

From your mobile device log into Sydney:

Utilize the navigational options at the bottom of your screen. Select Care.

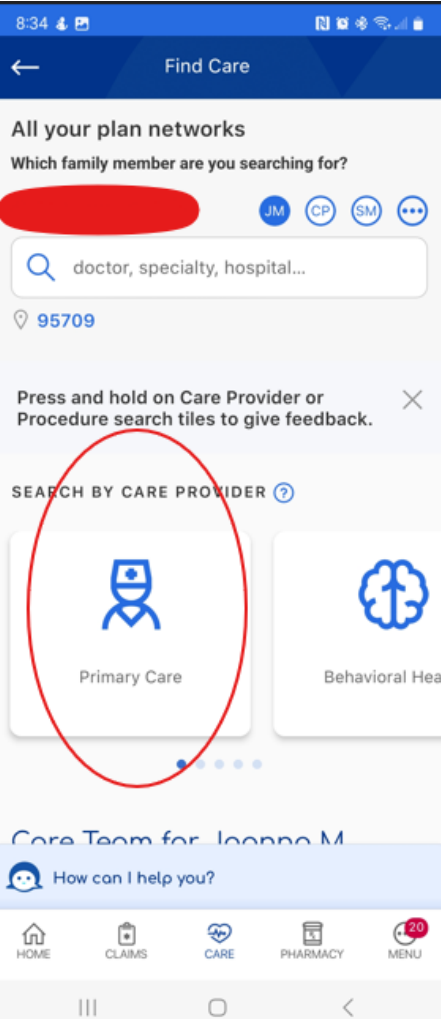

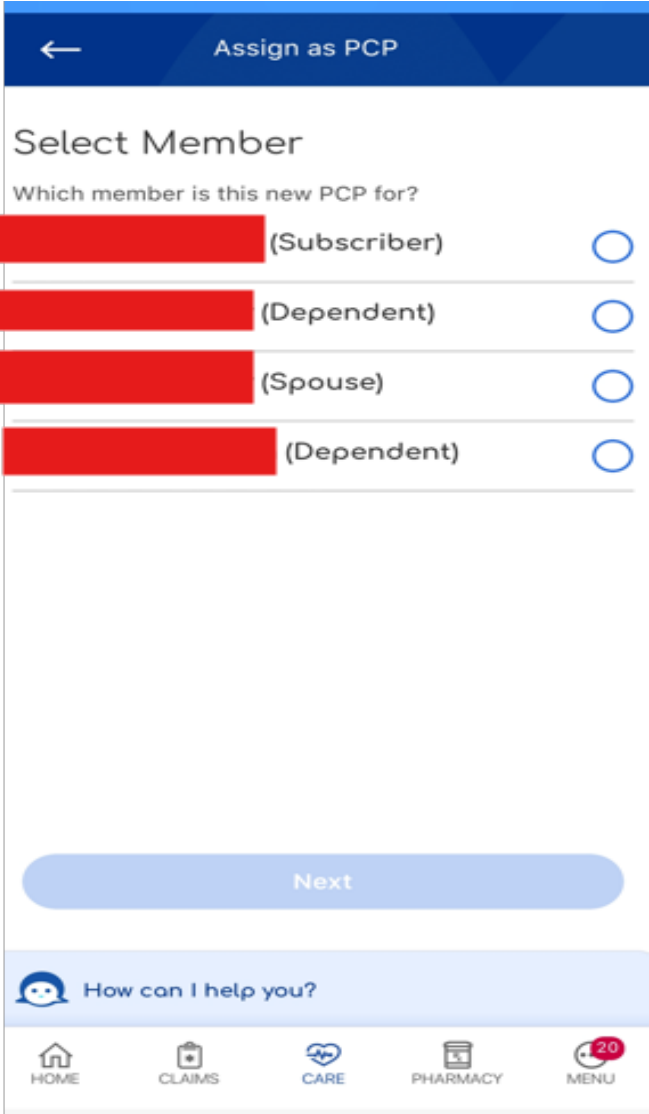

Step 2

Select Find Care & Cost

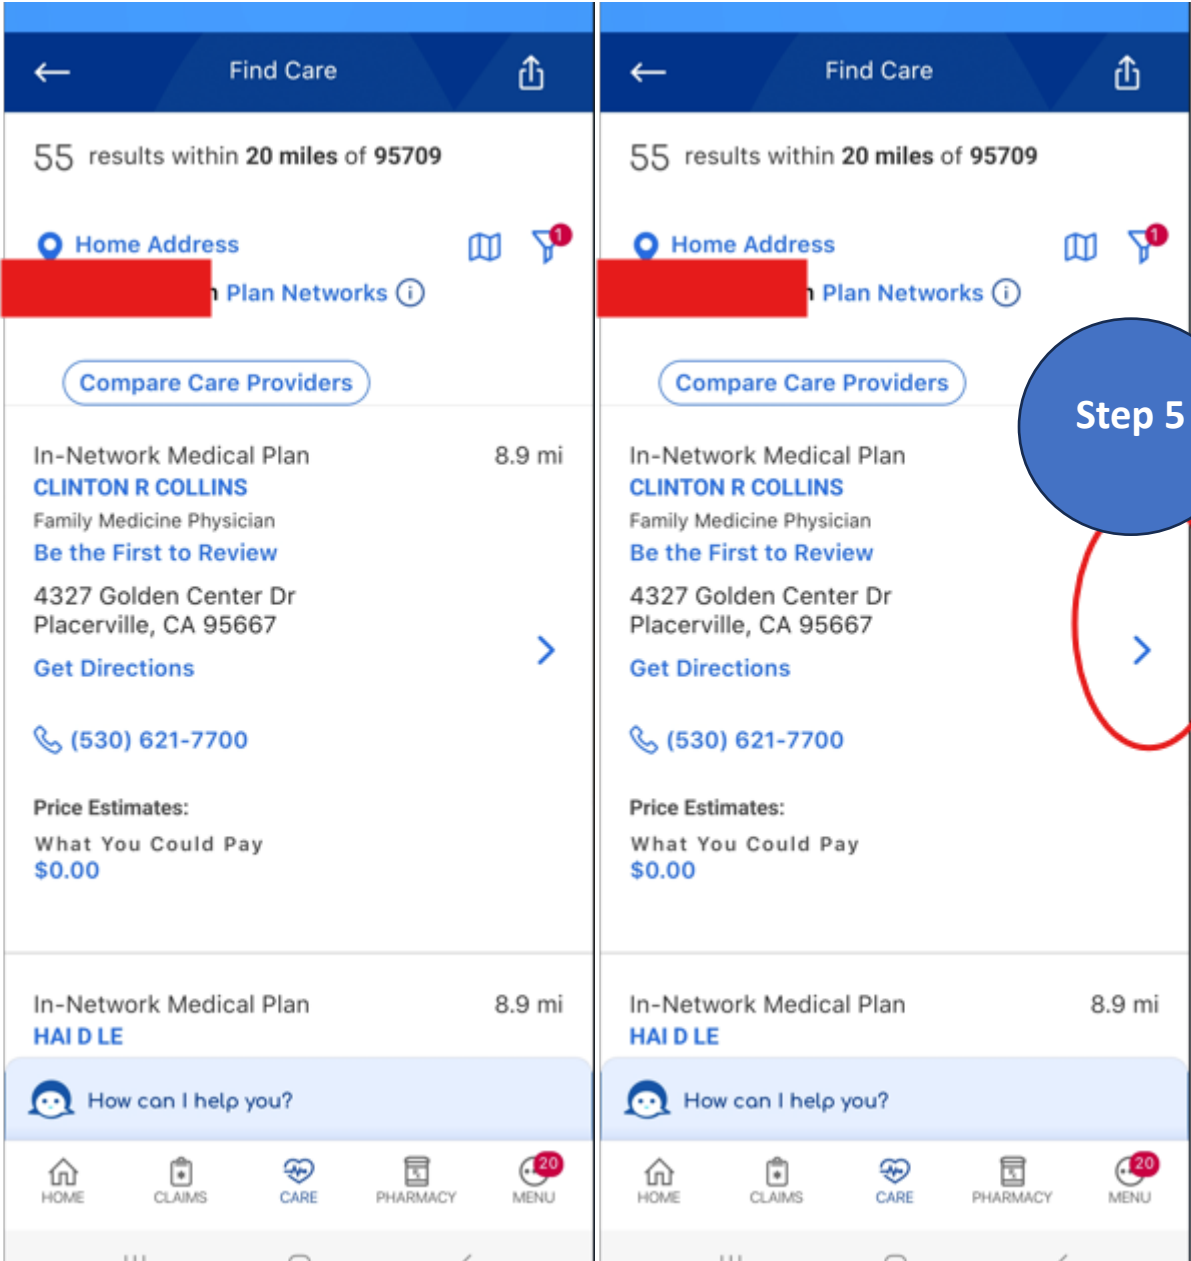

Step 3

Select the family member you are looking to reassign a PCP (Next). Then select into Primary care.

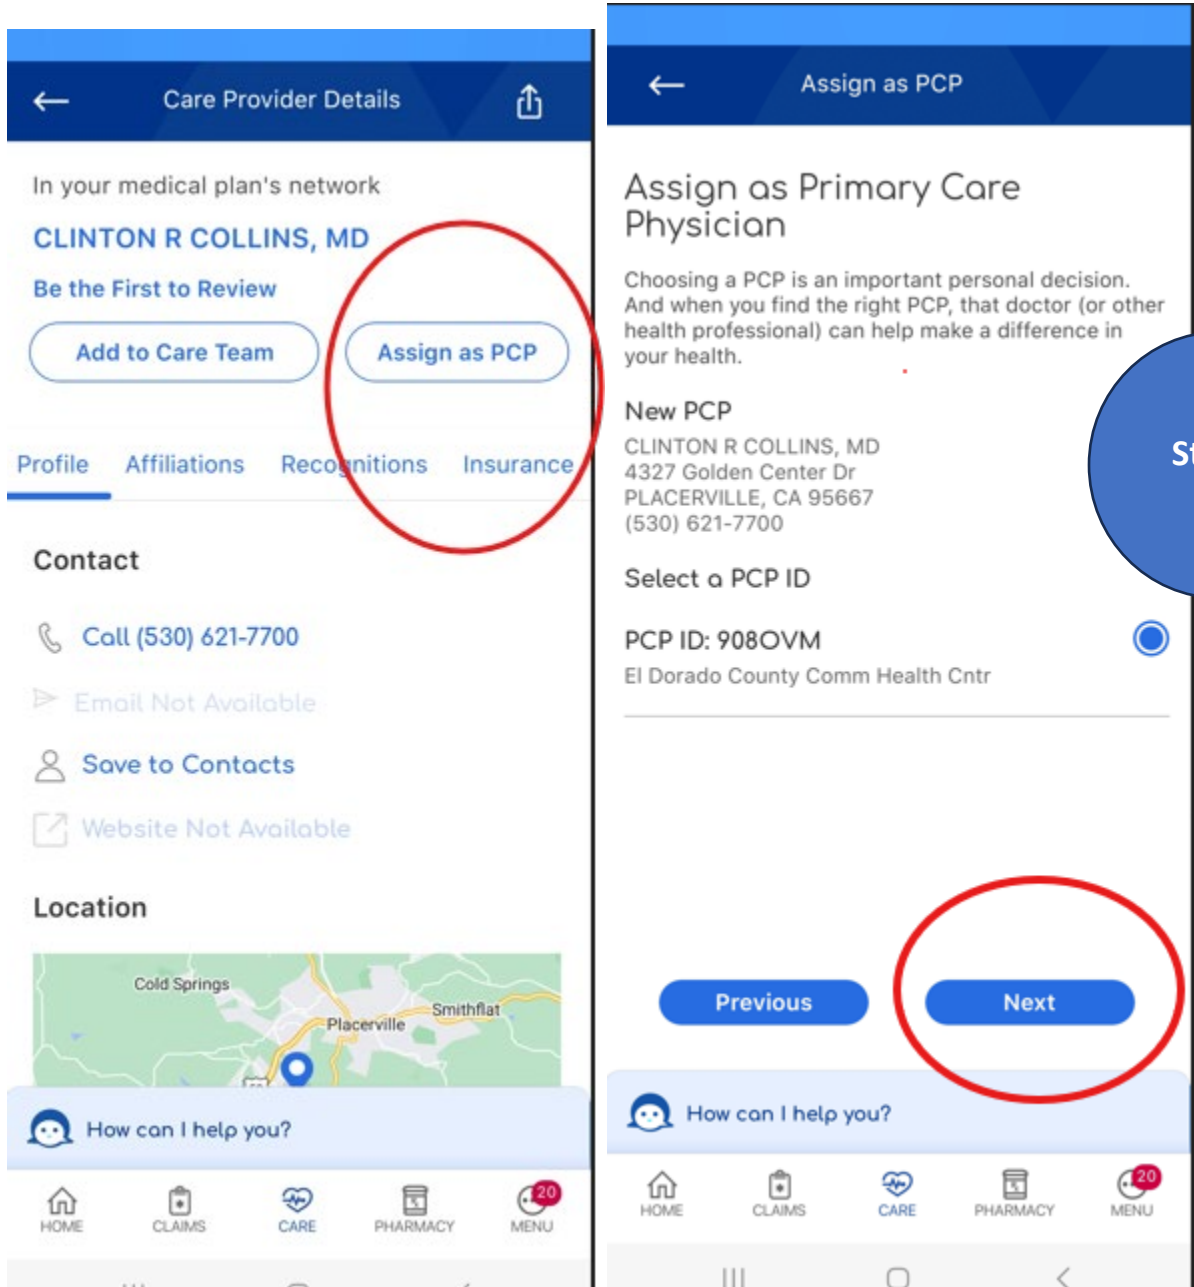

Step 4

Review results and compare care providers. Once you have selected your care provider, select arrow as shown below.

Step 6

Select Assign as a PCP. Review PCP update in the next screen and select NEXT as shown below.

Step 8

Review PCP one final time. After confirming provider, select Assign PCP.

Success Banner should appear to confirm the change has taken place.

← Assign as PCP
