Dear Directors,

I am writing to request your vote for the ACWA JPIA Executive Committee. As the designated JPIA Director for Reclamation District 784, I bring a wealth of experience and dedication to water management and insurance programs.

I currently serve as a board member of Reclamation District 784, a position I have held for the past two years. I was recently re-elected for a new four-year term, which underscores my commitment, and the trust placed in me by my colleagues and the community.

Reclamation District 784 participates in the ACWA JPIA Liability Program, Employee Benefits, Property, and Workers' Compensation. I currently serve on the Employee Benefits Committee.

My extensive experience includes serving as a director of the Yuba Water Agency and as a member of the ACWA JPIA Executive Board and the ACWA Board, where I had the honor of serving as President. I have also served on the Yuba Community College District Board, the California Community College Trustees Board, and the Feather River State Bank Board, where I held the position of Chairman.

My diverse board experience has equipped me with a broad understanding of governance, strategic planning, and stakeholder engagement. I am passionate about water management and insurance and believe my background makes me a strong candidate for the ACWA JPIA Executive Committee. I am eager to contribute to the Executive Committee's mission and work collaboratively with other board members to advance its goals.

Thank you for your vote and I look forward to serving you on the Executive Committee.

Sincerely,
