

THE BACK SCHOOL®

The Back School offers online courses and live workshops. They are trusted ergonomics experts with over 35 years of experience.

ONLINE COURSES

Develop skills to perform OSHA compliant Ergonomics assessment in industrial, healthcare and office settings.

LIVE WORKSHOPS

Expand your professional services and skills with hands-on training from leading Ergonomics experts.

The JPIA is sponsoring training from The Back School that can qualify a member of your staff as a Certified Ergonomic Assessment Specialist (CEAS-1 & 2). The JPIA will contribute \$300 towards tuition for up to two district employees. This offer is extended to JPIA members in the Workers' Compensation Program. The tuition reimbursement may be applied to live workshops in your area or an online certification course. A certificate of completion will be submitted to the Training Department for reimbursement.

Contact the Training Department at training@acwajpia.com or 800-231-5742. For more information, visit The Back School website at <https://www.thebackschool.net/>.
