Your Plan: 2023 Consumer Driven Health Plan (CDHP) (EV85) (1DMW)

Your Network: Prudent Buyer PPO

Covered Medical Benefits	Cost if you use an In-Network Provider	Cost if you use a Non-Network Provider
Overall Deductible	$1,500 person / $3,000 family	$1,500 person / $3,000 family
Overall Out-of-Pocket Limit	$2,500 person / $4,000 family	$2,500 person / $4,000 family
The family deductible and out-of-pocket limit are non-embedded, meaning the cost shares of all family members apply to one family deductible and one family out-of-pocket limit. The per person deductible and per person out-of-pocket limit apply to individuals enrolled under single-only coverage. Your copays, coinsurance and deductible count toward your out of pocket limit(s). In-Network and Non-Network deductibles are combined and accumulate toward each other; however In-Network and Non-Network out-of-pocket limit amounts accumulate separately and do not accumulate toward each other.
