

# H.R. LaBounty Safety Awards Nomination Form

---

## **Nomination Deadlines:**

**Spring Awards: February 1, 2021**

**Fall Awards: September 1, 2021**

**Agency:** Sacramento Suburban Water District

**Project/Initiative Title:** Rhino Lining on Trailer #24 (Slip Hazard Prevention)

Implementation Date: 2/17/2021

Cost to Implement: \$937.68

Staff Time Required: 1

Number of Employees/Facilities Impacted: 14

## **Employee/Department/Committee Nominated:**

Name(s): Jeremy Moody

Job Title/Department: Distribution Operator II

---

## Nomination Summary

*Write a brief summary of your project/initiative. Clearly state the problem/hazard recognized by the nominee and the specific reasons that they initiated corrective action.*

Jeremy noticed during the rainy season the painted areas of the newly purchased trailer #24 were slippery when wet. He investigated at different products and found the Rhino Liner used on the back of the District's leak trucks is not slippery when wet. He recommended applying Rhino Liner on the trailer walking surfaces and it was approved. The trailer's painted areas are now covered in Rhino Liner and is no longer a slip hazard.

*Describe the specific actions taken to resolve the problem(s) or challenge(s). Share the best practices that made this initiative successful for the agency and its impact.*

Staff took the trailer #24 to a shop that applies Rhino Liner . The shop prepared the painted walking surfaces on the trailer and coated them with the non-slip product. This product is used in select areas on most of our trucks.

*State whether the hazard was reduced with engineering controls, introduced a new administrative or work procedure, or relied on personal protective equipment to solve the problem.*

The wet or dusty condition slip hazard on the trailer's walking surfaces was reduced or eliminated with Rhino Liner applied as an engineering control.

*Describe any extraordinary circumstances that made this nominee's safety accomplishments significant. Describe whether the nominee influenced safety in the workplace, encouraged employee participation in safety efforts, obtained organizational "buy in" to implement the solution.*

Jeremy noticed that the painted areas on trailer #24 Were slippery and took action before an injury could occur. His quick, proactive action implementing the Rhino Liner coating to this recognized hazard mitigated potential injuries to staff when working with the trailer.

*Describe whether the project/initiative addressed a hazard or exposure included in the JPIA Commitment to Excellence Program.*

- Office/Field Ergonomics
- Vehicle Operations
- Slip/trip/falls – falls from heights
- Other: Slip hazard from walking on a painted surface.

*List and attach any supporting materials that you feel are important for the reviewers to gain a complete picture of the nomination. Digital photos, supporting documentation, sample forms, etc.*

Please see attachment.
