The form can be faxed or mailed to the *claims administrator*. If you need a copy of the form, you may call the number on the back of your ID card to request one. You can also get the form on-line at www.anthem.com/ca. If the *claims administrator* has given you an exception, it will be good for a limited period of time based on the reason for the exception. When the exception period ends, if you believe that you should still not be required to get your medication through the specialty drug program, you must again request an exception. If your request for an exception is denied, it will be in writing and will tell you why they did not approve the exception.

Urgent or emergency need of a *specialty drug* subject to the specialty drug program. If you are out of a *specialty drug* which must be obtained through the specialty drug program, the *claims administrator* will authorize an override of the specialty drug program requirement for 72-hours, or until the next business day following a holiday or weekend, to allow you to get an emergency supply of medication if your doctor decides that it is appropriate and *medically necessary*. You may have to pay the applicable co-payment shown under SUMMARY OF BENEFITS: PRESCRIPTION DRUG BENEFITS: PRESCRIPTION DRUG CO-PAYMENTS for the 72-hour supply of your *drug*.

If you order your *specialty drug* through the specialty drug program and it does not arrive, if your *physician* decides that it is *medically necessary* for you to have the *drug* immediately, the *claims administrator* will authorize an override of the specialty drug program requirement for 30-day supply or less, to allow you to get an emergency supply of medication from a *participating pharmacy* near you. A Dedicated Care Coordinator from the specialty drug program will coordinate the exception and you will not be required to make an additional co-payment.

7. It must not be used while you are confined in a *hospital, skilled nursing facility*, rest home, sanitarium, convalescent hospital, or similar facility. Also, it must not be dispensed in or administered by a *hospital, skilled nursing facility*, rest home, sanitarium, convalescent hospital, or similar facility. Other *drugs* that may be prescribed by your *physician* while you are confined in a rest home, sanitarium, convalescent hospital or similar facility, may be purchased at a *pharmacy* by the member, or a friend, relative or care giver on your behalf, and are covered under this *prescription drug* benefit.
8. For a retail *pharmacy* or specialty drug program, the *prescription* must not exceed a 30-day supply.

Prescription drugs federally-classified as Schedule II which are FDA-approved for the treatment of attention deficit disorder must not exceed a 60-day supply. If the *physician* prescribes a 60-day supply for *drugs* classified as Schedule II for the treatment of attention deficit disorders, the *member* has to pay double the amount of co-payment for retail *pharmacies*. If the *drugs* are obtained through the home delivery program, the co-payment will remain the same as for any other *prescription drug*.

FDA-approved smoking cessation products and over-the-counter nicotine replacement products are limited as specified under PREVENTIVE PRESCRIPTION DRUGS AND OTHER ITEMS.

9. Certain *drugs* have specific quantity supply limits based on the analysis of prescription dispensing trends and the Food and Drug Administration dosing recommendations.
10. For the home delivery program, the *prescription* must not exceed a 90-day supply.
11. The *drug* will be covered under YOUR PRESCRIPTION DRUG BENEFITS only if it is not covered under another benefit of your *plan*.
12. *Drugs* for the treatment of impotence and/or sexual dysfunction are limited to six tablets/units for a 30-day period and are available at retail *pharmacies* only. Documented evidence of contributing medical condition must be submitted to the *claims administrator* for review.
13. It must be prescribed by a licensed *physician* with an active Drug Enforcement Administration (DEA) license, if the *drug* is considered a *controlled substance*.

PRESCRIPTION DRUG SERVICES AND SUPPLIES THAT ARE COVERED

1. Outpatient *drugs* and medications which the law restricts to sale by *prescription*, except as specifically stated in this section. Formulas prescribed by a *physician* for the treatment of phenylketonuria. These formulas are subject to the co-payment for *brand name drugs*.
2. Insulin.
3. Continuous glucose monitoring systems, including monitors designed to assist the visually impaired; **Note:** Each component of the monitoring system will be subject to a separate Copayment / Coinsurance.
4. Syringes when dispensed for use with insulin and other self-injectable *drugs* or medications.
5. *Drugs* with Food and Drug Administration (FDA) labeling for self-administration.
6. Compound ingredients within a compound *drug* when a commercially available dosage form of a *medically necessary* medication is not available, ingredients of the compound *drug* are FDA approved in the form in which they are used in the *compound medication*, require a prescription to dispense and are not essentially the same as an FDA approved product from a *drug* manufacturer. Non-FDA approved non-proprietary, multisource ingredients that are vehicles essential for compound administration may be covered.
7. Diabetic supplies (i.e. test strips and lancets).
8. Inhaler spacers and peak flow meters for the treatment of pediatric asthma. These items are subject to the co-payment for *brand name drugs*.
9. *Prescription drugs*, vaccinations (including administration), vitamins, supplements, and certain over-the-counter items as specified under PREVENTIVE PRESCRIPTION DRUGS AND OTHER ITEMS, subject to all terms of this *plan* that apply to those benefits.
10. *Prescription drugs* for treatment of impotence and/or sexual dysfunction are limited to organic (non-psychological) causes.
11. Onychomycosis (toenail fungus) *drugs* except to treat *members* who are immuno-compromised or diabetic.
12. Preexposure prophylaxis and postexposure prophylaxis that has been furnished by a pharmacist and obtained at a Retail Pharmacy, as

required by law, including the pharmacist's services and related testing ordered by the pharmacist.

13. At least one FDA-approved Drug in each of the following categories without prior authorization, step therapy, or Utilization Review:

- Medication for the reversal of opioid overdose;
- Medication for the detoxification or maintenance treatment of a substance use disorder;
- A long-acting buprenorphine product; and
- A long-acting injectable naltrexone product.

PRESCRIPTION DRUG SERVICES AND SUPPLIES THAT ARE NOT COVERED

In addition to the exclusions and limitations listed under YOUR MEDICAL BENEFITS: MEDICAL CARE THAT IS NOT COVERED, *prescription drug* benefits are not provided for or in connection with the following:

1. Hypodermic syringes and/or needles except when dispensed for use with insulin and other self-injectable *drugs* or medications. While not covered under this *prescription drug* benefit, these items are covered under the "Home Health Care," "Hospice Care," "Infusion Therapy or Home Infusion Therapy," and "Diabetes" provisions of YOUR MEDICAL BENEFITS: MEDICAL CARE THAT IS COVERED (see Table of Contents), subject to all terms of this *plan* that apply to those benefits.
2. *Drugs* and medications used to induce spontaneous and non-spontaneous abortions. While not covered under this *prescription drug* benefit, FDA approved medications that may only be dispensed by or under direct supervision of a *physician*, such as *drugs* and medications used to induce non-spontaneous abortions, are covered as specifically stated in the "Prescription Drug for Abortion" provision of YOUR MEDICAL BENEFITS: MEDICAL CARE THAT IS COVERED (see Table of Contents), subject to all terms of this *plan* that apply to the benefit.
3. *Drugs* and medications dispensed or administered in an outpatient setting; including, but not limited to, outpatient *hospital* facilities and *physicians'* offices. While not covered under this *prescription drug* benefit, these services are covered as specified under the "Hospital," "Home Health Care," "Hospice Care," and "Infusion Therapy or Home Infusion Therapy" provisions of YOUR MEDICAL BENEFITS: MEDICAL CARE THAT IS COVERED (see Table of Contents), subject to all terms of this *plan* that apply to those benefits.

4. Professional charges in connection with administering, injecting or dispensing of *drugs*. While not covered under this *prescription drug* benefit, these services are covered as specified under the “Professional Services” and “Infusion Therapy or Home Infusion Therapy” provisions of YOUR MEDICAL BENEFITS: MEDICAL CARE THAT IS COVERED (see Table of Contents), subject to all terms of this *plan* that apply to those benefits.

5. *Drugs* and medications which may be obtained without a *physician’s* written *prescription*, except insulin or niacin for cholesterol reduction.

Note: Vitamins, supplements, and certain over-the-counter items as specified under PREVENTIVE PRESCRIPTION DRUGS AND OTHER ITEMS are covered under this *plan* only when obtained with a *physician’s prescription*, subject to all terms of this *plan* that apply to those benefits.

6. *Drugs* and medications dispensed by or while you are confined in a *hospital, skilled nursing facility, rest home, sanitarium, convalescent hospital, or similar facility*. While not covered under this *prescription drug* benefit, such *drugs* are covered as specified under the “Hospital”, “Skilled Nursing Facility”, and “Hospice Care”, provisions of YOUR MEDICAL BENEFITS: MEDICAL CARE THAT IS COVERED (see Table of Contents), subject to all terms of this *plan* that apply to those benefits. While you are confined in a rest home, sanitarium, convalescent hospital or similar facility, *drugs* and medications supplied and administered by your *physician* are covered as specified under the “Professional Services” provision of YOUR MEDICAL BENEFITS: MEDICAL CARE THAT IS COVERED (see Table of Contents), subject to all terms of this *plan* that apply to the benefit. Other *drugs* that may be prescribed by your *physician* while you are confined in a rest home, sanitarium, convalescent hospital or similar facility, may be purchased at a *pharmacy* by the *member*, or a friend, relative or care giver on your behalf, and are covered under this *prescription drug* benefit.

7. Durable medical equipment, devices, appliances and supplies, even if prescribed by a *physician*. While not covered under this *prescription drug* benefit, these items are covered as specified under the “Durable Medical Equipment”, “Hearing Aid Services”, and “Diabetes” provisions of YOUR MEDICAL BENEFITS: MEDICAL CARE THAT IS COVERED (see Table of Contents), subject to all terms of this *plan* that apply to those benefits.

8. Services or supplies for which you are not charged.

9. Oxygen. While not covered under this *prescription drug* benefit, oxygen is covered as specified under the “Hospital”, “Skilled Nursing Facility”, “Home Health Care” and “Hospice Care” provisions of YOUR

MEDICAL BENEFITS: MEDICAL CARE THAT IS COVERED (see Table of Contents), subject to all terms of this *plan* that apply to those benefits.

10. Cosmetics and health or beauty aids. However, health aids that are *medically necessary* and meet the requirements for durable medical equipment as specified under the "Durable Medical Equipment" provision of YOUR MEDICAL BENEFITS: MEDICAL CARE THAT IS COVERED (see Table of Contents), are covered, subject to all terms of this *plan* that apply to that benefit.
11. *Drugs* labeled "Caution, Limited by Federal Law to Investigational Use" or Non-FDA approved investigational *drugs*. Any *drugs* or medications prescribed for *experimental* indications. If you are denied a *drug* because the *claims administrator* determines that the *drug* is *experimental* or *investigative*, you may ask that the denial be reviewed.
12. Any expense incurred for a *drug* or medication in excess of: *prescription drug maximum allowed amount*.
13. *Drugs* which have not been approved for general use by the Food and Drug Administration. This does not apply to *drugs* that are *medically necessary* for a covered condition.
14. *Drugs* used primarily for cosmetic purposes (e.g., Retin-A for wrinkles). However, this will not apply to the use of this type of *drug* for *medically necessary* treatment of a medical condition other than one that is cosmetic.
15. *Drugs* used primarily for the purpose of treating infertility (including but not limited to Clomid, Pergonal, and Metrodin), unless *medically necessary* for another covered condition.
16. Weight loss *drugs*.
17. *Drugs* obtained outside of the United States unless they are furnished in connection with *urgent care* or an *emergency*.
18. Allergy desensitization products or allergy serum. While not covered under this *prescription drug* benefit, such *drugs* are covered as specified under the "Hospital", "Skilled Nursing Facility", and "Professional Services" provisions of YOUR MEDICAL BENEFITS: MEDICAL CARE THAT IS COVERED (see Table of Contents), subject to all terms of this *plan* that apply to those benefits.
19. Infusion *drugs*, except *drugs* that are self-administered subcutaneously. While not covered under this *prescription drug* benefit, infusion *drugs* are covered as specified under the "Professional Services" and "Infusion Therapy or Home Infusion Therapy" provisions of YOUR MEDICAL BENEFITS: MEDICAL CARE THAT IS

COVERED (see Table of Contents), subject to all terms of this *plan* that apply to those benefits.

20. Herbal supplements, nutritional and dietary supplements, except as described in this *plan* or what must be covered by law. This exclusion includes, but is not limited to, nutritional formulas and dietary supplements that you can buy over-the-counter and those you can get without a written *prescription* or from a licensed pharmacist.

However, formulas prescribed by a *physician* for the treatment of phenylketonuria that are obtained from a *pharmacy* are covered as specified under PRESCRIPTION DRUG SERVICES AND SUPPLIES THAT ARE COVERED. Special food products that are not available from a *pharmacy* are covered as specified under the "Phenylketonuria (PKU)" provision of YOUR MEDICAL BENEFITS: MEDICAL CARE THAT IS COVERED (see Table of Contents), subject to all terms of this *plan* that apply to the benefit. Also, vitamins, supplements, and certain over-the-counter items as specified under PREVENTIVE PRESCRIPTION DRUGS AND OTHER ITEMS are covered under this *plan* only when obtained with a *physician's prescription*, subject to all terms of this *plan* that apply to those benefits.

21. *Prescription drugs* with a non-prescription (over-the-counter) chemical and dose equivalent except insulin, even if written as a *prescription*. This does not apply if an over-the-counter equivalent was tried and was ineffective.
22. **Gene Therapy** Gene therapy that introduces or is related to the introduction of genetic material into a person intended to replace or correct faulty or missing genetic material. While not covered under the "Prescription Drug Benefits" benefit, benefits may be available under the "Human Organ and Tissue Transplant (Bone Marrow / Stem Cell), Cellular and Gene Therapy Services" benefit. Please see that section for details.
23. Compound ingredients that are not FDA-approved, or do not require a *prescription* to dispense, and the *compound medication* is not essentially the same as an FDA-approved product from a drug manufacturer. Exceptions to non-FDA approved compound ingredients may include multi-source, non-proprietary vehicles and/or pharmaceutical adjuvants. **You will have to pay the full cost of the compound medications you get from a non-participating pharmacy.**
24. *Specialty drugs* that must be obtained from the specialty pharmacy program, but, which are obtained from a retail *pharmacy* or through the home delivery program. Unless you qualify for an exception, these *drugs* are not covered by this *plan* (please see YOUR PRESCRIPTION

DRUG BENEFITS: PRESCRIPTION DRUG CONDITIONS OF SERVICE). **You will have to pay the full cost of the *specialty drugs* you get from a retail *pharmacy* that you should have obtained from the specialty pharmacy program.**

If you order a *specialty drug* through the home delivery program, it will be forwarded to the specialty pharmacy program for processing and will be processed according to specialty pharmacy program rules.

25. Charges for pharmacy services not related to conditions, diagnoses, and/or recommended medications described in your medical records.
26. *Drugs* which are over any quantity or age limits set by the *plan* or the *claims administrator*.
27. *Prescription drugs* prescribed by a provider that does not have the necessary qualifications, registrations and/or certifications.
28. *Drugs* prescribed, ordered, referred by or given by a member of your immediate family, including your *spouse*, *child*, brother, sister, parent, in-law or self.
29. *Drugs* that do not need a prescription by federal law (including *drugs* that need a prescription by state law, but not by federal law), except for injectable insulin or other *drugs* provided in the Preventive Care paragraph of the YOUR MEDICAL BENEFITS: MEDICAL CARE THAT IS COVERED section. This exclusion does not apply to over-the-counter *drugs* that we must cover under state law, or federal law when recommended by the U.S. Preventive Services Task Force, and prescribed by a *physician*.
30. Services the *claims administrator* concludes are not *medically necessary*. This includes services that do not meet medical policy, clinical coverage, or benefit policy guidelines.
31. Any *investigative drugs* or devices, non-health services required for you to receive the treatment, the costs of managing the research, or costs that would not be a covered service under this *plan* for non-*investigative* treatments.
32. Any treatment, device, *drug*, service or supply (including surgical procedures, devices to stimulate growth and growth hormones), solely to increase or decrease height or alter the rate of growth.
33. *Prescription drugs* related to the medical and surgical treatment of excessive sweating (hyperhidrosis).
34. **Fraud, Waste, Abuse, and Other Inappropriate Billing.** Services from a *non-participating pharmacy* that are determined to be not

payable as a result of fraud, waste, abuse or inappropriate billing activities. This includes a *non-participating pharmacy's* failure to submit medical records required to determine the appropriateness of a claim.

35. New Prescription Drugs, new indications and/or new dosage forms will not be covered until the date they are reviewed and determined to be eligible for coverage by our Pharmacy and Therapeutics (P&T) Process.
36. Any Drug prescribed to member that is subsequently shared with other individuals.

COORDINATION OF BENEFITS

If you are covered by more than one group health plan, your benefits under This Plan will be coordinated with the benefits of those Other Plans. These coordination provisions apply separately to each *member* and per *calendar year*. Any coverage you have for medical or dental benefits will be coordinated as shown below.

DEFINITIONS

The meanings of key terms used in this section are shown below. Whenever any of the key terms shown below appear in these provisions, the first letter of each word will be capitalized. When you see these capitalized words, you should refer to this "Definitions" provision.

Allowable Expense is any necessary, reasonable and customary item of expense which is at least partially covered by any plan covering the person for whom claim is made. When a Plan provides benefits in the form of services rather than cash payments, the reasonable cash value of each service rendered will be deemed to be both an Allowable Expense and a benefit paid. An expense that is not covered by any plan covering the person for whom a claim is made is not an Allowable Expense.

1. Use of a private hospital room is not an Allowable Expense unless the patient's stay in a private *hospital* room is *medically necessary* in terms of generally accepted medical practice, or one of the plans routinely provides coverage for *hospital* private rooms.
2. If you are covered by two plans that calculate benefits or services on the basis of a reasonable and customary amount or relative value schedule reimbursement method or some other similar reimbursement method, any amount in excess of the higher of the reasonable and customary amounts.

3. If a person is covered by two plans that provide benefits or services on the basis of negotiated rates or fees, an amount in excess of the lower of the negotiated rates.
4. If a person is covered by one plan that calculates its benefits or services on the basis of a reasonable and customary amount or relative value schedule reimbursement method or some other similar reimbursement method and another plan provides its benefits or services on the basis of negotiated rates or fees, any amount in excess of the negotiated rate.
5. The amount of any benefit reduction by the Principal Plan because you did not comply with the plan's provisions is not an Allowable Expense. Examples of these types of provisions include second surgical opinions, utilization review requirements, and network provider arrangements.
6. If you advise us that all plans covering you are high deductible health plans as defined by Section 223 of the Internal Revenue Code, and you intend to contribute to a health savings account established in accordance with Section 223 of the Internal Revenue Code, any amount that is subject to the primary high deductible health plan's deductible.

Other Plan is any of the following:

1. Group, blanket or franchise insurance coverage;
2. Group service plan contract, group practice, group individual practice and other group prepayment coverages;
3. Group coverage under labor-management trustee plans, union benefit organization plans, employer organization plans, employee benefit organization plans or self-insured employee benefit plans.
4. Medicare. This does not include Medicare when, by law, its benefits are secondary to those of any private insurance program or other non-governmental program, including a self-insured program.

The term "Other Plan" refers separately to each agreement, policy, contract, or other arrangement for services and benefits, and only to that portion of such agreement, policy, contract, or arrangement which reserves the right to take the services or benefits of other plans into consideration in determining benefits.

Principal Plan is the plan which will have its benefits determined first.

This Plan is that portion of this *plan* which provides benefits subject to this provision.

EFFECT ON BENEFITS

This provision will apply in determining a person's benefits under This Plan for any *calendar year* if the benefits under This Plan and any Other Plans, exceed the Allowable Expenses for that *calendar year*.

1. If This Plan is the Principal Plan, then its benefits will be determined first without taking into account the benefits or services of any Other Plan.
2. If This Plan is not the Principal Plan, then its benefits may be reduced so that the benefits and services of all the plans do not exceed Allowable Expense.
3. The benefits of This Plan will never be greater than the sum of the benefits that would have been paid if you were covered under This Plan only.

ORDER OF BENEFITS DETERMINATION

The first of the following rules which applies will determine the order in which benefits are payable:

1. A plan which has no Coordination of Benefits provision pays before a plan which has a Coordination of Benefits provision. This would include Medicare in all cases, except when the law requires that This Plan pays before Medicare.
2. A plan which covers you as a *subscriber* pays before a plan which covers you as a dependent. But, if you are retired and eligible for Medicare, Medicare pays (a) after the plan which covers you as a dependent of an active employee, but (b) before the plan which covers you as a retired employee.

For example: You are covered as a retired employee under this plan and entitled to Medicare (Medicare would normally pay first). You are also covered as a dependent of an active employee under another plan (in which case Medicare would pay second). In this situation, the plan which covers you as a dependent will pay first, Medicare will pay second, and the plan which covers you as a retired employee would pay last.

3. For a dependent *child* covered under plans of two parents, the plan of the parent whose birthday falls earlier in the *calendar year* pays before the plan of the parent whose birthday falls later in the *calendar year*. But if one plan does not have a birthday rule provision, the provisions of that plan determine the order of benefits.

Exception to rule 3: For a dependent *child* of parents who are divorced or separated, the following rules will be used in place of Rule 3:

- a. If the parent with custody of that *child* for whom a claim has been made has not remarried, then the plan of the parent with custody that covers that *child* as a dependent pays first.
 - b. If the parent with custody of that *child* for whom a claim has been made has remarried, then the order in which benefits are paid will be as follows:
 - i. The plan which covers that *child* as a dependent of the parent with custody.
 - ii. The plan which covers that *child* as a dependent of the stepparent (married to the parent with custody).
 - iii. The plan which covers that *child* as a dependent of the parent without custody.
 - iv. The plan which covers that *child* as a dependent of the stepparent (married to the parent without custody).
 - c. Regardless of a and b above, if there is a court decree which establishes a parent's financial responsibility for that *child's* health care coverage, a plan which covers that *child* as a dependent of that parent pays first.
4. The plan covering you as a laid-off or retired employee or as a dependent of a laid-off or retired employee pays after a plan covering you as other than a laid-off or retired employee or the dependent of such a person. But if either plan does not have a provision regarding laid-off or retired employees, provision 6 applies.
 5. The plan covering you under a continuation of coverage provision in accordance with state or federal law pays after a plan covering you as an employee, a dependent or otherwise, but not under a continuation of coverage provision in accordance with state or federal law. If the order of benefit determination provisions of the Other Plan do not agree under these circumstances with the order of benefit determination provisions of This Plan, this rule will not apply.
 6. When the above rules do not establish the order of payment, the plan on which you have been enrolled the longest pays first unless two of the plans have the same effective date. In this case, Allowable Expense is split equally between the two plans.

OUR RIGHTS UNDER THIS PROVISION

Responsibility For Timely Notice. We are not responsible for coordination of benefits unless timely information has been provided by the requesting party regarding the application of this provision.

Reasonable Cash Value. If any Other Plan provides benefits in the form of services rather than cash payment, the reasonable cash value of services provided will be considered Allowable Expense. The reasonable cash value of such service will be considered a benefit paid, and our liability reduced accordingly.

Facility of Payment. If payments which should have been made under This Plan have been made under any Other Plan, we have the right to pay that Other Plan any amount we determine to be warranted to satisfy the intent of this provision. Any such amount will be considered a benefit paid under This Plan, and such payment will fully satisfy our liability under this provision.

Right of Recovery. If payments made under This Plan exceed the maximum payment necessary to satisfy the intent of this provision, we have the right to recover that excess amount from any persons or organizations to or for whom those payments were made, or from any insurance company or service plan.

BENEFITS FOR MEDICARE ELIGIBLE MEMBERS

For Active Employees and Family Members. Any benefits provided under both this *plan* and Medicare will be provided according to Medicare Secondary Payer legislation, regulations, and Centers for Medicare & Medicaid Services guidelines, subject to federal court decisions. Federal law controls whenever there is a conflict among state law, terms of this *plan*, and federal law.

If you are entitled to Medicare and covered under this *plan* as an active employee, or as a dependent of an active employee, this *plan* will generally pay first and Medicare will pay second, unless:

1. You are receiving treatment for end-stage renal disease following the first 30 months you are entitled to end-stage renal disease benefits under Medicare; or
2. You are entitled to Medicare benefits as a disabled person, unless you have a current employment status as determined by Medicare rules, and one or more of *the participating employers* has 100 or more employees (according to federal COBRA legislation).

In cases where either of the above exceptions applies, payment will be determined according to the provisions in the section entitled COORDINATION OF BENEFITS and the provision “Coordinating Benefits With Medicare”, below.

For Retired Employees and Their Spouses. If you are a *retired employee* or the spouse of a *retired employee* and you are eligible for Medicare Part A because you made the required number of quarterly contributions to the Social Security System, your benefits under this *plan* will be subject to the section entitled COORDINATION OF BENEFITS and the provision “Coordinating Benefits With Medicare”, below.

Coordinating Benefits With Medicare. In general, when Medicare is the primary payor according to federal law, Medicare must provide benefits first to any services that are covered both by Medicare and under this *plan*. For any given claim, the combination of benefits provided by Medicare and under this *plan* will not exceed the *maximum allowed amount* for the covered services.

Except when federal law requires us to be the primary payer, the benefits under this *plan* for *members* age 65 and older, or for *members* who are otherwise eligible for Medicare (such as due to a disability or receiving treatment for end-stage renal disease), will not duplicate any benefit for which *members* are entitled under Medicare, including Medicare Part B. Where Medicare is the responsible primary payer, all sums payable by Medicare for services provided to you shall be reimbursed by or on your behalf to the *claims administrator*, to the extent the *claims administrator* has made primary payment for such services. If you do not enroll in Medicare Part B when you are eligible, you may have large out-of-pocket costs. Please refer to [Medicare.gov](https://www.medicare.gov) for more details on when you should enroll, and when you are allowed to delay enrollment without penalties.

UTILIZATION REVIEW PROGRAM

Your *plan* includes the process of utilization review to decide when services are *medically necessary* or *experimental / investigative* as those terms are defined in this booklet. Utilization review aids the delivery of cost-effective health care by reviewing the use of treatments and, when proper, level of care and/or the setting or place of service that they are performed.

REVIEWING WHERE SERVICES ARE PROVIDED

A service must be *medically necessary* to be a covered service. When level of care, setting or place of service is reviewed, services that can be safely given to you in a lower level of care or lower cost setting / place of care, will not be *medically necessary* if they are given in a higher level of care, or higher cost setting / place of care. This means that a request for a service may be denied because it is not *medically necessary* for the service to be provided where it is being requested. When this happens the service can be requested again in another place and will be reviewed again for medical necessity. At times a different provider or facility may need to be used in order for the service to be considered *medically necessary*. Examples include, but are not limited to:

- A service may be denied on an inpatient basis at a *hospital* but may be approvable if provided on an outpatient basis at a *hospital*.
- A service may be denied on an outpatient basis at a *hospital* but may be approvable at a free standing imaging center, infusion center, ambulatory surgery center, or in a *physician's* office.
- A service may be denied at a *skilled nursing facility* but may be approvable in a home setting.

Utilization review criteria will be based on many sources including medical policy and clinical guidelines. The *claims administrator* may decide that a treatment that was asked for is not *medically necessary* if a clinically equivalent treatment that is more cost-effective is available and appropriate. "Clinically equivalent" means treatments that for most *members*, will give you similar results for a disease or condition.

If you have any questions about the utilization review process, the medical policies or clinical guidelines, you may call the Member Services phone number on the back of your ID card.

Coverage for or payment of the service or treatment reviewed is not guaranteed. For benefits to be covered, on the date you get service:

1. You must be eligible for benefits;
2. The service or supply must be a covered service under your *plan*;

3. The service cannot be subject to an exclusion under your *plan* (please see MEDICAL CARE THAT IS NOT COVERED for more information); and
4. You must not have exceeded any applicable limits under your *plan*.

TYPES OF REVIEWS

- **Pre-service Review** – A review of a service, treatment or admission for a benefit coverage determination which is done before the service or treatment begins or admission date.
 - **Precertification** – A required pre-service review for a benefit coverage determination for a service or treatment. Certain services require precertification in order for you to get benefits. The benefit coverage review will include a review to decide whether the service meets the definition of medical necessity or is *experimental / investigative* as those terms are defined in this booklet.

For admissions following an *emergency*, you, your authorized representative or *physician* must tell the *claims administrator* of the admission as soon as possible.

For childbirth admissions, precertification is not needed for the first 48 hours for a vaginal delivery or 96 hours for a cesarean section. Admissions longer than 48/96 hours require precertification.

For inpatient *hospital* stays for mastectomy surgery, including the length of *hospital* stays associated with mastectomy, precertification is not needed.

- **Continued Stay / Concurrent Review** – A utilization review of a service, treatment or admission for a benefit coverage determination which must be done during an ongoing stay in a facility or course of treatment.
 - Both pre-service and continued stay / concurrent reviews may be considered urgent when, in the view of the treating provider or any *physician* with knowledge of your medical condition, without such care or treatment, your life or health or your ability to regain maximum function could be seriously threatened or you could be subjected to severe pain that cannot be adequately managed without such care or treatment. Urgent reviews are conducted under a shorter timeframe than standard reviews.
- **Post-service Review** – A review of a service, treatment or admission for a benefit coverage determination that is conducted after the service has been provided. Post-service reviews are performed when a service, treatment or admission did not need a precertification, or

when a needed precertification was not obtained. Post-service reviews are done for a service, treatment or admission in which the *plan* has a related clinical coverage guideline and are typically initiated by the *claims administrator*.

Services for which precertification is required (i.e., services that need to be reviewed by the *claims administrator* to determine whether they are *medically necessary*) include, but are not limited to, the following:

The appropriate utilization reviews must be performed in accordance with this *plan*. When pre-service review is not performed as required for an inpatient *hospital* or *residential treatment center* admission, **the benefits to which you would have been otherwise entitled will be reduced by 10%.**

- All inpatient *hospital* admissions.
- Human Organ and tissue transplants, (Bone Marrow / Stem Cell), Cellular and Gene Therapy Services and similar procedures.
- Air ambulance in a non-medical *emergency*.
- Speech therapy services. A specified number of additional visits may be authorized after your initial visit. While there is no limit on the number of covered visits for medically necessary speech therapy, visits must be authorized in advance.
- Services of a home infusion therapy provider if the attending *physician* has submitted both a prescription and a plan of treatment before services are rendered.
- Home health care services if:
 - a. The services can be safely provided in your home, as certified by your attending *physician*;
 - b. Your attending *physician* manages and directs your medical care at home; and
 - c. Your attending *physician* has established a definitive treatment plan which must be consistent with your medical needs and lists the services to be provided by the *home health agency*.
- Hospice care.
- Services provided in a *skilled nursing facility* if you require daily skilled nursing or rehabilitation, as certified by your attending *physician*.
- Bariatric surgical procedures, such as gastric bypass and other surgical procedures for weight loss if:

- a. The services are to be performed for the treatment of morbid obesity.
 - b. The *physicians* on the surgical team and the facility in which the surgical procedure is to take place are approved for the surgical procedure requested; and
 - c. The bariatric surgical procedure will be performed at a *BDCSC* facility.
- Specific diagnostic procedures, including advanced imaging procedures, wherever performed.
 - All interventional spine pain, elective hip, knee, and shoulder arthroscopic/open sports medicine, and outpatient spine surgery procedures must be authorized in advance.
 - *Prescription drugs* that require prior authorization as described under the “Prescription Drugs Obtained from or Administered by a Medical Provider” provision of YOUR MEDICAL BENEFITS: MEDICAL CARE THAT IS COVERED.
 - Behavioral health treatment for autism spectrum disorders, as specified in the section BENEFITS FOR AUTISM SPECTRUM DISORDERS.
 - Transgender services, including transgender travel expense, as specified under the “Transgender Services” provision of YOUR MEDICAL BENEFITS: MEDICAL CARE THAT IS COVERED. You must be diagnosed with gender identity disorder or gender dysphoria by a *physician*.
 - Second opinion;
 - Certain prescription drugs under the section “Prescription Drugs Obtained from or Administered by a Medical Provider”; and
 - Other specific procedures, wherever performed, as specified by us.

For a list of current procedures requiring precertification, please call the toll-free number for Member Services printed on your ID card.

WHO IS RESPONSIBLE FOR PRECERTIFICATION?

Typically, *participating providers* know which services need precertification and will get any precertification when needed. Your *physician* and other *participating providers* have been given detailed information about these procedures and are responsible for meeting these requirements. Generally, the ordering provider, *hospital* or attending *physician* (“requesting provider”) will get in touch with the *claims administrator* to ask for a precertification. However, you may request a

precertification or you may choose an authorized representative to act on your behalf for a specific request. The authorized representative can be anyone who is 18 years of age or older. The table below outlines who is responsible for precertification and under what circumstances.

Provider Network Status	Responsibility to Get Precertification	Comments
<i>Participating Providers</i>	Provider	The provider must get precertification when required.
<i>Non-Participating Providers</i>	<i>Member</i>	<i>Member</i> must get precertification when required. NOTE: For an <i>emergency</i> admission, precertification is not required. However, you, your authorized representative or <i>physician</i> must notify the <i>claims administrator</i> of the admission as soon as possible.		

HOW DECISIONS ARE MADE

The *claims administrator* uses clinical coverage guidelines, such as medical policy, clinical guidelines, and other applicable policies and procedures to help make medical necessity decisions. This includes decisions about *prescription drugs* as detailed in the section “Prescription Drugs Obtained From Or Administered By a Medical Provider.” Medical policies and clinical guidelines reflect the standards of practice and medical interventions identified as proper medical practice. The *claims administrator* reserves the right to review and update these clinical coverage guidelines from time to time.

You are entitled to ask for and get, free of charge, reasonable access to any records concerning your request. To ask for this information, call the precertification phone number on the back of your ID card. You can also find our medical policies on our website at www.anthem.com/ca.

If you are not satisfied with the *plan's* decision under this section of your benefits, you may call the Member Services phone number on the back of your ID card to find out what rights may be available to you.

DECISION AND NOTICE REQUIREMENTS

The *claims administrator* will review requests for medical necessity according to the timeframes listed below. The timeframes and requirements listed are based on state and federal laws. Where state laws are stricter than federal laws, the *plan* will follow state laws. If you live in and/or get services in a state other than the state where your *plan* was issued, other state-specific requirements may apply. You may call the phone number on the back of your ID card for more details.

If more information is needed to make a decision, the *claims administrator* will tell the requesting *physician* of the specific information needed to finish the review. If the *plan* does not get the specific information it needs by the required timeframe identified in the written notice, the *claims administrator* will make a decision based upon the information received.

The *claims administrator* will notify you and your *physician* of the *plan's* decision as required by state and federal law. Notice may be given by one or more of the following methods: verbal, written and/or electronic.

For a copy of the medical necessity review process, please contact Member Services at the telephone number on the back of your ID card.

Revoking or modifying a Precertification Review decision. The *claims administrator* will determine **in advance** whether certain services (including procedures and admissions) are *medically necessary* and are the appropriate length of stay, if applicable. These review decisions may be revoked or modified prior to the service being rendered for reasons including but not limited to the following:

- Your coverage under this *plan* ends;

- The *agreement* with the *plan administrator* terminates;
- You reach a benefit maximum that applies to the service in question;
- Your benefits under the *plan* change so that the service is no longer covered or is covered in a different way.

HEALTH PLAN INDIVIDUAL CASE MANAGEMENT

The health plan individual case management program enables the *claims administrator* to assist you to obtain medically appropriate care in a more economical, cost-effective and coordinated manner during prolonged periods of intensive medical care. Through a case manager, the *claims administrator* will discuss possible options for an alternative plan of treatment which may include services not covered under this *plan*. It is not your right to receive individual case management, nor does the *claims administrator* have an obligation to provide it.

HOW HEALTH PLAN INDIVIDUAL CASE MANAGEMENT WORKS

The health plan individual case management program (Case Management) helps coordinate services for *members* with health care needs due to serious, complex, and/or chronic health conditions. The programs coordinate benefits and educate *members* who agree to take part in the Case Management program to help meet their health-related needs.

The Case Management programs are confidential and voluntary, and are made available at no extra cost to you. These programs are provided by, or on behalf of and at the request of, your health plan case management staff. These Case Management programs are separate from any covered services you are receiving.

If you meet program criteria and agree to take part, then *claims administrator* will help you meet your identified health care needs. This is reached through contact and team work with you and /or your chosen authorized representative, treating *physicians*, and other providers.

In addition, the *claims administrator* may assist in coordinating care with existing community-based programs and services to meet your needs. This may include giving you information about external agencies and community-based programs and services.

Alternative Treatment Plan. In certain cases of severe or chronic illness or injury, the *plan* may provide benefits for alternate care that is not listed as a covered service. The *claims administrator* may also extend services beyond the benefit maximums of this *plan*. A decision will be made on a case-by-case basis by the *claims administrator* if it determines that alternate or extended benefit is in the best interest for you and the *plan*.

and you or your authorized representative agree to the alternate and extended benefit in writing. A decision to provide extended benefits or approve alternate care in one case does not obligate us to provide the same benefits again to you or to any other member. The *claims administrator* reserves the right, at any time, to alter or stop providing extended benefits or approving alternate care. In such case, the *claims administrator* will notify you or your authorized representative in writing.

EXCEPTIONS TO THE UTILIZATION REVIEW PROGRAM

From time to time, the *claims administrator* may waive, enhance, modify, or discontinue certain medical management processes (including utilization management, case management, and disease management) if such a change furthers the provision of cost effective, value based and quality services. In addition, the *claims administrator* may select certain qualifying health care providers to participate in a program or a provider arrangement that exempts them from certain procedural or medical management processes that would otherwise apply. The *claims administrator* may also exempt claims from medical review if certain conditions apply.

If the *claims administrator* exempts a process, health care provider, or claim from the standards that would otherwise apply, they are in no way obligated to do so in the future, or to do so for any other health care provider, claim, or *member*. The *claims administrator* may stop or modify any such exemption with or without advance notice.

The *claims administrator* also may identify certain providers to review for potential fraud, waste, abuse or other inappropriate activity if the claims data suggests there may be inappropriate billing practices. If a provider is selected under this program, then the *claims administrator* may use one or more clinical utilization management guidelines in the review of claims submitted by this provider, even if those guidelines are not used for all providers delivering services to this *plan's members*.

You may determine whether a health care provider participates in certain programs or a provider arrangement by checking the *claims administrator's* online provider directory on the website at www.anthemcom/ca or by calling the Member Services telephone number listed on your ID card.

HOW COVERAGE BEGINS AND ENDS

HOW COVERAGE BEGINS

ELIGIBLE STATUS

1. **Subscribers.** The persons described in the Agreement between us and the *claims administrator* are eligible to enroll as *subscribers*.

A person who performs services for more than one *participating employer* is not entitled to benefits greater than those which would apply if his or her services were performed for but one *participating employer*.

For specific information about your employer's eligibility rules for coverage, please contact your Human Resources or Benefits Department.

2. **Dependents.** The following are eligible to enroll as *dependents*: (a) Either the *subscriber's spouse or domestic partner*; and (b) A *child*.

Definition of Dependent

1. **Spouse** is the *subscriber's* spouse as recognized under state or federal law. Spouse does not include any person who is: (a) covered as a *subscriber*; (b) legally separated from the *subscriber* or (c) in active service in the armed forces.
2. **Domestic partner** is the *subscriber's* domestic partner under a legally registered and valid domestic partnership. Domestic partner does not include any person who is: (a) covered as a *subscriber*; (b) legally separated from the *subscriber* or (c) in active service in the armed forces.
3. **Child** is the subscriber's, spouse's or domestic partner's natural child, stepchild, a legally adopted child or a child for whom the *subscriber, spouse or domestic partner* is the legal guardian, subject to the following:
 - a. The child is under 26 years of age.
 - b. The child is 26 years of age, or older and: (i) is chiefly dependent on the *subscriber, spouse or domestic partner* for support and maintenance, and (ii) is incapable of self-sustaining employment due to a physical or mental condition. A *physician* must certify in writing that the child is incapable of self-sustaining employment due to a physical or mental condition. We must receive the certification, at no expense to us, within 60-days of the date the *subscriber* receives our request. We may request proof of continuing dependency and that a physical or mental condition still

exists, but not more often than once each year after the initial certification. This exception will last until the child is no longer chiefly dependent on the *subscriber, spouse or domestic partner* for support and maintenance due to a continuing physical or mental condition. A child is considered chiefly dependent for support and maintenance if he or she qualifies as a dependent for federal income tax purposes.

- c. A child who is in the process of being adopted is considered a legally adopted child if we receive legal evidence of both: (i) the intent to adopt; and (ii) that the *subscriber, spouse or domestic partner* have either: (a) the right to control the health care of the child; or (b) assumed a legal obligation for full or partial financial responsibility for the child in anticipation of the child's adoption.

Legal evidence to control the health care of the child means a written document, including, but not limited to, a health facility minor release report, a medical authorization form, or relinquishment form, signed by the child's birth parent, or other appropriate authority, or in the absence of a written document, other evidence of the *subscriber's, the spouse's or domestic partner's* right to control the health care of the child.

- d. A child for whom the *subscriber, spouse or domestic partner* is a legal guardian is considered eligible on the date of the court decree (the "eligibility date"). We must receive legal evidence of the decree.
- e. If both parents are covered as subscribers, their children may be covered as the dependents of both. However, the total amount of benefits we would then pay shall not exceed the *maximum allowed amount*.

ELIGIBILITY DATE

1. For *subscribers*, you become eligible for coverage in accordance with rules established by your *participating employer* and which is stated in the Administrative Services Agreement. For specific information about your employer's eligibility rules for coverage, please contact your Human Resources or Benefits Department.
2. For *dependents*, you become eligible for coverage on the later of: (a) the date the *subscriber* becomes eligible for coverage; or, (b) the date you meet the *dependent* definition.

If, after you become covered under this *plan*, you cease to be eligible due to termination of employment, and you return to an eligible status based on your employer's eligibility rules, you will become eligible to re-enroll for coverage on the first day of the month following the date you return.

ENROLLMENT

To enroll as a *subscriber*, or to enroll *dependents*, the *subscriber* must properly file an application. An application is considered properly filed, only if it is personally signed, dated, and given to the *plan administrator* within 31 days from your eligibility date. If any of these steps are not followed, your coverage may be denied.

EFFECTIVE DATE

Your effective date of coverage is subject to the timely payment of required monthly contributions. The date you become covered is determined as follows:

1. **Timely Enrollment:** If you enroll for coverage before, on, or within 31 days after your eligibility date, then your coverage will begin as follows: (a) for *subscribers*, on your eligibility date; and (b) for *dependents*, on the later of (i) the date the *subscriber's* coverage begins, or (ii) the first day of the month after the *dependent* becomes eligible. If you become eligible before the *plan* takes effect, coverage begins on the effective date of the *plan*, provided the enrollment application is on time and in order.
2. **Late Enrollment (Active Employees Only)*:** If you do not file an enrollment application or membership change form with us before, on, or within 31 days after your eligibility date, you will be eligible to apply for coverage as set forth in the "Enrollment" provision above, during our next Open Enrollment Period (see OPEN ENROLLMENT PERIOD). You may enroll earlier than our next Open Enrollment Period if you meet any of the conditions listed under SPECIAL ENROLLMENT PERIODS.

Important Note for Newborn and Newly-Adopted Children. If the *subscriber* (or *spouse* or *domestic partner*, if the *spouse* or *domestic partner* is enrolled) is already covered: (1) any *child* born to the *subscriber*, *spouse* or *domestic partner* will be enrolled from the moment of birth; and (2) any *child* being adopted by the *subscriber*, *spouse* or *domestic partner* will be enrolled from the date on which either: (a) the adoptive *child's* birth parent, or other appropriate legal authority, signs a written document granting the *subscriber*, *spouse* or *domestic partner* the right to control the health care of the *child* (in the absence of a written document, other evidence of the *subscriber's*, *spouse's* or *domestic partner's* right to control the health care of the *child* may be used); or (b)

the *subscriber*, *spouse* or *domestic partner* assumed a legal obligation for full or partial financial responsibility for the *child* in anticipation of the *child's* adoption. The "written document" referred to above includes, but is not limited to, a health facility minor release report, a medical authorization form, or relinquishment form.

In both cases, coverage will be in effect for 31 days. For coverage to continue beyond this 31-day period, the *subscriber* must submit a membership change form to the *plan administrator* within the 31-day period.

Special Enrollment Periods

You may enroll without waiting for the *plan administrator's* next open enrollment period if you are otherwise eligible under any one of the circumstances set forth below:

1. You have met all of the following requirements:
 - a. You were covered as an individual or dependent under either:
 - i. Another employer group health plan or health insurance coverage, including coverage under a COBRA or CalCOBRA continuation; or
 - ii. A state Medicaid plan or under a state child health insurance program (SCHIP), including the Healthy Families Program or the Access for Infants and Mothers (AIM) Program.
 - b. You certified in writing at the time you became eligible for coverage under this *plan* that you were declining coverage under this *plan* or disenrolling because you were covered under another health plan as stated above and you were given written notice that if you choose to enroll later, you may be required to wait until the *plan administrator's* next open enrollment period to do so.
 - c. Your coverage under the other health plan wherein you were covered as an individual or dependent ended as follows:
 - i. If the other health plan was another employer group health plan or health insurance coverage, including coverage under a COBRA or CalCOBRA continuation, coverage ended because you lost eligibility under the other plan, your coverage under a COBRA or CalCOBRA continuation was exhausted, or employer contributions toward coverage under the other plan terminated. You must properly file an application with the *plan administrator* within 31 days after the date your coverage ends or the date employer contributions toward coverage under the other plan terminate.

Loss of eligibility for coverage under an employer group health plan or health insurance includes loss of eligibility due to termination of employment or change in employment status, reduction in the number of hours worked, loss of dependent status under the terms of the *plan*, termination of the other plan, legal separation, divorce, death of the person through whom you were covered, and any loss of eligibility for coverage after a period of time that is measured by reference to any of the foregoing.

- ii. If the other health plan was a state Medicaid plan or a state child health insurance program (SCHIP), including the Healthy Families Program or the Access for Infants and Mothers (AIM) Program, coverage ended because you lost eligibility under the program. You must properly file an application with the *plan administrator* within 60 days after the date your coverage ended.
2. A court has ordered coverage be provided for a *spouse*, *domestic partner* or dependent *child* under your employee health plan and an application is filed within 31 days from the date the court order is issued.
 3. The *claims administrator* does not have a written statement from the *plan administrator* stating that prior to declining coverage or disenrolling, you received and signed acknowledgment of a written notice specifying that if you do not enroll for coverage within 31 days after your eligibility date, or if you disenroll, and later file an enrollment application, your coverage may not begin until the first day of the month following the end of the *plan administrator's* next open enrollment period.
 4. You have a change in family status through either marriage or domestic partnership, or the birth, adoption, or placement for adoption of a *child*:
 - a. If you are enrolling following marriage or domestic partnership, you and your new *spouse* or *domestic partner* must enroll within 31 days of the date of marriage or domestic partnership. Your new *spouse* or *domestic partner's* children may also enroll at that time. Other children may not enroll at that time unless they qualify under another of these circumstances listed above.
 - b. If you are enrolling following the birth, adoption, or placement for adoption of a *child*, your *spouse* (if you are already married) or *domestic partner*, who is eligible but not enrolled, may also enroll at that time. Other children may not enroll at that time unless they qualify under another of these circumstances listed above.

Application must be made within 31 days of the birth or date of adoption or placement for adoption.

5. You meet or exceed a lifetime limit on all benefits under another health plan. Application must be made within 31 days of the date a claim or a portion of a claim is denied due to your meeting or exceeding the lifetime limit on all benefits under the other plan.
6. You become eligible for assistance, with respect to the cost of coverage under the employer's group *plan*, under a state Medicaid or SCHIP health plan, including any waiver or demonstration project conducted under or in relation to these plans. You must properly file an application with the *plan administrator* within 60 days after the date you are determined to be eligible for this assistance.
7. You are an employee who is a reservist as defined by state or federal law, who terminated coverage as a result of being ordered to military service as defined under state or federal law, and apply for reinstatement of coverage following reemployment with your employer. Your coverage will be reinstated without any waiting period. The coverage of any dependents whose coverage was also terminated will also be reinstated. For dependents, this applies only to dependents who were covered under the plan and whose coverage terminated when the employee's coverage terminated. Other dependents who were not covered may not enroll at this time unless they qualify under another of the circumstances listed above.

Effective date of coverage. For enrollments during a special enrollment period as described above, coverage will be effective on the first day of the month following the date you file the enrollment application, except as specified below:

1. If a court has ordered that coverage be provided for a dependent *child*, coverage will become effective for that *child* on the earlier of (a) the first day of the month following the date you file the enrollment application or (b) within 30 days after a copy of the court order is received or of a request from the district attorney, either parent or the person having custody of the *child*, or the employer.
2. For enrollments following the birth, adoption, or placement for adoption of a *child*, coverage will be effective as of the date of birth, adoption, or placement for adoption.
3. For reservists and their dependents applying for reinstatement of coverage following reemployment with the employer, coverage will be effective as of the date of reemployment.

OPEN ENROLLMENT PERIOD

There is an open enrollment period once each *year*. This period of time is determined by agreement between us and the *claims administrator*. During that time, an individual who meets the eligibility requirements as an active employee under this *plan* may enroll. An active employee may also enroll any eligible *dependents* at that time. Persons eligible to enroll as *dependents* may enroll only under the *subscriber's plan*.

Participating employers may choose to offer open enrollment to retirees. If open enrollment is made available to retirees, participants may change plans but new enrollments are not permitted.

HOW COVERAGE ENDS

Your coverage ends without notice as provided below:

1. If the *plan* terminates, your coverage ends at the same time. This *plan* may be canceled or changed without notice to you.
2. If the *plan* no longer provides coverage for the class of *members* to which you belong, your coverage ends on the effective date of that change. If this *plan* is amended to delete coverage for *dependents*, a *dependent's* coverage ends on the effective date of that change.
3. Coverage for *dependents* ends when *subscriber's* coverage ends.
4. Coverage ends at the end of the period for which the required monthly contribution has been paid on your behalf when the required monthly contribution for the next period is not paid.
5. If your employer group agreement allows you to voluntarily cancel coverage at any time, coverage ends on the due date for the required monthly contribution coinciding with or following the date of voluntary cancellation which you provide to us.
6. If you no longer meet the requirements set forth in the "Eligible Status" provision of HOW COVERAGE BEGINS, your coverage ends on the last day of the month in which you were eligible.

Exceptions to item 6:

- a. **Leave of Absence.** If you are a *subscriber* and the required monthly contributions are paid, you may be covered while you take a short-term leave of absence your participating employer allows. This time period may be extended if required by law.
- b. **Handicapped Children:** If a *child* reaches the age limit shown in the "Eligible Status" provision of this section, the *child* will continue to qualify as a *dependent* if he or she is (i) covered under this *plan*, (ii) still chiefly dependent on the *subscriber*, *spouse* or *domestic*

partner for support and maintenance, and (iii) incapable of self-sustaining employment due to a physical or mental condition. A *physician* must certify in writing that the *child* has a physical or mental condition that makes the *child* incapable of obtaining self-sustaining employment. We will notify the *subscriber* that the *child's* coverage will end when the *child* reaches the *plan's* upper age limit at least 90-days prior to the date the *child* reaches that age. The *subscriber* must send proof of the *child's* physical or mental condition within 60-days of the date the *subscriber* receives our request. If we do not complete our determination of the *child's* continuing eligibility by the date the *child* reaches the *plan's* upper age limit, the *child* will remain covered pending our determination. When a period of two years has passed, we may request proof of continuing dependency due to a continuing physical or mental condition, but not more often than once each year. This exception will last until the *child* is no longer chiefly dependent on the *subscriber*, *spouse* or *domestic partner* for support and maintenance or a physical or mental condition no longer exists. A *child* is considered chiefly dependent for support and maintenance if he or she qualifies as a dependent for federal income tax purposes.

Note: If a marriage or domestic partnership terminates, the *subscriber* must give or send to the *plan administrator* written notice of the termination. Coverage for a former *spouse* or *domestic partners*, and their dependent *children*, if any, ends according to the "Eligible Status" provisions. Failure to provide written notice to the *plan administrator* will not delay or prevent termination of the marriage or domestic partnership. If the *subscriber* notifies the *plan administrator* in writing to cancel coverage for a former *spouse* or *domestic partner* and the *children* of the *spouse* or *domestic partner*, if any, immediately upon termination of the *subscriber's* marriage or domestic partnership, such notice will be considered compliance with the requirements of this provision.

You may be entitled to continued benefits under terms which are specified elsewhere under CONTINUATION OF COVERAGE, CALCOBRA CONTINUATION OF COVERAGE, and EXTENSION OF BENEFITS.

CONTINUATION OF COVERAGE

(If your employer is subject to The Consolidated Omnibus Budget Reconciliation Act of 1985.)

Most employers who employ 20 or more people on a typical business day are subject to The Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). If the employer who provides coverage under the *plan* is subject to the federal law which governs this provision (Title X of P. L. 99-272), you may be entitled to continuation of coverage. Check with your *plan administrator* for details.

DEFINITIONS

The meanings of key terms used in this section are shown below. Whenever any of the key terms shown below appear in these provisions, the first letter of each word will appear in capital letters. When you see these capitalized words, you should refer to this "Definitions" provision.

Initial Enrollment Period is the period of time following the original Qualifying Event, as indicated in the "Terms of COBRA Continuation" provisions below.

Qualified Beneficiary means: (a) a person enrolled for this COBRA continuation coverage who, on the day before the Qualifying Event, was covered under this *plan* as either a *subscriber* or *dependent*; and (b) a *child* who is born to or placed for adoption with the *subscriber* during the COBRA continuation period. Qualified Beneficiary does not include: (a) any person who was not enrolled during the Initial Enrollment Period, including any *dependents* acquired during the COBRA continuation period, with the exception of newborns and adoptees as specified above.

Qualifying Event means any one of the following circumstances which would otherwise result in the termination of your coverage under the *plan*. The events will be referred to throughout this section by number.

1. For Subscribers and Dependents:

- a. The *subscriber's* termination of employment, for any reason other than gross misconduct; or
- b. Loss of coverage under an employer's health plan due to a reduction in the *subscriber's* work hours.

2. For Retired Employees and their Dependents. Cancellation or a substantial reduction of retiree benefits under the *plan* due to the *plan's* filing for Chapter 11 bankruptcy, provided that:

- a. The *plan* expressly includes coverage for retirees; and

- b. Such cancellation or reduction of benefits occurs within one year before or after the *plan's* filing for bankruptcy.

3. **For Dependents:**

- a. The death of the *subscriber*;
- b. The *spouse's* divorce or legal separation from the *subscriber*;
- c. The end of a *domestic partner's* partnership with the *subscriber*;
- d. The end of a *child's* status as a dependent *child*, as defined by the *plan*; or
- e. The *subscriber's* entitlement to Medicare.

ELIGIBILITY FOR COBRA CONTINUATION

A *subscriber* or *dependent* may choose to continue coverage under the *plan* if his or her coverage would otherwise end due to a Qualifying Event.

TERMS OF COBRA CONTINUATION

Notice. We will notify either the *subscriber* or *dependent* of the right to continue coverage under COBRA, as provided below:

1. For Qualifying Events 1, or 2, the *plan administrator* will notify the *subscriber* of the right to continue coverage.
2. For Qualifying Events 3(a) or 3(d) above, a *dependent* will be notified of the COBRA continuation right.
3. You must inform the *plan administrator* within 60 days of Qualifying Events 3(b) or 3(c) above if you wish to continue coverage. The *plan administrator* in turn will promptly give you official notice of the COBRA continuation right.

If you choose to continue coverage you must notify the *plan administrator* within 60 days of the date you receive notice of your COBRA continuation right. The COBRA continuation coverage may be chosen for all *members* within a family, or only for selected *members*.

If you fail to elect the COBRA continuation during the Initial Enrollment Period, you may not elect the COBRA continuation at a later date.

Notice of continued coverage, along with the initial required monthly contribution, must be delivered to us within 45 days after you elect COBRA continuation coverage.

Additional Dependents. A *spouse*, *domestic partner* or *child* acquired during the COBRA continuation period is eligible to be enrolled as a *dependent*. The standard enrollment provisions of the *plan* apply to enrollees during the COBRA continuation period.

Cost of Coverage. You may be required to pay the entire cost of your COBRA continuation coverage. This cost, called the "required monthly contribution", must be remitted to the *plan administrator* each month during the COBRA continuation period.

Besides applying to the *subscriber*, the *subscriber's* rate also applies to:

1. A *spouse* whose COBRA continuation began due to divorce, separation or death of the *subscriber*;
2. A *domestic partner* whose COBRA continuation began due to the end of the domestic partnership or death of the *subscriber*;
3. A *child* if neither the *subscriber* nor the *spouse* has enrolled for this COBRA continuation coverage (if more than one *child* is so enrolled, the required monthly contribution will be the two-party or three-party rate depending on the number of *children* enrolled); and
4. A *child* whose COBRA continuation began due to the person no longer meeting the dependent *child* definition.

Subsequent Qualifying Events. Once covered under the COBRA continuation, it's possible for a second Qualifying Event to occur. If that happens, a *subscriber* or *dependent*, who is a Qualified Beneficiary, may be entitled to an extended COBRA continuation period. This period will in no event continue beyond 36 months from the date of the first qualifying event.

For example, a *child* may have been originally eligible for this COBRA continuation due to termination of the *subscriber's* employment, and enrolled for this COBRA continuation as a Qualified Beneficiary. If, during the COBRA continuation period, the *child* reaches the upper age limit of the *plan*, the *child* is eligible for an extended continuation period which would end no later than 36 months from the date of the original Qualifying Event (the termination of employment).

When COBRA Continuation Coverage Begins. When COBRA continuation coverage is elected during the Initial Enrollment Period and the required monthly contribution is paid, coverage is reinstated back to the date of the original Qualifying Event, so that no break in coverage occurs.

For *dependents* properly enrolled during the COBRA continuation, coverage begins according to the enrollment provisions of the *plan*.

When the COBRA Continuation Ends. This COBRA continuation will end on the earliest of:

1. The end of 18 months from the Qualifying Event, if the Qualifying Event was termination of employment or reduction in work hours;*
2. The end of 36 months from the Qualifying Event, if the Qualifying Event was the death of the *subscriber*, divorce or legal separation, the end of a domestic partnership, or the end of dependent *child* status;*
3. The end of 36 months from the date the *subscriber* became entitled to Medicare, if the Qualifying Event was the *subscriber's* entitlement to Medicare. If entitlement to Medicare does not result in coverage terminating and Qualifying Event 1 occurs within 18 months after Medicare entitlement, coverage for Qualified Beneficiaries other than the *subscriber* will end 36 months from the date the *subscriber* became entitled to Medicare;
4. The date the *plan* terminates;
5. The end of the period for which required monthly contributions are last paid;
6. The date, following the election of COBRA, the *member* first becomes covered under any other group health plan; or
7. The date, following the election of COBRA, the *member* first becomes entitled to Medicare. However, entitlement to Medicare will not preclude a person from continuing coverage which the person became eligible for due to Qualifying Event 2.

*For a *member* whose COBRA continuation coverage began under a *prior plan*, this term will be dated from the time of the Qualifying Event under that *prior plan*. Additional note: If COBRA continuation under this *plan* began on or after January 1, 2003 and ends in accordance with item 1, the *member* may further elect to continue coverage for medical benefits only under CalCOBRA for the balance of 36 months (COBRA and CalCOBRA combined). All COBRA eligibility must be exhausted before the *member* is eligible to further continue coverage under CalCOBRA. Please see CALCOBRA CONTINUATION OF COVERAGE in this booklet for more information.

Subject to the *plan* remaining in effect, a retired employee whose COBRA continuation coverage began due to Qualifying Event 2 may be covered for the remainder of his or her life; that person's covered *dependents* may continue coverage for 36 months after the *subscriber's* death. But coverage could terminate prior to such time for either the *subscriber* or *dependent* in accordance with items 4, 5 or 6 above.

Other Coverage Options Besides COBRA Continuation Coverage.

Instead of enrolling in COBRA continuation coverage, there may be other coverage options for you and your family through the Health Insurance Marketplace, Medicaid, or other group health plan coverage options (such as a *spouse's* plan) through the conditions listed under the SPECIAL ENROLLMENT PERIODS provision. Some of these options may cost less than COBRA continuation coverage. You can learn more about many of these options at www.healthcare.gov.

EXTENSION OF CONTINUATION DURING TOTAL DISABILITY

If at the time of termination of employment or reduction in hours, or at any time during the first 60 days of the COBRA continuation, a Qualified Beneficiary is determined to be disabled for Social Security purposes, all covered *members* may be entitled to up to 29 months of continuation coverage after the original Qualifying Event.

Eligibility for Extension. To continue coverage for up to 29 months from the date of the original Qualifying Event, the disabled *member* must:

1. Satisfy the legal requirements for being totally and permanently disabled under the Social Security Act; and
2. Be determined and certified to be so disabled by the Social Security Administration.

Notice. The *member* must furnish the *plan administrator* with proof of the Social Security Administration's determination of disability during the first 18 months of the COBRA continuation period and no later than 60 days after the later of the following events:

1. The date of the Social Security Administration's determination of the disability;
2. The date on which the original Qualifying Event occurs;
3. The date on which the Qualified Beneficiary loses coverage; or
4. The date on which the Qualified Beneficiary is informed of the obligation to provide the disability notice.

Cost of Coverage. For the 19th through 29th months that the total disability continues, the cost for the extended continuation coverage must be remitted to us. This cost (called the "required monthly contribution") shall be subject to the following conditions:

1. If the disabled *member* continues coverage during this extension, this charge shall be **150%** of the applicable rate for the length of time the disabled *member* remains covered, depending upon the number of covered dependents. If the disabled *member* does not continue

coverage during this extension, this charge shall remain at **102%** of the applicable rate.

2. The cost for extended continuation coverage must be remitted to us each month during the period of extended continuation coverage. We must receive timely payment of the required monthly contribution in order to maintain the extended continuation coverage in force.
3. You may be required to pay the entire cost of the extended continuation coverage.

If a second Qualifying Event occurs during this extended continuation, the total COBRA continuation may continue for up to 36 months from the date of the first Qualifying Event. The required monthly contribution shall then be **150%** of the applicable rate for the 19th through 36th months if the disabled *member* remains covered. The charge will be **102%** of the applicable rate for any periods of time the disabled *member* is not covered following the 18th month.

When The Extension Ends. This extension will end at the earlier of:

1. The end of the month following a period of 30 days after the Social Security Administration's final determination that you are no longer totally disabled;
2. The end of 29 months from the Qualifying Event*;
3. The date the *plan* terminates;
4. The end of the period for which required monthly contributions are last paid;
5. The date, following the election of COBRA, the *member* first becomes covered under any other group health plan; or
6. The date, following the election of COBRA, the *member* first becomes entitled to Medicare. However, entitlement to Medicare will not preclude a person from continuing coverage which the person became eligible for due to Qualifying Event 2.

You must inform the *plan administrator* within 30 days of a final determination by the Social Security Administration that you are no longer totally disabled.

*Note: If your COBRA continuation under this *plan* began on or after January 1, 2003 and ends in accordance with item 2, you may further elect to continue coverage for medical benefits only under CalCOBRA for the balance of 36 months (COBRA and CalCOBRA combined). All COBRA eligibility must be exhausted before you are eligible to further continue

coverage under CalCOBRA. Please see CALCOBRA CONTINUATION OF COVERAGE in this booklet for more information.

CALCOBRA CONTINUATION OF COVERAGE

If your continuation coverage under federal COBRA began on or after January 1, 2003, you have the option to further continue coverage under CalCOBRA for medical benefits only if your federal COBRA ended following:

1. 18 months after the qualifying event, if the qualifying event was termination of employment or reduction in work hours; or
2. 29 months after the qualifying event, if you qualified for the extension of COBRA continuation during total disability.

All federal COBRA eligibility must be exhausted before you are eligible to further continue coverage under CalCOBRA. You are not eligible to further continue coverage under CalCOBRA if you (a) are entitled to Medicare; (b) have other coverage or become covered under another group plan; or (c) are eligible for or covered under federal COBRA. Coverage under CalCOBRA is available for medical benefits only.

TERMS OF CALCOBRA CONTINUATION

Notice. Within 180 days prior to the date federal COBRA ends, the *plan administrator* will notify you of your right to further elect coverage under CalCOBRA. If you choose to elect CalCOBRA coverage, you must notify the *plan administrator* in writing within 60 days of the date your coverage under federal COBRA ends or when you are notified of your right to continue coverage under CalCOBRA, whichever is later.

Please examine your options carefully before declining this coverage. You should be aware that companies selling individual health insurance typically require a review of your medical history that could result in higher cost or you could be denied coverage entirely.

Additional Dependents. A *spouse* or *child* acquired during the CalCOBRA continuation period is eligible to be enrolled as a *dependent*. The standard enrollment provisions of the *plan* apply to enrollees during the CalCOBRA continuation period.

Cost of Coverage. You may be required to pay the entire cost of your CalCOBRA continuation coverage (this is the "required monthly contribution"). This cost must be remitted to the *plan administrator* each month during the CalCOBRA continuation period. This cost will be:

1. 110% of the applicable rate if your coverage under federal COBRA ended after 18 months; or

2. 150% of the applicable rate if your coverage under federal COBRA ended after 29 months.

CalCOBRA Continuation Coverage Under the Prior Plan. If you were covered through CalCOBRA continuation under the *prior plan*, your coverage may continue under this *plan* for the balance of the continuation period. However your coverage shall terminate if you do not comply with the enrollment requirements and required monthly contribution payment requirements of this *plan* within 30 days of receiving notice that your continuation coverage under the *prior plan* will end.

When CalCOBRA Continuation Coverage Begins. When you elect CalCOBRA continuation coverage and pay the required monthly contribution, coverage is reinstated back to the date federal COBRA ended, so that no break in coverage occurs.

For *dependents* properly enrolled during the CalCOBRA continuation, coverage begins according to the enrollment provisions of the *plan*.

When the CalCOBRA Continuation Ends. This CalCOBRA continuation will end on the earliest of:

1. The date that is 36 months after the date of your qualifying event under federal COBRA*;
2. The date the *plan* terminates;
3. The date the *plan administrator* no longer provides coverage to the class of *subscribers* to which you belong;
4. The end of the period for which the required monthly contribution is last paid;
5. The date you become covered under any other health plan;
6. The date you become entitled to Medicare; or
7. The date you become covered under a federal COBRA continuation.

CalCOBRA continuation will also end if you move out of the service area or if you commit fraud.

*If your CalCOBRA continuation coverage began under a *prior plan*, this term will be dated from the time of the qualifying event under that *prior plan*.

COVERAGE FOR SURVIVING DEPENDENTS

Participating employers may provide coverage for surviving *dependents* of a *subscriber* who dies while covered under this *plan*. When such coverage is available, coverage continues for enrolled *dependents* until one of the following occurs:

1. The required monthly contributions are not paid to the *plan administrator* on the *member's* behalf;
2. We cancel coverage for the class of *subscribers* to which the *members* belongs;
3. The *plan* terminates;
4. The *child* no longer meets all of the conditions of coverage in HOW COVERAGE BEGINS AND ENDS; or

Members must contact their *participating employer* to determine whether coverage for surviving *dependents* is available.

EXTENSION OF BENEFITS

If you are a *totally disabled subscriber* or a *totally disabled dependent* and under the treatment of a *physician* on the date of discontinuance of the *plan*, your benefits may be continued for treatment of the totally disabling condition. This extension of benefits is not available if you become covered under another group health plan that provides coverage without limitation for your disabling condition. Extension of benefits is subject to the following conditions:

1. If you are confined as an inpatient in a *hospital* or *skilled nursing facility*, you are considered totally disabled as long as the inpatient *stay* is *medically necessary*, and no written certification of the total disability is required. If you are discharged from the *hospital* or *skilled nursing facility*, you may continue your total disability benefits by submitting written certification by your *physician* of the total disability within 90 days of the date of your discharge. Thereafter, we must receive proof of your continuing total disability at least once every 90 days while benefits are extended.
2. If you are not confined as an inpatient but wish to apply for total disability benefits, you must do so by submitting written certification by your *physician* of the total disability. We must receive this certification within 90 days of the date coverage ends under this *plan*. At least once every 90 days while benefits are extended, we must receive proof that your total disability is continuing.

3. Your extension of benefits will end when any one of the following circumstances occurs:
 - a. You are no longer totally disabled.
 - b. The maximum benefits available to you under this *plan* are paid.
 - c. You become covered under another group health plan that provides benefits without limitation for your disabling condition.
 - d. A period of up to 12 months has passed since your extension began.

GENERAL PROVISIONS

Providing of Care. We are not responsible for providing any type of *hospital*, medical or similar care, nor are we responsible for the quality of any such care received.

Independent Contractors. The *claims administrator's* relationship with providers is that of an independent contractor. *Physicians*, and other health care professionals, *hospitals*, *skilled nursing facilities* and other community agencies are not the *claims administrator's* agents nor is the *claims administrator*, or any of the employees of the *claims administrator*, an employee or agent of any *hospital*, medical group or medical care provider of any type.

Non-Regulation of Providers. The benefits of this *plan* do not regulate the amounts charged by providers of medical care, except to the extent that rates for covered services are regulated with *participating providers*.

Inter-Plan Arrangements

Out-of-Area Services

Overview. The *claims administrator* has a variety of relationships with other Blue Cross and/or Blue Shield Licensees. Generally, these relationships are called "Inter-Plan Arrangements." These Inter-Plan Arrangements work based on rules and procedures issued by the Blue Cross Blue Shield Association ("Association"). Whenever you access healthcare services outside the geographic area we serve (the "Anthem Blue Cross" Service Area), the claim for those services may be processed through one of these Inter-Plan Arrangements. The Inter-Plan Arrangements are described below.

When you receive care outside of the Anthem Blue Cross Service Area, you will receive it from one of two kinds of providers. Most providers ("participating providers") contract with the local Blue Cross and/or Blue Shield Plan in that geographic area ("Host Blue"). Some providers ("non-

participating providers”) do not contract with the Host Blue. See below for an explanation of how both kinds of providers are paid.

Inter-Plan Arrangements Eligibility – Claim Types

Most claim types are eligible to be processed through Inter-Plan Arrangements, as described above. Examples of claims that are not included are *prescription drugs* that you obtain from a *pharmacy* and most dental or vision benefits.

A. BlueCard[®] Program

Under the BlueCard[®] Program, when you receive covered services within the geographic area served by a Host Blue, the *claims administrator* will still fulfill the plan’s contractual obligations. But, the Host Blue is responsible for: (a) contracting with its providers; and (b) handling its interactions with those providers.

When you receive covered services outside the Anthem Blue Cross Service Area and the claim is processed through the BlueCard Program, the amount you pay is calculated based on the lower of:

- The billed charges for covered services; or
- The negotiated price that the Host Blue makes available to the *claims administrator*.

Often, this “negotiated price” will be a simple discount that reflects an actual price that the Host Blue pays to the provider. Sometimes, it is an estimated price that takes into account special arrangements with that provider. Sometimes, such an arrangement may be an average price, based on a discount that results in expected average savings for services provided by similar types of providers. Estimated and average pricing arrangements may also involve types of settlements, incentive payments and/or other credits or charges.

Estimated pricing and average pricing also take into account adjustments to correct for over- or underestimation of past pricing of claims, as noted above. However, such adjustments will not affect the price we used for your claim because they will not be applied after a claim has already been paid.

B. Negotiated (non–BlueCard Program) Arrangements

With respect to one or more Host Blues, instead of using the BlueCard Program, Anthem Blue Cross may process your claims for covered services through Negotiated Arrangements for National Accounts.

The amount you pay for covered services under this arrangement will be calculated based on the lower of either billed charges for covered services or the negotiated price (refer to the description of negotiated price under Section A. BlueCard Program) made available to Anthem Blue Cross by the Host Blue.

C. Special Cases: Value-Based Programs

BlueCard[®] Program

If you receive covered services under a Value-Based Program inside a Host Blue's Service Area, you will not be responsible for paying any of the provider Incentives, risk-sharing, and/or Care Coordinator Fees that are a part of such an arrangement, except when a Host Blue passes these fees to Anthem Blue Cross through average pricing or fee schedule adjustments. Additional information is available upon request.

Value-Based Programs: Negotiated (non-BlueCard Program) Arrangements

If Anthem Blue Cross has entered into a Negotiated Arrangement with a Host Blue to provide Value-Based Programs to the group on your behalf, Anthem Blue Cross will follow the same procedures for Value-Based Programs administration and Care Coordinator Fees as noted above for the BlueCard Program.

D. Inter-Plan Programs: Federal/State Taxes/Surcharges/Fees

Federal or state laws or regulations may require a surcharge, tax or other fee. If applicable, the *claims administrator* will include any such surcharge, tax or other fee as part of the claim charge passed on to you.

E. Non-participating Providers Outside Our Service Area

1. Allowed Amounts and Member Liability Calculation

When covered services are provided outside of Anthem Blue Cross's Service Area by non-participating providers, the *claims administrator* may determine benefits and make payment based on pricing from either the Host Blue or the pricing arrangements required by applicable state or federal law. In these situations, the amount you pay for such services as deductible or co-payment will be based on that allowed amount. Also, you may be responsible for the difference between the amount that the non-participating provider bills and the payment the *claims administrator* will make for the covered services as set forth in this paragraph. Federal or state law, as applicable, will govern payments for out-of-network *emergency services*.

2. Exceptions

In certain situations, the *claims administrator* may use other pricing methods, such as billed charges or the pricing we would use if the healthcare services had been obtained within the Anthem Blue Cross Service Area, or a special negotiated price to determine the amount we will pay for services provided by non-participating providers. In these situations, you may be liable for the difference between the amount that the non-participating provider bills and the payment we make for the covered services as set forth in this paragraph.

F. Blue Cross Blue Shield Global Core[®] Program

If you plan to travel outside the United States, call Member Services for information about your Blue Cross Blue Shield Global Core benefits. Benefits for services received outside of the United States may be different from services received in the United States.

When you are traveling abroad and need medical care, you can call the Blue Cross Blue Shield Global Core Service Center any time. They are available 24 hours a day, seven days a week. The toll free number is **(800) 810-BLUE (2583)**. Or you can call them collect at **(804) 673-1177**.

If you need inpatient hospital care, you or someone on your behalf, should contact the *claims administrator* for preauthorization. Keep in mind, if you need *emergency* medical care, go to the nearest hospital. There is no need to call before you receive care.

Please refer to the "Utilization Review Program" section in this booklet for further information. You can learn how to get pre-authorization when you need to be admitted to the hospital for *emergency* or non-emergency care.

How Claims are Paid with Blue Cross Blue Shield Global Core

In most cases, when you arrange inpatient hospital care with Blue Cross Blue Shield Global Core, claims will be filed for you. The only amounts that you may need to pay up front are any co-payment or deductible amounts that may apply.

You will typically need to pay for the following services up front:

- *Physician* services;
- Inpatient hospital care not arranged through Blue Cross Blue Shield Global Core; and
- Outpatient services.

You will need to file a claim form for any payments made up front.

When you need Blue Cross Blue Shield Global Core claim forms you can get international claims forms in the following ways:

- Call the Blue Cross Blue Shield Global Core Service Center at the numbers above; or
- Online at www.bcbsglobalcore.com

You will find the address for mailing the claim on the form.

Terms of Coverage

1. In order for you to be entitled to benefits under the *plan*, both the *plan* and your coverage under the *plan* must be in effect on the date the expense giving rise to a claim for benefits is incurred.
2. The benefits to which you may be entitled will depend on the terms of coverage in effect on the date the expense giving rise to a claim for benefits is incurred. An expense is incurred on the date you receive the service or supply for which the charge is made.
3. The *plan* is subject to amendment, modification or termination according to the provisions of the *plan* without your consent or concurrence.

Nondiscrimination. No person who is eligible to enroll will be refused enrollment based on health status, health care needs, genetic information, previous medical information, disability, sexual orientation or identity, gender, or age.

Protection of Coverage. We do not have the right to cancel your coverage under this *plan* while: (1) this *plan* is in effect; (2) you are eligible; and (3) your required monthly contributions are paid according to the terms of the *plan*.

Free Choice of Provider. This *plan* in no way interferes with your right as a *member* entitled to *hospital* benefits to select a *hospital*. You may choose any *physician* who holds a valid *physician* and surgeon's certificate and who is a member of, or acceptable to, the attending staff and board of directors of the *hospital* where services are received. You may also choose any other health care professional or facility which provides care covered under this *plan*, and is properly licensed according to appropriate state and local laws. However, your choice may affect the benefits payable according to this *plan*.

Circumstances Beyond the Control of the Plan. If circumstances arise that are beyond the control of the *plan*, we will make a good-faith effort to ensure covered services are available to you. In the event of a declared state of emergency, access to *medically necessary* health care services will be available to *members* who have been impacted and/or displaced

as outlined in the California Health and Safety Code, Section 1368.7. Circumstances that may occur, but are not within the control of the *plan*, include but are not limited to, a major disaster, epidemic, war, when health care services covered under this *plan* are delayed or rendered impractical, or other events beyond our control. Under such circumstances, we will not be responsible for any delay or failure to give services due to lack of available *facilities* or staff.

Provider Reimbursement. *Physicians* and other professional providers are paid on a fee-for-service basis, according to an agreed schedule. A participating *physician* may, after notice from the *claims administrator*, be subject to a reduced negotiated rate in the event the participating *physician* fails to make routine referrals to *participating providers*, except as otherwise allowed (such as for *emergency services*). *Hospitals* and other health care facilities may be paid either a fixed fee or on a discounted fee-for-service basis.

Other forms of payment arrangement are Payment Innovation Programs. These programs may include financial incentives to help improve quality of care and promote the delivery of health care services in a cost-efficient manner. The programs may vary in methodology and subject area of focus and may be modified by the *plan administrator* from time to time, but they will be generally designed to tie a certain portion of a *participating provider's* total compensation to pre-defined quality, cost, efficiency or service standards or metrics. In some instances, *participating providers* may be required to make payment to the *plan* under the program as a consequence of failing to meet these pre-defined standards. The programs are not intended to affect the *member's* access to health care. The program payments are not made as payment for specific covered services provided to the *member*, but instead, are based on the *participating provider's* achievement of these pre-defined standards. The *member* is not responsible for any co-payment amounts related to payments made by the *plan* or to the *plan* under the programs and the member does not share in any payments made by *participating providers* to the *plan* under the programs.

Availability of Care. If there is an epidemic or public disaster and you cannot obtain care for covered services, we refund the unearned part of the required monthly contribution paid. A written request for that refund and satisfactory proof of the need for care must be sent to us within 31 days. This payment fulfills our obligation under this *plan*.

Medical Necessity. The benefits of this *plan* are provided only for services which the *claims administrator* determines to be *medically necessary*. The services must be ordered by the attending *physician* for the direct care and treatment of a covered condition. They must be standard medical practice where received for the condition being treated

and must be legal in the United States. The process used to authorize or deny health care services under this *plan* is available to you upon request.

Expense in Excess of Benefits. We are not liable for any expense you incur in excess of the benefits of this *plan*.

Benefits Not Transferable. Only the *member* is entitled to receive benefits under this *plan*. The right to benefits cannot be transferred.

Notice of Claim. After you get covered services, the *claims administrator* must receive written notice of your claim in order for benefits to be paid.

- *Participating providers* will submit claims for you. They are responsible for ensuring that claims have the information we need to determine benefits. If the claim does not include enough information, we will ask them for more details, and they will be required to supply those details within certain timeframes.
- *Non-participating provider* claims can be submitted by the *physician* if the *physician* is willing to file on your behalf. However, if the *physician* is not submitting on your behalf, you will be required to submit the claim. Claim forms are usually available from the Provider. If they do not have a claims form, you can send a written request to the *claims administrator*, or contact Member Services and ask for a claims form to be sent to you. If you do not receive the claims form, you can still submit written notice of the claim without the claim form. The same information that would be given on the claim form must be included in the written notice of claim, including:
 - Name of patient.
 - Patient's relationship with the *member*.
 - Identification number.
 - Date, type, and place of service.
 - Your signature and the *physician's* signature.

Non-participating provider claims must be submitted within 180 days after the date of service. In certain cases, state or federal law may allow additional time to file a claim, if you could not reasonably file within the 180-day period. The claim must have the information we need to determine benefits. If the claim does not include enough information, we will ask you for more details and inform you of the time by which we need to receive that information. Once we receive the required information, we will process the claim according to the terms of your *plan*.

Claims submitted by a public (government operated) hospital or clinic will be paid by us directly, as long as you have not already received benefit

under that claim. We will pay all claims within 30 days after we receive proof of loss. If you are dissatisfied with our denial or amount of payment, you may request that we review the claim a second time, and you may submit any additional relevant information.

Please note that failure to submit the information we need by the time listed in our request could result in the denial of your claim, unless state or federal law requires an extension. Please contact Member Services if you have any questions or concerns about how to submit claims.

Member's Cooperation. You will be expected to complete and submit to the *claims administrator* all such authorizations, consents, releases, assignments and other documents that may be needed in order to obtain or assure reimbursement under Medicare, Workers' Compensation or any other governmental program. If you fail to cooperate, you will be responsible for any charge for services.

Payment of Benefits. You authorize the *claims administrator*, in its own discretion and on behalf of the employer, to make payments directly to providers for covered services. In no event, however, shall the *plan's* right to make payments directly to a provider be deemed to suggest that any provider is a beneficiary with independent claims and appeal rights under the *plan*. The *claims administrator* also reserves the right, in its own discretion, to make payments directly to you as opposed to any provider for covered service, except for claims for *emergency care* or *federal surprise billing claims* for ground or air ambulance services or non-emergency services performed by *non-participating providers* at certain *participating provider facilities*, which will be paid directly to *physicians* and *facilities*. In the event that payment is made directly to you, you have the responsibility to apply this payment to the claim from the *non-participating provider*. Payments and notice regarding the receipt and/or adjudication of claims may also be sent to an alternate recipient (which is defined herein as any child of a *subscriber* who is recognized under a "Qualified Medical Child Support Order" as having a right to enrollment under the employer's *plan*), or that person's custodial parent or designated representative. Any payments made by the claims administrator (whether to any provider for covered service or you) will discharge the employer's obligation to pay for covered services. You cannot assign your right to receive payment to anyone, except as required by a "Qualified Medical Child Support Order" as defined by, and if subject to, ERISA or any applicable Federal law.

Once a provider performs a covered service, the *claims administrator* will not honor a request to withhold payment of the claims submitted.

The coverage, rights, and benefits under the *plan* are not assignable by any *member* without the written consent of the *plan*, except as provided above. This prohibition against assignment includes rights to receive

payment, claim benefits under the *plan* and/or law, sue or otherwise begin legal action, or request *plan* documents or any other information that a participant or beneficiary may request under ERISA. Any assignment made without written consent from the *plan* will be void and unenforceable.

Time Benefits Payable. When using a Participating Provider, they will bill Anthem directly for services rendered to you. In order for the Health Care Provider to submit a claim on your behalf, you must give the Health Care Provider information necessary for the claim to be filed, such as your Anthem ID Card.

Payment of claims will be made as soon as possible following receipt of the claim, unless more time is required because of incomplete or missing information. We will pay all benefits within thirty (30) calendar days for clean claims. "Clean claim" means a claim submitted by you or a Health Care Provider that has no defect, impropriety, or particular circumstance requiring special treatment preventing payment.

If we fail to pay or deny a clean claim in thirty (30) calendar days, and we subsequently pay the claim, we will pay interest to the Health Care Provider that submitted the claim, as required by law.

Care Coordination. The *plan* pays *participating providers* in various ways to provide covered services to you. For example, sometimes payment to *participating providers* may be a separate amount for each covered service they provide. The *plan* may also pay them one amount for all covered services related to treatment of a medical condition. Other times, the payment may be a periodic, fixed pre-determined amount to cover the costs of covered services. In addition, *participating provider* payments may be financial incentives or other amounts to help improve quality of care and/or promote the delivery of health care services in a cost-efficient manner, or compensate *participating providers* for coordination of your care. In some instances, *participating providers* may be required to make payment to the *plan* because they did not meet certain standards. You do not share in any payments made by *participating providers* to the *plan* under these programs.

Right of Recovery. Whenever payment has been made in error, the *claims administrator* will have the right to make appropriate adjustment to claims, recover such payment from you or, if applicable, the provider, in accordance with applicable laws and regulations. In the event the *claims administrator* recovers a payment made in error from the provider, except in cases of fraud or misrepresentation on the part of the provider, the *claims administrator* will only recover such payment from the provider within 365 days of the date the payment was made on a claim submitted

by the provider. The *claims administrator* reserves the right to deduct or offset any amounts paid in error from any pending or future claim.

Under certain circumstances, if the *claims administrator* pays your healthcare provider amounts that are your responsibility, such as deductibles, co-payments or co-insurance, the *claims administrator* may collect such amounts directly from you. You agree that the *claims administrator* has the right to recover such amounts from you.

The *claims administrator* has oversight responsibility for compliance with provider and vendor and subcontractor contracts. The *claims administrator* may enter into a settlement or compromise regarding enforcement of these contracts and may retain any recoveries made from a provider, vendor, or subcontractor resulting from these audits if the return of the overpayment is not feasible.

The *claims administrator* has established recovery policies to determine which recoveries are to be pursued, when to incur costs and expenses, and whether to settle or compromise recovery amounts. The *claims administrator* will not pursue recoveries for overpayments if the cost of collection exceeds the overpayment amount. The *claims administrator* may not provide you with notice of overpayments made by the *plan* or you if the recovery method makes providing such notice administratively burdensome.

The *claims administrator* reserves the right to deduct or offset, including cross plan offsetting on *participating provider* claims and on *non-participating providers* claims where the *non-participating providers* agrees to cross plan offsetting, any amounts paid in error from any pending or future claim.

Legal Actions. No attempt to recover on the *plan* through legal or equity action may be made until at least 60 days after the written proof of loss has been furnished as required by this *plan*. No such action may be started later than three years from the time written proof of loss is required to be furnished. If you bring a civil action under Section 502(a) of ERISA, you must bring it within one year of the grievance or appeal decision.

Plan Administrator - COBRA. In no event will the *claims administrator* be *plan administrator* for the purposes of compliance with the Consolidated Omnibus Budget Reconciliation Act (COBRA). The term "*plan administrator*" refers to the ASSOCIATION OF CALIFORNIA WATER AGENCIES JOINT POWERS INSURANCE AUTHORITY or to a person or entity other than the *claims administrator*, engaged by the ASSOCIATION OF CALIFORNIA WATER AGENCIES JOINT POWERS INSURANCE AUTHORITY to perform or assist in performing administrative tasks in connection with the *plan*. In providing notices and otherwise performing under the CONTINUATION OF COVERAGE section of this *benefit booklet*, the *plan administrator* is fulfilling statutory obligations imposed on it by federal law

and, where applicable, acting as your agent.

Workers' Compensation Insurance. The *plan* does not affect any requirement for coverage by workers' compensation insurance. It also does not replace that insurance.

Prepayment Fees. The *plan administrator* may require that you contribute all or part of the costs of these required monthly contributions. Please consult your *plan administrator* for details.

Liability to Pay Providers. In the event that the *plan* does not pay a provider who has provided benefits to you, you will be required to pay that provider any amounts not paid to them by the *plan*.

Renewal Provisions. The *plan* is subject to renewal at certain intervals. The required monthly contribution or other terms of the *plan* may be changed from time to time.

Transition Assistance for New Members: Transition Assistance is a process that allows for completion of covered services for new *members* receiving services from a *non-participating provider*. If you are a new *member*, you may request Transition Assistance if any one of the following conditions applies:

1. An acute condition. An acute condition is a medical condition that involves a sudden onset of symptoms due to an illness, injury, or other medical problem that requires prompt medical attention and that has a limited duration. Completion of covered services shall be provided for the duration of the acute condition.
2. A serious chronic condition. A serious chronic condition is a medical condition caused by a disease, illness, or other medical problem or medical disorder that is serious in nature and that persists without full cure or worsens over an extended period of time or requires ongoing treatment to maintain remission or prevent deterioration. Completion of covered services shall be provided for a period of time necessary to complete a course of treatment and to arrange for a safe transfer to another provider, as determined by the *claims administrator* in consultation with you and the *non-participating provider* and consistent with good professional practice. Completion of covered services shall not exceed twelve (12) months from the time you enroll in this *plan*.
3. A pregnancy. A pregnancy is the three trimesters of pregnancy and the immediate postpartum period. Completion of covered services shall be provided for the duration of the pregnancy.

4. A terminal illness. A terminal illness is an incurable or irreversible condition that has a high probability of causing death within one (1) year or less. Completion of covered services shall be provided for the duration of the terminal illness.
5. The care of a newborn *child* between birth and age thirty-six (36) months. Completion of covered services shall not exceed twelve (12) months from the time the *child* enrolls in this *plan*.
6. Performance of a surgery or other procedure that the *claims administrator* have authorized as part of a documented course of treatment and that has been recommended and documented by the provider to occur within 180 days of the time you enroll in this *plan*.

Please contact Member Services at the telephone number listed on your ID card to request Transition Assistance or to obtain a copy of the written policy. Eligibility is based on your clinical condition and is not determined by diagnostic classifications. Transition Assistance does not provide coverage for services not otherwise covered under the *plan*.

You will be notified by telephone, and the provider by telephone and fax, as to whether or not your request for Transition Assistance is approved. If approved, you will be financially responsible only for applicable deductibles, coinsurance, and copayments under the *plan*. Financial arrangements with *non-participating providers* are negotiated on a case-by-case basis. The *non-participating provider* will be asked to agree to accept reimbursement and contractual requirements that apply to *participating providers*, including payment terms. If the *non-participating provider* does not agree to accept said reimbursement and contractual requirements, the *non-participating provider's* services will not be continued. If you do not meet the criteria for Transition Assistance, you are afforded due process including having a *physician* review the request.

Continuity of Care after Termination of Provider: Subject to the terms and conditions set forth below, benefits will be provided at the *participating provider* level for covered services (subject to applicable copayments, coinsurance, deductibles and other terms) received from a provider at the time the provider's contract with the *claims administrator* terminates (unless the provider's contract terminates for reasons of medical disciplinary cause or reason, fraud, or other criminal activity). If your *physician* leaves our network for any reason other than termination of cause, retirement or death, or if coverage under this *plan* ends because the *plan's* Administrative Services Agreement ends, or because your *group* changes plans, and you are in active treatment, you may be able to continue seeing that provider for a limited period of time and still get the *participating provider* benefits.

You must be under the care of the *participating provider* at the time the provider's contract terminates. The terminated provider must agree in

writing to provide services to you in accordance with the terms and conditions of his or her agreement with the *claims administrator* prior to termination. The provider must also agree in writing to accept the terms and reimbursement rates under his or her agreement with the *claims administrator* prior to termination. If the provider does not agree with these contractual terms and conditions, the *claims administrator* is not required to continue the provider's services beyond the contract termination date.

Benefits for the completion of covered services by a terminated provider will be provided only for the following conditions:

1. An acute condition. An acute condition is a medical condition that involves a sudden onset of symptoms due to an illness, injury, or other medical problem that requires prompt medical attention and that has a limited duration. Completion of covered services shall be provided for the duration of the acute condition.
2. A serious chronic condition. A serious chronic condition is a medical condition caused by a disease, illness, or other medical problem or medical disorder that is serious in nature and that persists without full cure or worsens over an extended period of time or requires ongoing treatment to maintain remission or prevent deterioration. Completion of covered services shall be provided for a period of time necessary to complete a course of treatment and to arrange for a safe transfer to another provider, as determined by the *claims administrator* in consultation with you and the terminated provider and consistent with good professional practice. Completion of covered services shall not exceed twelve (12) months from the date the provider's contract terminates.
3. A pregnancy. A pregnancy is the three trimesters of pregnancy and the immediate postpartum period. Completion of covered services shall be provided for the duration of the pregnancy.
4. A terminal illness. A terminal illness is an incurable or irreversible condition that has a high probability of causing death within one (1) year or less. Completion of covered services shall be provided for the duration of the terminal illness.
5. The care of a newborn *child* between birth and age thirty-six (36) months. Completion of covered services shall not exceed twelve (12) months from the date the provider's contract terminates.
6. Performance of a surgery or other procedure that the *claims administrator* has authorized as part of a documented course of treatment and that has been recommended and documented by the provider to occur within 180 days of the date the provider's contract terminates.

Such benefits will not apply to providers who have been terminated due to medical disciplinary cause or reason, fraud, or other criminal activity.

Please contact Member Services at the telephone number listed on your ID card to request continuity of care or to obtain a copy of the written policy. Eligibility is based on your clinical condition and is not determined by diagnostic classifications. Continuity of care does not provide coverage for services not otherwise covered under the *plan*.

You will be notified by telephone, and the provider by telephone and fax, as to whether or not your request for continuity of care is approved. If approved, you will be financially responsible only for applicable deductibles, coinsurance, and copayments under the *plan*. Financial arrangements with terminated providers are negotiated on a case-by-case basis. The terminated provider will be asked to agree to accept reimbursement and contractual requirements that apply to *participating providers*, including payment terms. If the terminated provider does not agree to accept the same reimbursement and contractual requirements, the *claims administrator* is not required to continue that provider's services. If you disagree with the determination regarding continuity of care, you may file a complaint as described in the COMPLAINT NOTICE.

Value-Added Programs. The *claims administrator* may offer health or fitness related programs to its *members*, through which they may access discounted rates from certain vendors for products and services available to the general public. Products and services available under this program are not covered services under the *plan* but are in addition to *plan* benefits. As such, program features are not guaranteed under this health *plan* contract and could be discontinued at any time. The *claims administrator* does not endorse any vendor, product or service associated with this program. Program vendors are solely responsible for the products and services you receive.

Voluntary Clinical Quality Programs. The claims administrator may offer additional opportunities to assist you in obtaining certain covered preventive or other care (e.g., well child check-ups or certain laboratory screening tests) that you have not received in the recommended timeframe. These opportunities are called voluntary clinical quality programs. They are designed to encourage you to get certain care when you need it and are separate from covered services under your plan. These programs are not guaranteed and could be discontinued at any time. The claims administrator will give you the choice and if you choose to participate in one of these programs, and obtain the recommended care within the program's timeframe, you may receive incentives such as gift cards or retailer coupons, which we encourage you to use for health and wellness related activities or items. Under other clinical quality programs, you may receive a home test kit that allows you to test for immediate results or collect the specimen for certain covered laboratory tests at home

and mail it to the laboratory for processing. You may also be offered a home visit appointment to collect such specimens and complete biometric screenings. You may need to pay any cost shares that normally apply to such covered laboratory tests (e.g., those applicable to the laboratory processing fee) but will not need to pay for the home test kit or the home visit. If you have any questions about whether receipt of a gift card or retailer coupon results in taxable income to you, we recommend that you consult your tax advisor.

Voluntary Wellness Incentive Programs. The claims administrator may offer health or fitness related program options for purchase by the plan administrator to help you achieve your best health. These programs are not covered services under your plan, but are separate components, which are not guaranteed under this plan and could be discontinued at any time. If the plan administrator has selected one of these options to make available to all employees, you may receive incentives such as gift cards by participating in or completing such voluntary wellness promotion programs as health assessments, weight management or tobacco cessation coaching. Under other options the plan administrator may select, you may receive such incentives by achieving specified standards based on health factors under wellness programs that comply with applicable law. If you think you might be unable to meet the standard, you might qualify for an opportunity to earn the same reward by different means. You may contact the Member Services number on your ID card and the claims administrator will work with you (and, if you wish, your physician) to find a wellness program with the same reward that is right for you in light of your health status. If you receive a gift card as a wellness reward and use it for purposes other than for qualified medical expenses, this may result in taxable income to you. For additional guidance, please consult your tax advisor.

Policies, Procedures, and Pilot Programs. We are able to introduce new policies, procedures, rules and interpretations, as long as they are reasonable. Such changes are introduced to make the *plan* more orderly and efficient. *Members* must follow and accept any new policies, procedures, rules, and interpretations.

Under the terms of the *agreement*, we have the authority to introduce or terminate from time to time, pilot or test programs for disease management, care management, case management, clinical quality or wellness initiatives which may result in the payment of benefits not otherwise specified in this booklet. We reserve the right to discontinue a pilot or test program at any time.

Program Incentives. The *plan administrator* may offer incentives from time to time in order to introduce you to new programs and services available under this *plan*. We may also offer the ability for you to participate in certain voluntary health or condition-focused digital applications or use

other technology based interactive tool, or receive educational information in order to help you stay engaged and motivated, manage your health, and assist in your overall health and well-being. The purpose of these programs and incentives include, but are not limited to, making you aware of cost effective benefit options or services, helping you achieve your best health, and encouraging you to update member-related information. These incentives may be offered in various forms such as retailer coupons, gift cards and health-related merchandise. Acceptance of these incentives is voluntary as long as the *plan* offers the incentives program. Motivational rewards, awards or points for achieving certain milestones may be a feature of the program. The *plan administrator* may discontinue a program or an incentive for a particular new service or program at any time. If you have any questions about whether receipt of an incentive or retailer coupon results in taxable income to you, please consult your tax advisor.

Protecting your privacy

Where to find our Notice of Privacy Practices

The Health Insurance Portability and Accountability Act of 1996 (HIPAA) is a federal law governing the privacy of individually identifiable health information. We are required by HIPAA to notify you of the availability of our Notice of Privacy Practices. The notice describes our privacy practices, legal duties and your rights concerning your Protected Health Information. We must follow the privacy practices described in the notice while it is in effect (it will remain in effect unless and until we publish and issue a new notice).

We may collect, use and share your Protected Health Information (PHI) for the following reasons and others as allowed or required by law, including the HIPAA Privacy Rule:

For payment: We use and share PHI to manage your account or benefits; or to pay claims for health care you get through your plan.

For health care operations: We use and share PHI for health care operations.

For treatment activities: We do not provide treatment. This is the role of a health care provider, such as your doctor or a hospital. Examples of ways we use your information for payment, treatment and health care operations:

- We keep information about your premium and deductible payments.
- We may give information to a doctor's office to confirm your benefits.

- We may share explanation of benefits (EOB) with the subscriber of your plan for payment purposes.
- We may share PHI with your health care provider so that the provider may treat you.
- We may use PHI to review the quality of care and services you get.
- We may use PHI to provide you with case management or care coordination services for conditions like asthma, diabetes or traumatic injury.
- We may also use and share PHI directly or indirectly with or through health information exchanges for payment, health care operations and treatment. If you do not want your PHI to be shared for payment, health care operations, or treatment purposes in health information exchanges, please visit <https://www.anthem.com/ca/privacy> for more information.

We, including our affiliates or vendors, may call or text any telephone numbers provided by you using an automated telephone dialing system and/or a prerecorded message. Without limitation, these calls may concern treatment options, other health-related benefits and services, enrollment, payment, or billing.

You may obtain a copy of our Notice of Privacy Practices on our website at <https://www.anthem.com/ca/privacy> or you may contact Member Services using the contact information on your ID card.

DEFINITIONS

The meanings of key terms used in this *benefit booklet* are shown below. Whenever any of the key terms shown below appear, it will appear in italicized letters. When any of the terms below are italicized in this *benefit booklet*, you should refer to this section.

Accidental injury is physical harm or disability which is the result of a specific unexpected incident caused by an outside force. The physical harm or disability must have occurred at an identifiable time and place. Accidental injury does not include illness or infection, except infection of a cut or wound.

Alternative birth center is a birth facility designed to provide a home-like atmosphere without sacrificing the necessary safeguards to the mother and/or infant if an unexpected complication occurs. The facility must be approved by the *claims administrator* and be licensed according to state and local laws.

Ambulatory surgical center is a *facility* licensed as an *ambulatory surgery center* as required by law that must satisfy our accreditation requirements and be approved by us.

Approved In-Network Provider. Please see the “Human Organ and Tissue Transplant (Bone Marrow / Stem Cell), Cellular and Gene Therapy Services” benefit in the “Your Medical Benefits” section.

Authorized referral occurs when you, because of your medical needs, require the services of a specialist who is a *non-participating provider*, or require special services or facilities not available at a *contracting hospital*, but only when the referral has been authorized by the *claims administrator* before services are rendered and when the following conditions are met:

1. there is no *participating provider* who practices in the appropriate specialty, or there is no *contracting hospital* which provides the required services or has the necessary facilities;
2. that meets the adequacy and accessibility requirements of state or federal law; and
3. the *member* is referred to *hospital* or *physician* that does not have an agreement with Anthem for a covered service by a *participating provider*.

Benefits for *medically necessary* and appropriate *authorized referral* services received from a *non-participating provider* will be payable as shown in the Exceptions under the SUMMARY OF BENEFITS: CO-PAYMENTS.

You or your *physician* must call the toll-free telephone number printed on your ID card prior to scheduling an admission to, or receiving the services of, a *non-participating provider*.

Such authorized referrals are not available to bariatric surgical services. These services are only covered when performed at a designated bariatric *BDCSC*.

Bariatric BDCSC Coverage Area is the area within the 50-mile radius surrounding a designated bariatric *BDCSC*.

Benefit Booklet (benefit booklet) is this written description of the benefits provided under the *plan*.

Biosimilar (Biosimilars) is a type of biological product that is licensed (approved) by FDA because it is highly similar to an already FDA-approved biological product, known as the biological reference product (reference product), and has been shown to have no clinically meaningful differences from the reference product in terms of safety, purity, and potency.

Blue Distinction Centers for Specialty Care (BDCSC) are health care providers designated by the *claims administrator* as a selected facility for specified medical services. A provider participating in a BDCSC network has an agreement in effect with the *claims administrator* at the time services are rendered or is available through their affiliate companies or our relationship with the Blue Cross and Blue Shield Association. BDCSC agree to accept the *maximum allowed amount* as payment in full for covered services.

Benefits for services performed at a designated *BDCSC* will be the same as for *participating providers*. A *participating provider* in the Prudent Buyer Plan network or the Blue Cross and/or Blue Shield Plan is not necessarily a *BDCSC* facility.

Brand name prescription drugs (brand name drugs) are *prescription drugs* that are classified as *brand name drugs* or the *pharmacy benefit manager* has classified as *brand name drugs* through use of an independent proprietary industry database.

Centers of Medical Excellence (CME) are health care providers designated by the *claims administrator* as a selected facility for specified medical services. A provider participating in a CME network has an agreement in effect with the *claims administrator* at the time services are rendered or is available through their affiliate companies or their relationship with the Blue Cross and Blue Shield Association. CME agree to accept the *maximum allowed amount* as payment in full for covered services. Benefits for services performed at a designated *CME* will be the same as for *participating providers*. A *participating provider* in the Prudent Buyer Plan network is not necessarily a *CME*.

Child meets the *plan's* eligibility requirements for children as outlined under HOW COVERAGE BEGINS AND ENDS.

Chiropractic services means *medically necessary* care by means of adjustment of the spine (to correct a subluxation) performed by a legally licensed chiropractor pursuant to the terms of their license. (Subluxation is a term used in the chiropractic field to describe what happens when one of the vertebrae in your spine moves out of position.)

Claims administrator refers to Anthem Blue Cross Life and Health Insurance Company. On behalf of Anthem Blue Cross Life and Health Insurance Company, Anthem Blue Cross shall perform all administrative services in connection with the processing of claims under the *plan*.

Community Paramedicine Program means a program developed by a local EMS agency and approved by the Emergency Medical Services Authority to provide community paramedicine services consisting of one or more of the program specialties described below under the direction of medical protocols developed by the local EMS agency that are consistent

with the minimum medical protocols established by the authority. Community paramedicine services may consist of the following program specialties:

- Providing directly observed therapy (DOT) to persons with tuberculosis in collaboration with a public health agency to ensure effective treatment of the tuberculosis and to prevent spread of the disease.
- Providing case management services to frequent Emergency Services and Care users in collaboration with, and by providing referral to, existing appropriate community resources.
- Providing short-term, post discharge follow-up for persons recently discharged from a Hospital due to a serious health condition, including collaboration with, and by providing referral to, home health services when eligible.

Compound Medication (Compound Drug) is a mixture of ingredients within a *compound drug* when a commercially available dosage form of a medically necessary medication is not available, ingredients of the compound drug are FDA-approved in the form in which they are used in the *compound medication*, require a prescription to dispense and are not essentially the same as an FDA-approved product from a *drug* manufacturer. Non-FDA approved non-proprietary, multisource ingredients that are vehicles essential for compound administration may be covered.

Consolidated Appropriations Act of 2021 is a federal law described in the "Consolidated Appropriations Act of 2021 Notice" at the front of this booklet for details.

Contracting hospital is a *hospital* which has a Standard Hospital Contract in effect with the *claims administrator* to provide care to *members*. A contracting hospital is not necessarily a *participating provider*. A list of contracting hospitals will be sent on request.

Controlled Substances are *drugs* and other substances that are considered controlled substances under the Controlled Substances Act (CSA) which are divided into five schedules.

Custodial care is care provided primarily to meet your personal needs. This includes help in walking, bathing or dressing. It also includes: preparing food or special diets; feeding by utensil, tube or gastrostomy; suctioning and administration of medicine which is usually self-administered or any other care which does not require continuing services of medical personnel.

If *medically necessary*, benefits will be provided for feeding (by tube or gastrostomy) and suctioning.

Day treatment center is an outpatient psychiatric facility which is licensed according to state and local laws to provide outpatient programs and treatment of *mental health* or substance use disorder under the supervision of *physicians*.

Dependent meets the *plan's* eligibility requirements for dependents as outlined under HOW COVERAGE BEGINS AND ENDS.

Designated pharmacy provider is a *participating pharmacy* that has executed a Designated Pharmacy Provider Agreement with the *plan* or a *participating provider* that is designated to provide *prescription drugs*, including *specialty drugs*, to treat certain conditions.

Domestic partner meets the *plan's* eligibility requirements for domestic partners as outlined under HOW COVERAGE BEGINS AND ENDS: HOW COVERAGE BEGINS.

Drug (prescription drug) is a substance, that under the Federal Food, Drug & Cosmetic Act, must bear a message on their original packing label that says, "Caution: Federal law prohibits dispensing without a prescription." This includes the following:

- Compound ingredients within a *compound drug*, when the ingredients are FDA-approved in the form in which they are used in the *compound drug*, require a prescription to dispense and are not essentially the same as an FDA-approved product from a drug manufacturer.
- Insulin, diabetic supplies, and syringes.

Effective date is the date your coverage begins under this *plan*.

Emergency or Emergency Medical Condition means a medical or behavioral health condition manifesting itself by acute symptoms of sufficient severity including severe pain such that the absence of immediate medical attention could reasonably be expected to result in any of the following:

- Placing the patient's health or the health of another person (or, with respect to a pregnant woman, the health of the woman or her unborn child) in serious jeopardy;
- Serious impairment to bodily functions; or
- Serious dysfunction of any bodily organ or part.

Emergency includes being in active labor when there is inadequate time for a safe transfer to another *hospital* prior to delivery, or when such a

transfer would pose a threat to the health and safety of the *member* or unborn child.

An *emergency medical condition* includes a *psychiatric emergency medical condition*, which is a mental disorder that manifests itself by acute symptoms of sufficient severity that it renders the patient as being either of the following: a) an immediate danger to himself or herself or to others, or b) immediately unable to provide for, or utilize, food, shelter, or clothing, due to the mental disorder.

Emergency services are services provided in connection with the initial treatment of a medical or psychiatric *emergency*.

Experimental is any medical, surgical and/or other procedures, services, products, *drugs* or devices including implants used for research except as specifically stated under the “Clinical Trials” provision from the section MEDICAL CARE THAT IS COVERED.

Facility is a *facility* including but not limited to, a *hospital*, freestanding *ambulatory surgery center*, *residential treatment center* or *skilled nursing facility*, as defined in this booklet. The *facility* must be licensed as required by law, satisfy our accreditation requirements, and be approved by us.

Formulary drug is a *drug* listed on the *prescription drug formulary*.

Gender Dysphoria is a formal diagnosis used by psychologists and *physicians* to describe people who experience significant dysphoria (discontent) with the sex they were assigned at birth and/or the gender roles associated with that sex.

Gender Transition is the process of changing one's outward appearance, including physical sex characteristics, to accord with his or her actual gender identity.

Generally Accepted Standards of Mental Health and Substance Use Disorder Care are standards of care and clinical practice that are generally recognized by health care *providers* practicing in relevant clinical specialties such as psychiatry, psychology, clinical sociology, addiction medicine and counseling, and behavioral health treatment pursuant to state law. Valid, evidence-based sources establishing *generally accepted standards of mental health and substance use disorder care* include peer-reviewed scientific studies and medical literature, clinical practice guidelines and recommendations of nonprofit health care *provider* professional associations, specialty societies and federal government agencies, and drug labeling approved by the United States Food and Drug Administration.

Generic prescription drugs (generic drugs) are *prescription drugs* that are classified as *generic drugs* or that the PBM has classified as *generic drugs* through use of an independent proprietary industry database. *Generic drugs* have the same active ingredients, must meet the same FDA rules for safety, purity and potency, and must be given in the same form (tablet, capsule, cream) as the *brand name drug*.

Home health agencies are providers, licensed when required by law and approved by us, that:

- Gives skilled nursing and other services on a visiting basis in your home; and
- Supervises the delivery of services under a plan prescribed and approved in writing by the attending *physician*.

Home infusion therapy provider is a provider licensed according to state and local laws as a pharmacy, and must be either certified as a home health care provider by Medicare, or accredited as a home pharmacy by The Joint Commission (TJC).

Hospice is an agency or organization providing a specialized form of interdisciplinary health care that provides palliative care (pain control and symptom relief) and alleviates the physical, emotional, social, and spiritual discomforts of a terminally ill person, as well as providing supportive care to the primary caregiver and the patient's family. A hospice must be: currently licensed as a hospice pursuant to Health and Safety Code section 1747 or a licensed *home health agency* with federal Medicare certification pursuant to Health and Safety Code sections 1726 and 1747.1. A list of hospices meeting these criteria is available upon request.

Hospital is a *facility* licensed as a *hospital* as required by law that must satisfy our accreditation requirements and be approved by us. The term *hospital* does not include a provider, or that part of a provider, used mainly for:

- Nursing care
- Rest care
- Convalescent care
- Care of the aged
- Custodial Care
- Educational care
- Subacute care

Intensive In-Home Behavioral Health Program is a range of therapy services provided in the home to address symptoms and behaviors that,

as the result of a *mental health* or substance use disorder, put the *members* and others at risk of harm.

Intensive Outpatient Program is a structured, multidisciplinary treatment for *mental health and substance use disorders* that provides a combination of individual, group and family therapy to *members* who require a type or frequency of treatment that is not available in a standard outpatient setting.

Investigative or **Investigational** procedures, treatments, supplies, devices, equipment, facilities, or drugs (all services) that do not meet one (1) or more of the following criteria:

- have final approval from the appropriate government regulatory body; or
- have the credible scientific evidence published in peer-reviewed medical literature generally recognized by the relevant medical community which permits reasonable conclusions concerning the effect of the procedure, treatment, supply, device, equipment, *facility* or drug (all services) on health outcomes; or
- be proven materially to improve the net health outcome; or
- be as beneficial as any established alternative; or
- show improvement outside the investigational settings.

Recommendations of national *physician* specialty societies, nationally recognized professional healthcare organizations and public health agencies, as well as information from the practicing community, may also be considered.

Maintenance medications or maintenance drugs are *drugs* you take on a regular basis to treat or control a chronic illness such as heart disease, high blood pressure, epilepsy, or diabetes. If you are not sure the *prescription drug* you are taking is a *maintenance medication* or need to determine if your *pharmacy* is a *maintenance pharmacy*, please call Member Services at the number on the back of your ID card or check our website at www.anthem.com for more details.

Maintenance Pharmacy is a *participating pharmacy* that is contracted with our *pharmacy benefit manager* to dispense a 90-day supply of *maintenance drugs*.

Maximum allowed amount is the maximum amount of reimbursement the *claims administrator* will allow for covered medical services and supplies under this *plan*. See YOUR MEDICAL BENEFITS: MAXIMUM ALLOWED AMOUNT.

Medically necessary procedures, supplies, equipment or services are those considered to be:

1. Appropriate and necessary for the diagnosis or treatment of the medical condition;
2. Clinically appropriate in terms of type, frequency, extent, site and duration and considered effective for the patient's illness, injury or disease;
3. Provided for the diagnosis or direct care and treatment of the medical condition;
4. Within standards of good medical practice within the organized medical community;
5. Not primarily for your convenience, or for the convenience of your *physician* or another provider;
6. Not more costly than an equivalent service, including the same service in an alternative setting, or sequence of services that is medically appropriate and is likely to produce equivalent therapeutic or diagnostic results in regard to the diagnosis or treatment of the patient's illness, injury, or condition; and
7. The most appropriate procedure, supply, equipment or service which can safely be provided. The most appropriate procedure, supply, equipment or service must satisfy the following requirements:
 - a. There must be valid scientific evidence demonstrating that the expected health benefits from the procedure, supply, equipment or service are clinically significant and produce a greater likelihood of benefit, without a disproportionately greater risk of harm or complications, for you with the particular medical condition being treated than other possible alternatives; and
 - b. Generally accepted forms of treatment that are less invasive have been tried and found to be ineffective or are otherwise unsuitable.

For purposes of treatment of *mental health* and *substance use disorder*, Medically Necessary means a service or product addressing the specific needs of that patient, for the purpose of preventing, diagnosing, or treating an illness, injury, condition, or its symptoms, including minimizing the progression of an illness, injury, condition, or its symptoms, in a manner that is all of the following:

(i) In accordance with the Generally Accepted Standards of Mental Health and Substance Use Disorder Care,

(ii) Clinically appropriate in terms of type, frequency, extent, site, and duration, and

(iii) Not primarily for the economic benefit of the Claims Administrator and the Member or for the convenience of the patient, treating Physician, or other health care Provider.

Member is the *subscriber* or *dependent*. A member may enroll under only one health plan provided by the *plan administrator*, or any of its affiliates.

Mental health and substance use disorder include conditions that are listed in the most current edition of the Diagnostic and Statistical Manual (DSM) of Mental Disorders.

Mobile Integrated Health Program means a team of licensed health care practitioners, operating within their scope of practice, who provide mobile health services to support the emergency medical services system.

Multi-source brand name drugs are drugs with at least one generic substitute.

Non-contracting hospital is a *hospital* which does not have a Standard Hospital Contract in effect with the *claims administrator* at the time services are rendered.

Non-participating pharmacy is a *pharmacy* which does not have a contract in effect with the *pharmacy benefits manager* at the time services are rendered. In most cases, you will be responsible for a larger portion of your pharmaceutical bill when you go to a non-participating pharmacy.

Non-participating provider is one of the following providers which does NOT have a Prudent Buyer Plan Participating Provider Agreement in effect with the *claims administrator* at the time services are rendered:

- A *hospital*
- A *physician*
- An *ambulatory surgical center*
- A *home health agency*
- A facility which provides diagnostic imaging services
- A durable medical equipment outlet
- A *skilled nursing facility*
- A clinical laboratory
- A *home infusion therapy provider*
- A *hospice*
- A *retail health clinic*
- A licensed qualified autism service provider

They are not *participating providers*. Remember that the *maximum allowed amount* may only represent a portion of the amount which a *non-participating provider* charges for services. See YOUR MEDICAL BENEFITS: MAXIMUM ALLOWED AMOUNT.

Other health care provider is one of the following providers:

- A certified registered nurse anesthetist
- A blood bank
- A licensed ambulance company

The provider must be licensed according to state and local laws to provide covered medical services.

Partial Hospitalization Program is a structured, multidisciplinary treatment for mental health and substance use disorders, including nursing care and active individual, group and family treatment for members who require more care than is available in an intensive outpatient program. **Participating pharmacy** is a *pharmacy* which has a Participating Pharmacy Agreement in effect with the *pharmacy benefit manager* at the time services are rendered. Call your local *pharmacy* to determine whether it is a participating pharmacy or call the toll-free Member Services telephone number.

Participating Employer is a member agency of the ASSOCIATION OF CALIFORNIA WATER AGENCIES JOINT POWERS INSURANCE AUTHORITY (the "*plan administrator*"). The employer must:

1. Be co-grantor of the Association of California Water Agencies Joint Powers Insurance Authority;
2. Have applied for and been accepted for coverage under the Agreement; and
3. Not be eligible for coverage under, or be the holder of, any Anthem Blue Cross Group Benefit Agreement, except another agreement through the *plan administrator*.

Participating provider is one of the following providers or other licensed health care professionals who have a Prudent Buyer Plan Participating Provider Agreement in effect with the *claims administrator* at the time services are rendered:

- A *hospital*
- A *physician*
- An *ambulatory surgical center*
- A *home health agency*
- A facility which provides diagnostic imaging services

- A durable medical equipment outlet
- A *skilled nursing facility*
- A clinical laboratory
- A *home infusion therapy provider*
- *Centers for Medical Excellence (CME)*
- *Blue Distinction Centers for Specialty Care (BDCSC)*
- A *hospice*
- A *retail health clinic*
- A licensed qualified autism service provider

Participating providers agree to accept the *maximum allowed amount* as payment for covered services. A directory of *participating providers* is available upon request.

Pharmacy means a licensed retail pharmacy.

Pharmacy and Therapeutics Process The P&T process is a two-step process used to make determinations that will help you access quality, low-cost medicines within your Plan. This process first uses an independent P&T committee of Health Care Providers that evaluate the clinical evidence of each product under review. During the second step of the process, a committee composed of members with various expertise combines the clinical review with an in-depth analysis of market dynamics, Member impact and financial value to make determinations about the formulary. Our programs may include, but are not limited to, Prescription Drug utilization programs, prior authorization criteria, therapeutic conversion programs, cross-branded initiatives, and Prescription Drug profiling initiatives.

Pharmacy Benefits Manager (PBM) a company that manages pharmacy benefits on the *claims administrator's* behalf. The *claims administrator's* PBM has a nationwide network of *retail pharmacies*, a *home delivery* pharmacy, and clinical services that include prescription drug list management.

The management and other services the PBM provides include, but are not limited to, managing a network of *retail pharmacies* and operating a mail service pharmacy. The PBM, in consultation with the *claims administrator*, also provides services to promote and assist *members* in the appropriate use of pharmacy benefits, such as review for possible excessive use, proper dosage, drug interactions or drug/pregnancy concerns.

Physician means:

1. A doctor of medicine (M.D.) or doctor of osteopathy (D.O.) who is licensed to practice medicine or osteopathy where the care is provided; or
2. One of the following providers, but only when the provider is licensed to practice where the care is provided, is rendering a service within the scope of that license and such license is required to render that service, and is providing a service for which benefits are specified in this booklet:
 - A dentist (D.D.S. or D.M.D.)

 - A nurse practitioner
 - A *psychiatric mental health nurse* (R.N.)*
 - A registered dietitian (R.D.)* or another nutritional professional* with a master's or higher degree in a field covering clinical nutrition sciences, from a college or university accredited by a regional accreditation agency, who is deemed qualified to provide these services by the referring M.D. or D.O. A registered dietitian or other nutritional professional as described here are covered for the provision of diabetic medical nutrition therapy and nutritional counseling for the treatment of eating disorders such as anorexia nervosa and bulimia nervosa only.

- A qualified autism service provider, qualified autism service professional, and a qualified autism service paraprofessional, as described under the BENEFITS FOR AUTISM SPECTRUM DISORDERS section.

***Note:** The providers indicated by asterisks (*) are covered only by referral of a physician as defined in 1 above.

****If** there is no nurse midwife who is a *participating provider* in your area, you may call the Member Services telephone number on your ID card for a referral to an OB/GYN.

Plan is the set of benefits described in this *benefit booklet* and in the amendments to this *benefit booklet*, if any. These benefits are subject to the terms and conditions of the *plan*. If changes are made to the plan, an amendment or revised *benefit booklet* will be issued to each *subscriber* affected by the change.

Plan administrator refers to the ASSOCIATION OF CALIFORNIA WATER AGENCIES JOINT POWERS INSURANCE AUTHORITY, the entity which is responsible for the administration of the *plan*.

Prescription means a written order or refill notice issued by a licensed prescriber.

Prescription drug covered expense is the expense you incur for a covered *prescription drug*, but not more than the *prescription drug maximum allowed amount*. Expense is incurred on the date you receive the service or supply.

Prescription drug formulary (formulary) is a list which the *claims administrator* has developed of outpatient *prescription drugs* which may be cost-effective, therapeutic choices. Any *participating pharmacy* can assist you in purchasing *drugs* listed on the formulary. You may also get information about covered formulary drugs by calling the number on the back of your ID card or going to the internet website anthem.com/ca.

Prescription drug maximum allowed amount is the maximum amount the *claims administrator* will allow for any *drug*. The amount is determined by the *claims administrator* using prescription drug cost information provided to them by the *pharmacy benefits manager*. The amount is subject to change. You may determine the prescription drug maximum allowed amount of a particular drug by calling the number on the back of your ID card.

Prescription drug tiers are used to classify *drugs* for the purpose of setting their *co-payment*. The *claims administrator* will decide which drugs should be in each tier based on clinical decisions made by the *Pharmacy and Therapeutics Process*. The *claims administrator* retains the right at its

discretion to determine coverage for dosage formulation in terms of covered dosage administration methods (for example, by mouth, injection, topical or inhaled) and may cover one form of administration and may exclude or place other forms of administration in another tier (if it is *medically necessary* for you to get a *drug* in an administrative form that is excluded you will need to get written prior authorization (see PRESCRIPTION DRUG FORMULARY: PRIOR AUTHORIZATION above) to get that that administrative form of the *drug*). This is an explanation of what drugs each tier includes:

Tier 1 Drugs are those that have the lowest co-payment. This tier contains low cost preferred *drugs* that may be *generic*, *single source brand name drugs*, *biosimilars*, *interchangeable biologic products* or *multi-source brand name drugs*.

Tier 2 Drugs are those that have higher co-payments than Tier 1 Drugs, but, lower than Tier 3 Drugs. This tier may contain *preferred drugs* that may be *generic*, *single source brand name drugs*, *biosimilars*, *interchangeable biologic products* or *multi-source brand name drugs*.

Tier 3 Drugs are those that have the higher co-payments than Tier 2 Drugs, but, lower than Tier 4 Drugs. This tier may contain higher cost preferred drugs and non-preferred *drugs* that may be *generic*, *single source brand name drugs*, *biosimilars*, *interchangeable biologic products* or *multi-source brand name drugs*.

Tier 4 Drugs are those that have the higher co-payments than Tier 3 Drugs. This tier may contain higher cost *preferred drugs* and non-preferred *drugs* that may be *generic*, *single source brand name drugs*, *biosimilars*, *interchangeable biologic products* or *multi-source brand name drugs*.

Preventive Care Services include routine examinations, screenings, tests, education, and immunizations administered with the intent of preventing future disease, illness, or injury. Services are considered preventive if you have no current symptoms or prior history of a medical condition associated with that screening or service. These services shall meet requirements as determined by federal and state law. Sources for determining which services are recommended include the following:

1. Services with an “A” or “B” rating from the United States Preventive Services Task Force (USPSTF);
2. Immunizations recommended by the Advisory Committee on Immunization Practices of the Centers for Disease Control and Prevention;
3. Preventive care and screenings for infants, children, and adolescents as provided for in the comprehensive guidelines supported by the Health Resources and Services Administration; and

4. Additional preventive care and screening for women provided for in the guidelines supported by the Health Resources and Services Administration.

Please call the Member Services number listed on your ID card for additional information about services that are covered by this *plan* as preventive care services. You may also refer to the following websites that are maintained by the U.S. Department of Health & Human Services.

Prior plan is a plan sponsored by us which was replaced by this *plan* within 60 days. You are considered covered under the prior plan if you: (1) were covered under the prior plan on the date that plan terminated; (2) properly enrolled for coverage within 31 days of this *plan*'s Effective Date; and (3) had coverage terminate solely due to the prior plan's termination.

Prosthetic devices are appliances which replace all or part of a function of a permanently inoperative, absent or malfunctioning body part. The term "prosthetic devices" includes orthotic devices, rigid or semi-supportive devices which restrict or eliminate motion of a weak or diseased part of the body.

Psychiatric emergency medical condition is a mental disorder that manifests itself by acute symptoms of sufficient severity that the patient is either (1) an immediate danger to himself or herself or to others, or (2) immediately unable to provide for or utilize food, shelter, or clothing due to the mental disorder.

Psychiatric health facility is an acute 24-hour facility as defined in California Health and Safety Code 1250.2. It must be:

1. Licensed by the California Department of Health Services;
2. Qualified to provide short-term inpatient treatment according to the state law;
3. Accredited by The Joint Commission (TJC); and
4. Staffed by an organized medical or professional staff which includes a *physician* as medical director.

Psychiatric mental health nurse is a registered nurse (R.N.) who has a master's degree in psychiatric mental health nursing, and is registered as a psychiatric mental health nurse with the state board of registered nurses.

Qualifying Payment Amount is the median *plan participating provider* contract rate we pay *participating providers* for the geographic area where the service is provided for the same or similar services.

Recognized Amount - For *surprise billing claims*, the *recognized amount* is calculated as follows:

- For air ambulance services, the *recognized amount* is equal to the lesser of the *qualifying payment amount* as determined under applicable law (generally, the median plan *participating provider* contract rate we pay *participating providers* for the geographic area where the service is provided for the same or similar services) or the amount billed by the *non-participating* air ambulance service provider.
- For all other *surprise billing claims*, the *recognized amount* is the amount determined by a specified state law; the lesser of the *qualifying payment amount* or the amount billed by the *non-participating provider* or *non-participating provider facility*; or the amount approved under an applicable All-Payer Model Agreement under section 1115A of the Social Security Act.

Residential treatment center is an inpatient *facility* that provides multidisciplinary treatment for *mental health and substance use disorder* conditions. The *facility* must be licensed as a residential treatment center in the state in which it is located, satisfy our accreditation requirements, and be approved by us. The *facility* must be fully accredited by The Joint Commission (TJC), the Commission on Accreditation of Rehabilitation Facilities (CARF), the National Integrated Accreditation for Healthcare Organizations (NIAHO), or the Council on Accreditation (COA).

The term *residential treatment center/facility* does not include a provider, or that part of a provider, used mainly for:

- Nursing care
- Rest care
- Convalescent care
- Care of the aged
- *Custodial care*
- Educational care

Retail Health Clinic - A facility that provides limited basic medical care services to *members* on a “walk-in” basis. These clinics normally operate in major pharmacies or retail stores.

Single source brand name drugs are drugs with no generic substitute.

Skilled nursing is an inpatient *facility* that provides multidisciplinary treatment for convalescent and rehabilitative care. It must be licensed as

a *skilled nursing facility* in the state in which it is located that must satisfy our accreditation requirements and be approved by us.

A *skilled nursing facility* is not a place mainly for care of the aged, *custodial care* or domiciliary care, or a place for rest, educational, or similar services.

Special care units are special areas of a *hospital* which have highly skilled personnel and special equipment for acute conditions that require constant treatment and observation.

Specialist is a *physician* who focuses on a specific area of medicine or group of patients to diagnose, manage, prevent, or treat certain types of symptoms and conditions. A non-physician specialist is a provider who has added training in a specific area of health care.

Specialty drugs are typically high-cost, injectable, infused, oral or inhaled medications that generally require close supervision and monitoring of their effect on the patient by a medical professional. Certain specified *specialty drugs* may require special handling, such as temperature controlled packaging and overnight delivery, and therefore, certain specified *specialty drugs* will be required to be obtained through the specialty pharmacy program, unless you qualify for an exception.

Spouse meets the *plan's* eligibility requirements for spouses as outlined under HOW COVERAGE BEGINS AND ENDS.

Stay is inpatient confinement which begins when you are admitted to a facility and ends when you are discharged from that facility.

Subscriber is the person who, by meeting the *plan's* eligibility requirements for employees, is allowed to choose membership under this *plan* for himself or herself and his or her eligible *dependents*. Such requirements are outlined in HOW COVERAGE BEGINS AND ENDS. A person may enroll as a subscriber under only one health plan provided by the *plan administrator*, or any of its affiliates.

Surprise Billing Claim is described in the "Consolidated Appropriations Act of 2021 Notice" at the front of this booklet for details.

Totally disabled dependent is a *dependent* who is unable to perform all activities usual for persons of that age.

Totally disabled subscriber is a *subscriber* who, because of illness or injury, is unable to work for income in any job for which he/she is qualified or for which he/she becomes qualified by training or experience, and who is in fact unemployed.

Triage to Alternate Destination Program means a program developed by a local EMS agency and approved by the Emergency Medical Services Authority to provide triage paramedic assessments consisting of one or

more specialties described below operating under triage and assessment protocols developed by the local EMS agency that are consistent with the minimum triage and assessment protocols established by the authority. Triage paramedic assessments may consist of the following program specialties:

- Providing care and comfort services to hospice patients in their homes in response to 911 calls by providing for the patient's and the family's immediate care needs, including grief support in collaboration with the patient's Hospice agency until the Hospice nurse arrives to treat the patient. This paragraph does not impact or alter existing authorities applicable to a licensed paramedic operating under the medical control policies adopted by a local EMS agency medical director to treat and keep a hospice patient in the patient's current residence or otherwise require transport to an acute care Hospital in the absence of an approved triage to alternate destination Hospice program.
- Providing patients with advanced life support triage and assessment by a triage paramedic and transportation to an alternate destination Facility.
- Providing transport services for patients who identify as veterans and desire transport to a local veteran's administration emergency department for treatment, when appropriate.

Urgent care are the services necessary to prevent serious deterioration of your health or, in the case of pregnancy, the health of the unborn child, resulting from an unforeseen illness, injury, or complication of an existing condition, including pregnancy, for which treatment cannot be delayed. Urgent care services are for conditions which require prompt attention as required by state law and are not *emergency services*.

We (us, our) refers to ASSOCIATION OF CALIFORNIA WATER AGENCIES JOINT POWERS INSURANCE AUTHORITY.

Year or **calendar year** is a 12 month period starting January 1 at 12:01 a.m. Pacific Standard Time.

You (your) refers to the *subscriber* and *dependents* who are enrolled for benefits under this *plan*.

YOUR RIGHT TO APPEALS

For purposes of these Appeal provisions, “claim for benefits” means a request for benefits under the *plan*. The term includes both pre-service and post-service claims.

- A pre-service claim is a claim for benefits under the *plan* for which you have not received the benefit or for which you may need to obtain approval in advance.
- A post-service claim is any other claim for benefits under the *plan* for which you have received the service.

If your claim is denied:

- you will be provided with a written notice of the denial; and
- you are entitled to a full and fair review of the denial.

The procedure the *claims administrator* will follow will satisfy following the minimum requirements for a full and fair review under applicable federal regulations.

Notice of Adverse Benefit Determination

If your claim is denied, the *claims administrator's* notice of the adverse benefit determination (denial) will include:

- information sufficient to identify the claim involved;
- the specific reason(s) for the denial;
- a reference to the specific *plan* provision(s) on which the *claims administrator's* determination is based;
- a description of any additional material or information needed to perfect your claim;
- an *explanation* of why the additional material or information is needed;
- a description of the *plan's* review procedures and the time limits that apply to them, including a statement of your right to bring a civil action under ERISA (if applicable) within one year of the appeal decision if you submit an appeal and the claim denial is upheld;
- information about any internal rule, guideline, protocol, or other similar criterion relied upon in making the claim determination and about your right to request a copy of it free of charge, along with a discussion of the claims denial decision;

- information about the scientific or clinical judgment for any determination based on medical necessity or experimental treatment, or about your right to request this explanation free of charge, along with a discussion of the claims denial decision; and
- information regarding your potential right to an External Appeal pursuant to federal law.

For claims involving urgent/concurrent care:

- the *claims administrator's* notice will also include a description of the applicable urgent/concurrent review process; and
- the *claims administrator* may notify you or your authorized representative within 24 hours orally and then furnish a written notification.

Appeals

You have the right to appeal an adverse benefit determination (claim denial). You or your authorized representative must file your appeal within 180 calendar days after you are notified of the denial. You will have the opportunity to submit written comments, documents, records, and other information supporting your claim. The *claims administrator's* review of your claim will take into account all information you submit, regardless of whether it was submitted or considered in the initial benefit determination.

- The *claims administrator* shall offer a single mandatory level of appeal and an additional voluntary second level of appeal which may be a panel review, independent review, or other process consistent with the entity reviewing the appeal. The time frame allowed for the *claims administrator* to complete its review is dependent upon the type of review involved (e.g. pre-service, concurrent, post-service, urgent, etc.).

For pre-service claims involving urgent/concurrent care, you may obtain an expedited appeal. You or your authorized representative may request it orally or in writing. All necessary information, including the *claims administrator's* decision, can be sent between the *claims administrator* and you by telephone, facsimile or other similar method. To file an appeal for a claim involving urgent/concurrent care, you or your authorized representative must contact the *claims administrator* at the phone number listed on your ID card and provide at least the following information:

- the identity of the claimant;
- the date (s) of the medical service;
- the specific medical condition or symptom;

- the provider's name;
- the service or supply for which approval of benefits was sought; and
- any reasons why the appeal should be processed on a more expedited basis.

All other requests for appeals should be submitted in writing by the Member or the Member's authorized representative, except where the acceptance of oral appeals is otherwise required by the nature of the appeal (e.g. urgent care). You or your authorized representative must submit a request for review to:

Anthem Blue Cross Life and Health Insurance Company
 ATTN: Appeals
 P.O. Box 4310, Woodland Hills, CA 91365-4310

Upon request, the *claims administrator* will provide, without charge, reasonable access to, and copies of, all documents, records, and other information relevant to your claim. "Relevant" means that the document, record, or other information:

- was relied on in making the benefit determination; or
- was submitted, considered, or produced in the course of making the benefit determination; or
- demonstrates compliance with processes and safeguards to ensure that claim determinations are made in accordance with the terms of the *plan*, applied consistently for similarly-situated claimants; or
- is a statement of the *plan's* policy or guidance about the treatment or benefit relative to your diagnosis.

The *claims administrator* will also provide you, free of charge, with any new or additional evidence considered, relied upon, or generated in connection with your claim. In addition, before you receive an adverse benefit determination on review based on a new or additional rationale, the *claims administrator* will provide you, free of charge, with the rationale.

How Your Appeal will be Decided

When the *claims administrator* considers your appeal, the *claims administrator* will not rely upon the initial benefit determination or, for voluntary second-level appeals, to the earlier appeal determination. The review will be conducted by an appropriate reviewer who did not make the initial determination and who does not work for the person who made the initial determination. A voluntary second-level review will be conducted by an appropriate reviewer who did not make the initial determination or the

first-level appeal determination and who does not work for the person who made the initial determination or first-level appeal determination.

If the denial was based in whole or in part on a medical judgment, including whether the treatment is experimental, investigational, or not *medically necessary*, the reviewer will consult with a health care professional who has the appropriate training and experience in the medical field involved in making the judgment. This health care professional will not be one who was consulted in making an earlier determination or who works for one who was consulted in making an earlier determination.

Notification of the Outcome of the Appeal

If you appeal a claim involving urgent/concurrent care, the *claims administrator* will notify you of the outcome of the appeal as soon as possible, but not later than 72 hours after receipt of your request for appeal.

If you appeal any other pre-service claim, the *claims administrator* will notify you of the outcome of the appeal within 30 days after receipt of your request for appeal.

If you appeal a post-service claim, the *claims administrator* will notify you of the outcome of the appeal within 60 days after receipt of your request for appeal.

Appeal Denial

- If your appeal is denied, that denial will be considered an adverse benefit determination. The notification from the *claims administrator* will include all of the information set forth in the above subsection entitled "Notice of Adverse Benefit Determination."

Voluntary Second Level Appeals

If you are dissatisfied with the *Plan's* mandatory first level appeal decision, a voluntary second level appeal may be available. If you would like to initiate a second level appeal, please write to the address listed above. Voluntary appeals must be submitted within 60 calendar days of the denial of the first level appeal. You are not required to complete a voluntary second level appeal prior to submitting a request for an independent External Review.

External Review

If the outcome of the mandatory first level appeal is adverse to you, you may be eligible for an independent External Review pursuant to federal law.

You must submit your request for External Review to the *claims administrator* within four (4) months of the notice of your final internal adverse determination.

A request for an External Review must be in writing unless the *claims administrator* determines that it is not reasonable to require a written statement. You do not have to re-send the information that you submitted for internal appeal. However, you are encouraged to submit any additional information that you think is important for review.

For pre-service claims involving urgent/concurrent care, you may proceed with an Expedited External Review without filing an internal appeal or while simultaneously pursuing an expedited appeal through the *claims administrator's* internal appeal process. You or your authorized representative may request it orally or in writing. All necessary information, including the *claims administrator's* decision, can be sent between the *claims administrator* and you by telephone, facsimile or other similar method. To proceed with an Expedited External Review, you or your authorized representative must contact the *claims administrator* at the phone number listed on your ID card and provide at least the following information:

- the identity of the claimant;
- the date (s) of the medical service;
- the specific medical condition or symptom;
- the provider's name;
- the service or supply for which approval of benefits was sought; and
- any reasons why the appeal should be processed on a more expedited basis.

All other requests for External Review should be submitted in writing unless the *claims administrator* determines that it is not reasonable to require a written statement. Such requests should be submitted by you or your authorized representative to:

Anthem Blue Cross Life and Health Insurance Company
ATTN: Appeals
P.O. Box 4310, Woodland Hills, CA 91365-4310

This is not an additional step that you must take in order to fulfill your appeal procedure obligations described above. Your decision to seek External Review will not affect your rights to any other benefits under this health care *plan*. There is no charge for you to initiate an independent External Review. The External Review decision is final and binding on all

parties except for any relief available through applicable state laws or ERISA (if applicable).

Requirement to file an Appeal before filing a lawsuit

No lawsuit or legal action of any kind related to a benefit decision may be filed by you in a court of law or in any other forum, unless it is commenced within one year of the *Plan's* final decision on the claim or other request for benefits. If the *Plan* decides an appeal is untimely, the *Plan's* latest decision on the merits of the underlying claim or benefit request is the final decision date. You must exhaust the *Plan's* internal Appeals Procedure but not including any voluntary level of appeal, before filing a lawsuit or taking other legal action of any kind against the *Plan*.

The *claims administrator* reserves the right to modify the policies, procedures and timeframes in this section upon further clarification from Department of Health and Human Services and Department of Labor.

AGENT FOR SERVICE OF LEGAL PROCESS

The Agent for Service of Legal Process is ASSOCIATION OF CALIFORNIA WATER AGENCIES JOINT POWERS INSURANCE AUTHORITY (the Plan Administrator). Anthem Blue Cross Life and Health (the *claims administrator*) has taken the responsibility of Claim Appeal Fiduciary. Anthem Blue Cross Life and Health's duties and responsibilities as claim appeal fiduciary shall be limited to the review of denied claims. All claims with respect to which legal action is taken against the proceeds, such as suit, attachment or restraining order shall be referred to the Plan Administrator.

LANGUAGE ASSISTANCE PROGRAM

Anthem Blue Cross Life and Health introduced its Language Assistance Program to provide certain written translation and oral interpretation services to California *members* with limited English proficiency.

The Language Assistance Program makes it possible for you to access oral interpretation services and certain written materials vital to understanding your health coverage at no additional cost to you.

Written materials available for translation include grievance and appeal letters, consent forms, claim denial letters, and explanations of benefits. These materials are available in the following languages:

- Spanish
- Chinese
- Vietnamese
- Korean
- Tagalog

Oral interpretation services are available in additional languages.

Requesting a written or oral translation is easy. Just contact Member Services by calling the phone number on your ID card to update your language preference to receive future translated documents or to request interpretation assistance. Translation of written materials about your benefits can also be requested by contacting Member Services. TTY/TDD services are also available by dialing 711. A special operator will get in touch with us to help with your needs.

For more information about the Language Assistance Program visit www.anthem.com/ca.

STATEMENT OF RIGHTS UNDER THE NEWBORNS AND MOTHERS HEALTH PROTECTION ACT

Under federal law, group health plans and health insurance issuers offering group health insurance coverage generally may not restrict benefits for any *hospital* length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery or less than 96 hours following a delivery by cesarean section. However the plan or issuer may pay for a shorter stay if the attending *physician* (e.g., your *physician*, nurse midwife, or physician assistant), after consultation with the mother, discharges the mother or newborn earlier.

Also, under federal law, plans and issuers may not set the level of benefits or out-of-pocket costs so that any later portion of the 48 hour (or 96 hour) stay is treated in a manner less favorable to the mother or newborn than any earlier portion of the stay.

In addition, a plan or issuer may not, under federal law, require that a *physician* or other health care provider obtain authorization for prescribing a length of stay of up to 48 hours (or 96 hours). However, to use certain providers or facilities, or to reduce your out-of-pocket costs, you may be required to obtain pre-certification. For information on pre-certification, please call the Member Services telephone number listed on your ID card.

STATEMENT OF RIGHTS UNDER THE WOMEN'S HEALTH AND CANCER RIGHTS ACT OF 1998

This *plan*, as required by the Women's Health and Cancer Rights Act of 1998, provides benefits for mastectomy-related services including all stages of reconstruction and surgery to achieve symmetry between the breasts, prostheses, and complications resulting from a mastectomy (including lymphedema). If you have any questions about this coverage, please call the Member Services telephone number listed on your ID card.

Carrum Health Surgery Benefit

Eligible ACWA JPIA health plan enrollees and their covered dependents have access to the Carrum Health surgery benefit, which provides enhanced coverage for certain planned procedures at participating Centers of Excellence.

Eligible procedures include, but are not limited to:

- Total Knee Replacement
- Total Hip Replacement
- Cervical Spinal Fusion
- Lumbar Spinal Fusion
- Coronary Bypass Surgery

How It Works

Eligible employees and their covered dependents can contact Carrum Health either by phone (1-888-855-7806) or online (my.carrumhealth.com/acwajpia) to search for and compare participating hospitals and physicians.

After contacting Carrum Health, patients are assigned a personal Care Concierge to provide non-medical coordination throughout the entire episode of care. Concierge services include assistance with hospital and physician selection, appointment scheduling, travel reservations and logistics management (if necessary) and medical records collection.

Patients must agree to provide their medical records and any other relevant information to their selected hospital and physicians in order to facilitate a pre-op evaluation to determine if the procedure is appropriate and medically necessary. Receiving a pre-op evaluation does not commit a patient to proceed with the procedure or Carrum Health.

Covered Expenses

Medical costs: The Carrum Health surgery benefit covers all medical costs incurred and related to the procedure with no co-pay, deductible or co-insurance (except those enrolled in an HSA-compatible plan who have not yet met the federal minimum annual deductible).

Travel costs: In addition, where applicable, the following expenses incurred for transportation, lodging, meals and incidentals are covered for the patient and one companion, as long as travel arrangements are scheduled and reserved through Carrum Health.

- a) **Round-trip transportation** for the patient and one companion between the patient's home location and the location of the Center of Excellence where the procedure is to be performed.
- b) **Hotel accommodations** near the Center of Excellence, limited to one room to be shared by the patient and one companion.
- c) **Meals and incidentals** in the form of a per diem intended to cover all other out-of-pocket expenses related to the procedure. The per diem will be provided before and after, but not during, the inpatient stay. The per diem will be paid to the patient prior to travel to the Center of Excellence location.

Coverage Limitations and Disclosures

The Carrum Health surgery benefit is only available to eligible employees and dependents when the ACWA JPIA health plan is their primary coverage, and the ACWA JPIA would not pay as secondary to another health plan.

Although a procedure may be offered by Carrum Health, it is only covered under the ACWA JPIA health plan as long as it is deemed to be medically necessary and not otherwise excluded under the terms of the health plan.

The ACWA JPIA health plan will remain responsible for incurred costs, in accordance with the applicable terms, if a change of plans is necessary after travel arrangements have been made. The ACWA JPIA health plan will also cover emergency or life-saving medical services that occur as the result of the planned procedures under the Carrum Health surgery benefit, subject to the coverage limits, cost-sharing and other terms of the ACWA JPIA health plan.

Certain examinations, tests or other medical services may be required before or after the patient visits the chosen Center of Excellence under the Carrum Health surgery benefit. Any medical services not performed by a participating Carrum Health facility or physician, including necessary pre- and post-acute care, is subject to the coverage limits, cost-sharing and other terms of the ACWA JPIA health plan.

Carrum Health will provide appropriate documentation for any non-medical benefits paid under the program, which may be subject to taxation as income to the patient – in particular, the allowance paid for meals and incidentals.

About Carrum Health

Carrum Health provides access to hospitals and surgeons for planned medical procedures and coordinates the delivery of care with travel,

communication and other non-medical aspects of the program. Carrum Health itself does not render any medical care or advice, and does not recommend any particular medical providers or course of treatment.
