FORM NO. MOWC&EL-070123

This is a **Memorandum** of understanding between all of the **Member Agencies** of the Association of California Water Agencies Joint Powers Insurance Authority (**Authority**), a California public entities risk pool operating under Sections 990.4 and 990.8 of the California Government Code and other provisions of law. The purpose of this **Memorandum** is to set forth the terms on which the **Authority's Member Agencies** have agreed to pool certain Workers' Compensation risks among their membership, and have agreed to purchase excess insurance (or reinsurance) above the limit of coverage provided by the **Member Agencies'** pooled funds. This **Memorandum** shall be applied according to the principles of contract law, giving full effect to the intent of the **Member Agencies** of the **Authority** in adopting this **Memorandum**. None of the parties to the **Memorandum** are entitled to rely on any contract interpretation principle which would require the interpretation of ambiguous language against the drafter of an agreement. The **Member Agencies** participating in the pool understand and acknowledge that their risk-pooling arrangement governed by this **Memorandum** is not insurance nor is it subject to regulation under the Insurance Code.

Throughout this **Memorandum**, words and phrases that are shown in **bold** type have special meaning and are defined in SECTION I - DEFINITIONS. Words that appear in CAPITAL LETTERS have reference to the like titled section in the **Memorandum**.
