- Costs may vary by the site of service. Other cost shares may apply depending on services provided. Check your Certificate of Coverage for details.
- Outpatient Facility tests and treatments are limited to \$350 per service for Non-Network Providers. Includes Diagnostic Services, X-ray, Surgery, Rehabilitation, Habilitation, and Cardiac Therapy. This also includes Surgery at Freestanding Facilities. Advanced Diagnostic Imaging is limited to \$800 per service for Non-Network Providers.
- Coverage includes standard fertility preservation services as a basic healthcare service including but are not limited to, injections, cryopreservation and storage for both male and female members when a medically necessary treatment may cause iatrogenic infertility. Member cost share for fertility preservation services is based on provider type and service rendered.
- Certain surgeries, including knee replacement, hip replacement, lumbar fusion, cardiac bypass, and bariatric surgery, may be covered at no cost through Carrum Health. Call 1-888-855-7806 or visit my.carrumhealth.com/acwajpia to learn more.

Members will pay upfront and submit a claim form.
- Preferred Generics: If a member requests a brand name drug when a generic drug version exists, the member pays the generic drug copay plus the difference in cost between the prescription drug maximum allowed amount for the generic drug and the brand name drug dispensed. This does not apply when the physician has specified "dispense as written" (DAW) or when it has been determined that the brand name drug is medically necessary for the member. In such case, the applicable copay for the dispensed drug will apply.
